Independent Auditor's Report

To the Plan Administrator and Administrative Committee
Didi Hirsch Mental Health Services Retirement Plan
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Didi Hirsch Mental Health Services Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Didi Hirsch Mental Health Services Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Didi Hirsch Mental Health Services Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Independent Auditor's Report - continued

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Didi Hirsch Mental Health Services Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Didi Hirsch Mental Health Services Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Independent Auditor's Report - continued

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

In addition, as noted in Note 5 to the financial statements, the plan administrator has not included certain pre-2009 annuity contracts in the Plan's financial statements, as permitted.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) - December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Didi Hirsch Mental Health Services Retirement Plan

Notes to Financial Statements December 31, 2022 and 2021

1. Description of Plan

The following description of Didi Hirsch Mental Health Services Retirement Plan ("the Plan") provides only general information. Participants should refer to the Plan's agreement for a more complete description of the Plan's provisions.

General

The Plan is a 403(b) tax-sheltered annuity plan covering all eligible employees of Didi Hirsch Mental Health Services ("Didi Hirsch"), the sponsor of the plan, except for reclassified employees and employees who are normally not entitled to other benefits because of their job classifications. The Plan was established on August 1, 1976 and restated on January 1, 2009. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and Section 403(b) of the Internal Revenue Code.

The Board of Directors is responsible for oversight of the Plan. The appropriateness of the Plan's investment options and the investment performance are monitored by the Board with the assistance of the Plan's third party administrator.

Contributions

A participant becomes eligible to make contributions to the Plan on the date of hire and to receive matching contributions following the completion of one year of service as defined in the Plan. Each year the participants may contribute up to the maximum determined by the Internal Revenue Code from their eligible compensation as defined in the Plan. In addition, participants qualifying for age- based provisions may make additional catch-up deferrals and may contribute amounts representing distributions from other eligible retirement plans.

Didi Hirsch makes a matching contribution of 100% of an employee's elective deferrals up to a maximum of 5% of the employee's base compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of Didi Hirsch's contribution and the Plan's earnings. Allocations are based on account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in Didi Hirsch's contribution portion of their accounts is based on years of continuous service. A participant is fully vested in matching contributions after six years of credited service. Upon a participant's termination from the Plan, the unvested portion, if any, of the employer matching contributions balance in the participant's account is forfeited. Such forfeited amounts are accumulated and are used to reduce future employer match contributions.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in the mutual funds or annuity contract investment options offered by the Plan with Voya Retirement Insurance and Annuity Company ("Voya"). The Plan also has legacy investments with Teachers Insurance and Annuity Association-College Retirement Equities Fund ("TIAA-CREF"). As of December 31, 2022 and 2021 and for the year ended

Didi Hirsch Mental Health Services Retirement Plan

Notes to Financial Statements December 31, 2022 and 2021

December 31, 2022, Voya and TIAA-CREF are collectively referred to as the Custodians. Participants may change their investment options at any time.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% from their vested account balance, except the portion attributable to their VOYA accounts. The maximum loan term is five years, except for loans for the purchase of a primary residence which may be up to fifteen years. The loans bear interest at varying rates and principal and interest are paid ratably through semi-monthly payroll deductions.

Payment of Benefits

Upon termination of service, a participant may elect to receive payments as: 1) lump sum or installment distribution, 2) income under an annuity, or 3) transfer to an individual retirement arrangement.

Hardship Withdrawals

The Plan allows for hardship distributions in accordance with the IRS regulations. A participant may withdraw any part of their vested account in the event of undue financial hardship.

Forfeited accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$109,281 and \$25,418 respectively. These accounts are used to reduce future employer contributions. In 2022, employer match contributions were reduced by \$9 from forfeited nonvested accounts and the professional fees of \$8,485 were paid from forfeited nonvested accounts.

2. Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements is as follows:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest income is recorded on the accrual basis. Purchases and sale of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned and related fees are recorded as administrative expenses and expensed when incurred. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022. If a participant ceases to make

Notes to Financial Statements December 31, 2022 and 2021

loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid. There were no amounts owed to current or terminated participants as of December 31, 2022.

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statement elements are required to be measured at fair value.

Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs - quoted prices in active markets for identical assets

Level 2 inputs - quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs - estimates using the best information available when there is little or no market

The Plan is required to measure certain investments at fair value. The specific technique used to measure fair value for the financial statement element is described in the note below that relates to the element.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of the date and for the period presented. Actual results could differ from those estimates.

Administrative Expenses

Didi Hirsch absorbs all administrative expenses of the Plan other than contract services charged by the custodians for \$52,011 during the year ended December 31, 2022.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Subsequent Events

Management has evaluated subsequent events through October 12, 2023, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements.

3. Notes Receivable from Participants

Plan loans made by the Plan through Voya outstanding at December 31, 2022 totaled \$286,900 with interest rates ranging from 4.25% to 7.25% and maturity dates through July 2, 2036. Interest income from participant loans for the year ended December 31, 2022 totaled \$15,807.

Loans made to participants through TIAA CREF are collateralized loans, collateralized by the participant's account. The balance outstanding on such loans at December 31, 2022, and 2021 was \$1,591 and \$4,675 respectively.

4. Information Prepared and Certified by the Custodians

Interest income on participant loans for the year ended December 21, 2022 and 2021 was \$15,807 and \$17,643, respectively.

<i>December 31, 2022</i>	Level 1	Level 2	Level 3	Net Asset Value	Total
Mutual funds and other assets in the fair value hierarchy	\$ 25,137,904	\$ -	\$ -	\$ -	\$ 25,137,904

Total	\$ 29,108,905	\$ -	\$ -	\$ 7,974,479	\$ 37,083,384

The fair value of mutual funds and pooled separate accounts have been measured on a recurring basis using quoted market prices, for identical assets in active markets (Level 1 inputs).

In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statement of net assets available for benefits.

8. Related Party and Party-in-Interest Transactions

Certain Plan investments are managed by entities affiliated with the Custodians and therefore, transactions with these entities qualify as exempt party-in-interest transactions. For the year ended December 31, 2022, administrative expenses of \$52,011 were paid by the Plan to Voya for recordkeeping services.

Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments.

Certain administrative functions are performed by officers and employees of Didi Hirsch. No officer or employee received compensation from the Plan for these services.

9. Plan Termination

Although it has not expressed any intent to do so, Didi Hirsch has the right under the Plan to discontinue its contribution at any time and to terminate the Plan, subject to the provisions of ERISA.

10. Tax Status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (“Code”). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (“IRS”) in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b). Notes to Financial Statements December 31, 2022 and 2021

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.
