## Independent Auditors' Report

**To the Plan Administrator of  
Savings Plan for Employees of Steinway Musical  
Instruments, Inc. and Subsidiaries**

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements**

We have performed an audit of the financial statements of Savings Plan for Employees of Steinway Musical Instruments, Inc. and Subsidiaries (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the 2022 financial statements, is complete and accurate.

### **Opinion on the 2022 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date of the financial statements are issued, in accordance with accounting principles generally accepted in the United States of America.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Other Matters

### *2022 Supplemental Schedule Required by ERISA*

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Auditors' Report on the 2021 Financial Statements**

Other auditors, who joined Mazars USA LLP, performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 12, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements December 31, 2022 and 2021

### 1. Description of Plan

The following description of the Savings Plan for Employees of Steinway Musical Instruments, Inc. and Subsidiaries (the "Plan") provides only general information. Plan participants should refer to the plan document for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan established on December 1, 1985 by Steinway Musical Properties, Inc., predecessor to Steinway Musical Instruments, Inc. (the "Company"), for the purpose of providing the employees of the Company's piano divisions with certain retirement benefits in accordance with Section 401(k) of the Internal Revenue Code ("IRC"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Employees at the following companies participate in the Plan as of December 31, 2022:

- Steinway Musical Instruments, Inc.
- Steinway, Inc.
- The O.S. Kelly Company

During the year ended December 31, 2020, the Plan adopted the distribution and loan provisions of the CARES Act. The distribution provisions allowed certain eligible participants to take a coronavirus related distribution up to \$100,000 from the Plan retroactive to January 1, 2020 and through December 30, 2020. The loan provisions allowed participants with the option to borrow 100% of their vested account balance, up to a maximum of \$100,000. Participants also had the option of suspending loan payments due between March 27, 2020 and December 31, 2020 for up to one year, however, originally scheduled payments must resume beginning on January 1, 2021. The Plan was formally amended in October 2022 to retroactively reflect these provisions.

#### Eligibility

All employees of the Company, except for union employees and leased employees, are eligible to participate in the Plan at age 18 and may begin to make elective deferrals on the first day of the month coinciding with, or next following, the date the eligibility requirements are met.

Effective May 1, 2022, the Plan was amended to add an automatic enrollment provision for newly eligible employees. Therefore, when an employee becomes eligible to participate in the Plan, the Company will automatically, on behalf of those participants, defer 3% of the participants' eligible compensation (as defined). These deferrals will be allocated to a default fund as defined in the plan document. Participants may cancel, modify or otherwise change any of the automatic elections.

#### Participant Contributions

Eligible participants may make voluntary pre-tax contributions through salary reductions from 1% to 100% of their annual pre-tax compensation, limited to the maximum amount allowable under the provisions of the IRC (\$20,500 in 2022). The Plan also allows for participants to defer funds into a "Roth" 401(k) deferral. These deferrals are subject to federal income taxes, and the maximum allowable contribution is \$20,500 combined between both the Roth and pre-tax deferral. Further, participants who are 50 years of age or older as of December 31, 2022, may contribute an additional "catch up" contribution (\$6,500 in 2022). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a money market fund as investment options for participants. The Plan allows rollover contributions from other qualified plans, as defined in the plan document.

#### Employer Contributions

The Plan permits discretionary Company contributions. The Company made a discretionary contribution of \$1,249,512 for the Plan year ended December 31, 2022, which was deposited into the Plan during the year ending December 31, 2022. In addition, the Company may make certain additional qualified non-elective contributions ("QNEC"). The Company did not make a QNEC for the year ended December 31, 2022.

### **Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. The Company contribution portion of their accounts plus actual earnings thereon is 100% vested after three years of credited service.

### **Participants' Accounts**

Individual accounts are maintained for each Plan participant. Each participant's account is credited with their respective contribution and its allocation of (a) Company discretionary contributions and (b) Plan earnings or losses. Allocations of Company contributions are based on the ratio that each eligible participant's compensation bears to the total compensation paid to all eligible participants for the plan year.

### **Payment of Benefits**

Upon termination of employment, retirement, attainment of age 59 ½, death or disability, the participant or the participant's beneficiary is entitled to receive the vested portion of the participant's account in a single lump-sum or installment payments, in accordance with Internal Revenue Service ("IRS") regulations and Plan provisions. Further, withdrawals from the Plan before leaving the Company are available for special "hardship" reasons, attainment of age 55, and certain other conditions, as defined in the plan document. Distributions to participants are recorded when paid.

