INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Balda C. Brewer Company 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Balda C. Brewer Company 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Balda C. Brewer Company 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Balda C. Brewer Company 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the accompanying 2021 financial statements of the Balda C. Brewer 401(k) Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2021 financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

We have been informed by the Plan administrator that ADP Retirement Services, LLC accounted for the Plan's participant investment assets and executed investments transactions from January 1, 2021 to May 28, 2021. The Balda C. Brewer Company 401(k) Plan does not have sufficient accounting records and supporting documents relating to certain participant account balances that were transferred to Transamerica Retirement Solutions, LLC effective June 1, 2021. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying 2021 financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Balda C. Brewer Company 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. However, because of the matter described in the Basis of Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2021 financial statements.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Balda C. Brewer Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Balda C. Brewer Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Part IV, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the 2022 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BALDA C. BREWER COMPANY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1. DESCRIPTION OF PLAN

The following description of the Balda C. Brewer Company 401(k) Plan (or the Plan) is provided for general information purposes only. Participants should refer to the summary plan description for a more complete description of the Plan's provisions. The Plan document contains the definitive legal provisions governing the Plan.

General

The Plan is a defined contribution profit sharing plan covering full-time employees of Balda C. Brewer Company (or the Company, or the Sponsor) who are at least twenty-one years of age and have completed two months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (or ERISA), as amended.

Contributions

Contributions to the Plan include (a) salary reduction contributions authorized by participants, (b) nonelective contributions made by the Company and (c) participant rollovers from another qualified plan.

The 401(k) salary deferral option allows employees to defer a portion of their salaries for income tax purposes on both a pre-tax and after-tax basis through contributions to the Plan. Participants may elect to contribute any percentage of their compensation to the Plan, subject to the limits of the Internal Revenue Code. Participants who have attained the age of 50 before the end of the Plan year are eligible to make certain catch-up contributions.

The Company matches 50% of participant deferrals for the first 6% of Plan contributions. The Company may make discretionary nonelective contributions at the option of the Company's management in an amount determined at the Plan year-end. The Company did not make any discretionary profit-sharing contributions in 2022.

A participant may make a rollover contribution to the Plan. Rollover contributions are assets transferred to the Plan from a qualified savings plan in which an employee participated prior to employment with the Company.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of Plan earnings. Participant accounts are also charged with withdrawals and an allocation of Plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Investment Direction

Participants direct the investment of their salary reduction contributions and rollover contributions into various investment options offered by the Plan. The Plan currently offers a stable fund along with several mutual funds as investment options for participants. Participants may change their investment options at any time throughout the year.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE 1. DESCRIPTION OF PLAN (continued)

Forfeited Accounts

Nonvested employer contributions are forfeited by terminating participants. Forfeited accounts are held in an account at Reliance Trust Company until used to either pay Plan administrative expenses or to reduce employer contributions. Forfeited accounts totaled \$54,735 and \$18,363 at December 31, 2022 and 2021, respectively.

Vesting

Participants are vested immediately in their contributions (salary reduction contributions, including catch-up contributions and/or rollover contributions) and related earnings. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant vests 20% for years two through six and is 100% vested after six years of credited service.

Payment of Benefits

On termination of service due to death, disability, retirement or any other reason, participants with a vested account balance greater than \$5,000 may elect to receive an amount equal to the value of their vested interest in either a lump-sum or in periodic installments. Participants with vested account balances of less than \$5,000 receive a lump-sum distribution upon termination of service with the Company.

In the event of financial hardship (as defined by the Plan), participants may withdraw money from the vested interest portion of their Plan accounts while they are still employed.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$500 up to a maximum equal to \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator at the inception of each loan. The interest rates applicable to the notes receivable outstanding at December 31, 2022 ranged from 5.25% to 8.25%.

Participant loans are classified as notes receivable from participants on the Statements of Net Assets Available for Benefits are valued at their unpaid principal balance, plus accrued but unpaid interest. The interest earned on these loans is shown as interest income on notes receivable from participants on the Statement of Changes in Net Assets Available for Benefits.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements and accompanying notes are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (or U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value accounting.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) in fair value of investments includes realized gains and losses on investments bought and sold during the year, as well as unrealized gains and losses on investments held at the end of the year. Interest income is recorded when received. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant unpaid loan balance becomes due and payable in accordance with the terms of the underlying promissory note.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Plan Expenses

The Sponsor charges each participating organization an administrative fee based on eligible employee compensation and uses these funds to pay the majority of costs of administering the Plan. The Plan may charge certain costs for recordkeeping and participant loan administration.

Subsequent Events

The Plan has evaluated subsequent events through October 13, 2023, the date which the financial statements were issued. No material subsequent events that required recognition or additional disclosure in the financial statements were identified.

NOTE 3. FAIR VALUE ACCOUNTING

Fair Value Hierarchy

U.S. GAAP includes authoritative guidance that provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs and is described below:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; and inputs other than quoted prices that are observable for the asset or liability. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable estimates using the best information available when there is little or no market data to access.

An asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Valuation Methodologies Used

A description of the valuation methodologies used for assets measured at fair value follows.

Stable funds

Stable funds are a type of cash fund that resembles a money market fund and maintain a constant share price of \$1. Stable funds are valued using level 1 inputs.

Mutual funds

Mutual funds are valued at share prices/net asset values obtained from independent pricing sources or directly from a fund itself as permitted by U.S. GAAP, all of which are considered level 1 inputs.

There have been no changes in the methodologies used at December 31, 2022 and 2021.

NOTE 3. FAIR VALUE ACCOUNTING (continued)

Valuation Methodologies Used (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The tables below set forth by level, within the fair value hierarchy, a summary of the Plan's investments measured at fair value on a recurring basis as of December 31, 2022 and 2021.

	As of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,999,117	\$ -	\$ -	\$ 3,999,117
Cash and cash equivalents	451,275	-	-	451,275

NOTE 4. CERTIFICATION BY THE TRUSTEE

The Plan's administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan's administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the trustee, Reliance Trust Company (or Reliance) for the years ended December 31, 2022 and 2021, except for comparing such information certified by the custodian with information included in the accompanying financial statements and supplemental schedule:

	<u>2022</u>	<u>2021</u>
Investments:		
Cash and cash equivalents	\$ 451,275	\$ 351,729
Mutual funds	<u>3,999,117</u>	<u>5,187,247</u>

NOTE 5. ADMINISTRATIVE EXPENSES

Administrative expenses are paid by the Plan unless the Company elects to pay such costs. The Plan's administrative expenses were paid by the Plan in 2022, which totaled \$26,018.

NOTE 6. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Notes receivable from participants are qualify as exempt party-in-interest transactions. All other transactions, which may be considered exempt parties-in-interest transactions, relate to normal Plan management and administrative services.

NOTE 7. TAX STATUS

The Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code.

NOTE 8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

In January 2020, the World Health Organization declared an outbreak of a novel coronavirus (or COVID-19) as a pandemic, which adversely impacted global commercial activity and led to significant declines and volatility in financial markets, resulting in economic uncertainties which negatively impacted investment performance across the globe. While the effects of the COVID-19 pandemic continue to lessen, the inflation, supply chain issues and labor constraints that have occurred in the aftermath of the pandemic are likely to continue, which could lead to uncertainty and risk with respect to the Plan's performance and its financial results.
