Independent Auditor's Report

To The Plan Administrator
Elanders Americas 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Elanders Americas 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Notes 2 and 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Elanders Americas 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Elanders Americas 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Elanders Americas 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Elanders Americas 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) and Form 5500, Schedule H, Part IV, Line 4j – Schedule of Reportable Transactions as of and for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(K) RETIREMENT PLAN**

Notes to Financial Statements

December 31, 2022 and 2021

(1) Description of Plan and Summary of Significant Accounting Policies

(a) Description of Plan

The following description of the Elanders Americas 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution 401(k) savings plan covering substantially all employees of Midland Information Resources Company and Elanders USA, LLC (the Company) who have completed three months of service and are age 18 or older. Excluded employees include those covered by a collective bargaining agreement, non-resident aliens, leased employees and reclassified employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The investment committee is responsible for oversight of the Plan, determining the appropriateness of the Plan’s investment offerings and monitoring investment performance.

Contributions

Participants may contribute a percentage of pretax and after-tax (designated Roth contribution) annual compensation (subject to federal limitations) in the form of a salary reduction. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (referred to as rollover contributions).

The Company also makes a discretionary matching contribution equal to a percentage of eligible participants’ elective deferral contributions. Participants are eligible for the discretionary match upon becoming eligible to make elective deferral contributions. The Company contributes a discretionary matching contribution equal to 50% of each participant’s contribution up to 5% of the employee’s eligible compensation for employees at Midland Information Resources Company and 100% of each participant’s contribution up to 2% of the eligible employee’s compensation for Elanders USA, LLC employees.

The Plan also allows for Company profit-sharing contributions which are at the discretion of the Company’s Board of Directors. Participants are eligible for the discretionary profit-sharing contributions upon completing 1,000 hours of service and being employed by the Company on the last day of the plan year. The Company did not make any profit-sharing contributions to the Plan for the years ended December 31, 2022 and 2021.

Employee contributions, matching employer contributions and employer discretionary contributions are invested in one or more investment fund options offered by the Plan as directed by the individual participant.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s contributions and (b) Plan earnings and charged with the participant’s withdrawals and an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit

to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeited balances of terminated participant's non-vested accounts are used to reduce employer contributions. Forfeitures included in net assets available for benefits as of December 31, 2022 and 2021, amounted to \$6,997 and \$5,472, respectively. Total forfeitures used to reduce employer contributions and/or pay administrative expenses amounted to \$5,472 in 2022 and \$5,640 in 2021.

Vesting

Participants are immediately vested in their elective deferrals plus actual earnings thereon. Vesting in the remainder of their accounts is based on 20% for each year of service after the first year. Participants are fully vested after five years of credited service or upon death, disability or attainment of normal retirement age of 59½. Participants hired on or before January 1, 2015, with Elanders USA, LLC were 100% vested in all contributions.

Payment of Benefits and Participant Loans

On death, disability, termination of service or retirement, a participant (or participant's beneficiary in the event of death) may elect to receive as a distribution from his or her account the value of their account in a lump sum payment. Beginning in 2020, a participant can also receive distributions from his or her account under the CARES Act, if eligible, subject to federal limitations.

Participants may borrow (minimum of \$1,000) up to 50% of the total vested balance of their accounts up to a maximum of \$50,000. The loans are subject to a maximum term of five years or a period of time not to exceed ten years for loans used to acquire a principal residence. The loans are secured by the balance in the participant's account and bear interest at rates which is established by the plan administrator, which is typically the prime rate plus 2% at the loan inception date. Principal and interest are paid ratably through payroll deductions.

(b) Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting. The Plan evaluated subsequent events through October 12, 2023, which is the date the financial statements were available to be issued.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(b) Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

The Plan's investments are held by John Hancock Life Insurance Company (U.S.A.) (Custodian) who allocates plan assets to the individual accounts of each participant as directed by the participant.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in a transaction between market participants at the measurement date. The guaranteed income accounts are not fully benefit-responsive and are stated at fair value, as determined by John Hancock Life Insurance Company (U.S.A), which approximates contract value. Contract value represents contributions made under the contract plus earnings (current rate of 1.03% in 2022 and 0.90% in 2021) less participant withdrawals and administrative expenses. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits and Participant Loans

Benefits are recorded when paid.

Participant loans are valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant loan is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants subsequent to year end.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related fees are included in administrative expenses (see note 6).

(2) Certified Investments and Loans

The following information disclosed in the financial statements and supplemental schedules was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.) (Custodian) as of December 31, 2022 and 2021, and for the years then ended.

(3) Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of quoted prices in active markets of similar assets for assets in non-active markets and Level 3 inputs which consist of other valuation techniques that have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There were no investments requiring the use of Level 3 inputs in 2022 and 2021.

There were no changes in methods used to measure fair value in 2022 and 2021.