### **Forfeitures**

The Plan provides that forfeitures, the unvested portion of Company contributions for terminated participants, will serve to reduce the Plan's administrative expenses or future Company contributions. During the year ended December 31, 2022, forfeitures totaled \$23,140 and the Company used the forfeiture account to reduce Company contributions by \$15,749. The forfeiture account balance was \$19,705 and \$12,314 as of December 31, 2022 and 2021, respectively.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Participants may borrow up to 50% of their vested account balance with a minimum of \$1,000 and a maximum of \$50,000. Loans are subject to approval by the plan administrator and the interest rate is set periodically to be in line with current market rates for similar types of loans. Loan terms range from one to five years. However, if the loan is to acquire the principal residence of the participant, the term may be extended. Loans are secured by the balance in the participant's account. Principal and interest is paid ratably through automatic payroll deductions.

### **Cash Reserves**

Certain money market and mutual fund expenses, which are charged by the mutual fund companies to the individual participants, are recaptured by the Plan and held in a cash reserve account. These funds are then used to pay for expenses of the Plan that benefit the Plan participants, as approved by the IRS, the Department of Labor and ERISA. As of December 31, 2022 and 2021, the balance in this fund amounted to \$9,559 and \$10,377, respectively. During the year ended December 31, 2022, recapture funds totaled \$63,806 and is included as other income in the accompanying statement of changes in net assets available for benefits.

## 2. Summary of Significant Accounting Policies

The following is a summary of the significant accounting policies followed by the Plan.

### Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

### Investment Valuation and Income Recognition

Plan investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's sponsor determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 7 for disclosures on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold during the year as well as held at year end.

### Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

### Administrative Expenses

Administrative expenses of the Plan are paid by either the Company or the Plan, after taking into account forfeitures and recaptured transaction fees.

### Subsequent Events

The Plan has evaluated subsequent events through October 12, 2023, which is the date the financial statements were available to be issued.

## 3. Information Certified by The Plan's Trustee

The Plan Administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following is a summary of the information regarding the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements, that was prepared by or derived from information provided by Reliance Trust Company, the trustee of the Plan, and furnished to the plan administrator. The plan administrator has obtained a certification from the trustee that such information is complete and accurate.

## 4. Tax Status

The Plan operates under a pre-approved plan which has received a favorable opinion letter from the IRS dated November 30, 2020, indicating that the Plan was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter, however, the Plan administrator believes and represents that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

## Savings Plan for Employees of Steinway Musical Instruments, Inc. and Subsidiaries

The Financial Accounting Standards Board has issued a standard regarding the accounting and recognition of income tax positions taken or expected to be taken by the Plan. The plan administrator assesses the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's management believes it is no longer subject to income tax examinations for years prior to 2019.

### 5. Plan Termination

The Plan may be amended or terminated, in whole or in part, by the Company, subject to the provisions set forth in ERISA. In the event of any termination of the Plan, the accounts of all participants immediately become fully vested and the Plan assets are distributed in accordance with the terms of the Plan.

### 6. Risks and Uncertainties

The Plan provides for various investment options in accounts which invest in investment securities. Investment securities in general are exposed to various risks such as interest rate, market and credit. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that these changes could, in the near term, materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

### 7. Fair Value Measurements

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs. Valuation techniques used to measure fair value are defined as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Mutual funds: Valued at the daily closing price in an active market at year end.

Money market fund: Valued at the closing price reported by the fund sponsor from an actively traded exchange.

## Savings Plan for Employees of Steinway Musical Instruments, Inc. and Subsidiaries

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments at fair value as of December 31, 2022 are as follows:

|                                 | 2022                 |             |             |                      |

### 8. Party-in-Interest Transactions

Plan investments are held by Reliance Trust Company which is the trustee as defined by the Plan and qualifies as a party-in-interest. Sentinel Benefits group also performs administrative and recordkeeping services for the Plan. Shepard, Kaplan, Krochuk, LLC, Fidelity Investments provides custodial and investment advisory services for the Plan. The administrative fees paid to these plan service providers was \$98,186 for the year ended December 31, 2022.

### 9. Delinquent Participant Contributions

During 2022, the Company did not remit to the Plan's trustee certain participant contributions and loan repayments totaling \$163,816, within the time period prescribed by the Department of Labor regulations. Delays in remitting the contributions to the trustee were due to administrative errors.