(3) Fair Value Measurements, continued

The fair values of the Plan's investments have been determined by John Hancock Life Insurance Company USA and are reported in the accompanying statements of net assets available for benefits as follows:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
<u>December 31, 2022:</u>				
Mutual funds – pooled separate accounts	\$ <u>18,525,273</u>	<u>-</u>	<u>18,525,273</u>	<u>-</u>
<u>December 31, 2021:</u>

Level 2 Measurements

Mutual Funds – Pooled Separate Accounts

The underlying assets of the pooled separate accounts are publicly traded open-end mutual funds registered with the U.S. Securities and Exchange Commission. The net asset value of these funds is determined daily and transacted at that price. Thus, the fair value of substantially all mutual fund investments is based on the quoted market prices of the investments within the pooled separate accounts.

Guaranteed Interest Accounts

The investment contract is not actively traded. Thus, the fair value of the investment contract is determined by John Hancock Life Insurance Company (U.S.A.) based on the related contract value (contributions under the contract rate) less withdrawal charges adjusted to reflect current market interest rates to the extent such rates exceed the contract rate of interest. The contract value of the guaranteed interest accounts amounted to \$429,244 at December 31, 2021. The investment contract was liquidated during 2022 and re-invested in other investment options offered by the Plan as determined by the participant.

(4) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(5) Tax Status

The Company has adopted a pre-approved plan document sponsored by AT Retirement Services, LLC. AT Retirement Services, LLC has received a favorable opinion letter effective June 30, 2020, from the Internal Revenue Service (IRS) which states that the pre-approved document satisfies the applicable provisions of the Internal Revenue Code. The Plan itself has not received a determination letter from the IRS. The Plan has been amended since receiving the opinion letter; however, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Service. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Notes to Financial Statements

(5) Tax Status, continued

The Plan evaluates the tax benefits of a tax position using the "more likely than not" threshold. As of December 31, 2022, management is not aware of any uncertain tax positions and related tax benefits which would be material to the Plan's financial statements. The Plan files annual information returns which for years subsequent to 2018 are subject to examination by taxing authorities.

(6) Administrative Expenses

Plan administrative expenses related to participant loan administration, member requested services, withdrawal charges and personal retirement accounts are charged to participant accounts. The Plan changed its investment contract with John Hancock USA in June, 2018. Under the new contract, investment fees are deducted from participant accounts rather than a reduction of the investment rate of return as in the prior contract.

(7) Related Party and Party-in-Interest Transactions

Certain Plan investments are shares of pooled separate accounts and guaranteed interest accounts managed by John Hancock Life Insurance Company (U.S.A.). John Hancock Life Insurance Company (U.S.A.) is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Administrative and investment fees paid to John Hancock Life Insurance Company (U.S.A.) amounted to \$84,000 in 2022, and \$105,844 in 2021.

(8) Risks and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and amounts reported in the statement of net assets available for benefits.

As of the date of our report, certain discrimination and top heavy testing of contributions has not been completed for the year ended December 31, 2022. Management believes that participant refunds for excess contributions, if any, or other compliance matters resulting from the completion of the testing for 2022 would not be material to the financial statements of the Plan.

(9) Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2022 and 2021, per the financial statements to the Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets per Form 5500	\$ 18,702,628	22,774,114

(9) Reconciliation of Financial Statements to Form 5500, continued

The following is a reconciliation of the net change in net assets available for benefits for the years ended December 31, 2022 and 2021 per the financial statements to the Form 5500:

	<u>2022</u>	<u>2021</u>
Net increase (decrease) per Form 5500	\$ (4,071,486)	2,438,876
Difference in contract value and fair value for guaranteed interest account	585	(2,834)
Excess participant contributions	4,087	(4,087)
Change in receivable adjustments	6,923	
Net increase (decrease) per financial statements	<u>\$ (4,059,891)</u>	<u>2,431,955</u>

(10) Recent Developments

On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions referred to as “SECURE 2.0”. These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system and finding ways for them to accumulate more assets. These changes have various effective dates starting in 2023 and forward. Since the provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect for 2023 and future years.

(11) Economic Impacts

The COVID–19 virus and other national and worldwide factors have led to significant volatility in financial markets and has affected, and may continue to affect, the value of the Plan’s investments. The potential future economic impact of these conditions is difficult to assess or predict. The Plan sponsor is not able to estimate its full impact of these conditions on the Plan’s financial statements.

(12) Subsequent Events

Subsequent to year-end, certain employees of the Company who were participants in the Plan transferred to an affiliated company in connection with a corporate re-alignment of customer services. The affiliated company maintains a separate defined contribution retirement plan covering its eligible employees. Accordingly, the Plan transferred approximately \$966,000 on April 17, 2023 to the affiliated company’s defined contribution retirement plan for those participants who became eligible employees of the affiliated company.
