INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Pacific Green Landscape, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Pacific Green Landscape, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Pacific Green Landscape, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pacific Green Landscape, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

PKF San Diego, LLP is a member of PKF Global, the network of member firms of PKF International Limited, and Allinial Global, each of which is a separate and independent legal entity and does not accept any responsibility or liability for the actions or inactions of any individual member or correspondent firm(s).

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pacific Green Landscape, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pacific Green Landscape, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pacific Green Landscape, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of (1) Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2022 and (2) Schedule H, Line 4(a) - Schedule of Delinquent Participant Contribution for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that is agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

Description of Plan

The following description of the Pacific Green Landscape, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) retirement plan established as of February 1, 1996 and amended from time to time. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (the "Code") and similar state tax laws.

Economic Group Pension Services, Inc. serves as the Plan's third-party administrator. Newport Trust Company serves as the Plan's Custodian ("Custodian").

Eligibility

The Plan covers all employees of Pacific Green Landscape, Inc. (the "Company" or "Employer") who have attained age twenty-one and those that are eligible for Company benefits after the first day of the calendar month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Participant Contributions

Each year, participants may contribute 1% to 100% of their compensation on a pretax basis, as defined in the Plan, up to $20,500 for the year ended December 31, 2022. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions of $6,500. Total contributions that participants may contribute for 2022 is $27,000. For the year ended December 31, 2022, there were no contributions that exceeded the maximum allowable amounts as described in the Plan. Upon meeting the eligibility requirements, participants need to opt into the Plan.

Employer Contributions

The Plan elected to contribute safe harbor matching contributions ("QACA safe harbor") in which the Company makes matching contributions equal to 100% of the elective deferral that does not exceed 3% of compensation, plus 50% of the elective deferral that exceeds 3% of compensation and does not exceed 5% of compensation. The Company may make discretionary contributions determined on a pro-rata basis of elective deferrals. The Company contributed $82,855 of QACA safe harbor matching contributions to the Plan for the year ended December 31, 2022. There were no Employer discretionary contributions during the year ended December 31, 2022.

Rollover Contributions

The Plan provides for rollover contributions, which represent contributions by participants from other tax-qualified retirement plans. The maximum amount of a participant's rollover contribution is not affected by the limits otherwise applicable to participant contributions.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Participant Accounts

Separate accounts are maintained for each participant. Each participant's account is credited with the participant's salary reduction, rollover contributions, the Employer's matching and discretionary contributions, the participant's share in the Plan's earnings and losses and charged with an allocation of administrative expenses which are allocated proportionately among all participants based on their investments in each fund. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are 100% vested in their contributions to the Plan plus actual earnings thereon. Participants are fully vested in the QACA safe harbor matching contribution immediately. Participants become vested in the Company's discretionary contributions and earnings thereon at a rate of 20% vesting after 2 years of service, 40% vesting after 3 years of service, 60% vesting after 4 years of service, 80% vesting after 5 years of service, and 100% vesting after 6 years of service. A participant automatically becomes fully vested in the entire balance of his or her account upon death, disability or termination of the Plan.

Forfeited Accounts

Upon termination of employment, the unvested portion of a participant's Employer discretionary contribution account is forfeited. Amounts representing forfeitures of Employer discretionary contributions shall be used to pay administrative expenses and reduce Employer contributions to the Plan. At December 31, 2022 and 2021, the forfeited non-vested account had a balance of $119 and $121, respectively. In 2022, $0 of the forfeited account was used.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Notes Receivable from Participants

Participants may request to borrow a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loans have a term of up to 5 years for general loans and 30 years if the loan qualifies as a home loan. The loans are secured by the balance of the participant's account and bear interest at rates set forth by the Plan Administrator which approximate the prevailing market rates of interest. Interest rates range from 5.25% to 7.50% on loans outstanding at December 31, 2022 and 6.75% to 7.50% at December 31, 2021. Principal and interest are paid ratably through weekly payroll deductions. Notes receivable from participants are measured at their unpaid balance plus any accrued, but unpaid interest. Delinquent participant loans are reclassified as distributions based upon terms of the Plan document. No allowance for credit losses have been recorded as of December 31, 2022 and 2021.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Payment of Benefits

Participants are entitled to a distribution from their accounts at retirement, termination, death, hardship or upon incurring permanent disability. Participants may elect to receive a distribution of their account in lump sum or installments, equal to the value of the participant's vested interest in his or her account. However, if such a participant's vested account balance is less than $1,000, the Plan Administrator may roll the balance into an individual retirement account or make a lump sum distribution. Participants may defer distribution if the vested account balance is greater than $1,000.

Hardship Withdrawals

Participants may withdraw all or any portion of their vested contributions in the event of hardship as defined in the Plan.

Administrative Expenses

The Employer pays certain expenses incurred for the administration and operation of the Plan. Other administrative fees associated with distributions and loans are paid for by the participant. For the year ended December 31, 2022, the third party administrative expenses paid by the Plan were $31,562.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Employer contribution accounts. In the event of Plan termination, all amounts credited to accounts of participants shall be paid to each participant in accordance with the Plan agreement.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosure*. FASB ASC 820 provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access for assets.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in active markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement inputs, which contain assumptions by the party valuing those assets. For level 3 inputs, there is no market data or correlations with market assumptions.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds – These investments are stated at fair value based upon quoted net asset value of the shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Money market fund – This investment is a public investment vehicle using $1 for the net asset value based on investments held by the fund, and therefore, are excluded from the fair value hierarchy in accordance with Auditing Standards Update ("ASU") 2015-07 (Topic 820): *Disclosures for Investments in Certain Entities That Calculate Net Asset Value Per share (or its Equivalent).*

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the valuation methodologies used at December 31, 2022 and 2021.

The Plan presents in the Statement of Changes in Net Assets available for benefits the net appreciation or depreciation in the fair value of its investments, which consists of the realized gains or losses on those investments bought and sold during the year and the unrealized appreciation or depreciation on investments held at year end. Interest income is recorded on the accrual basis. Dividends (if declared) are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis.

Distributions

Distributions are submitted to the Plan Administrator for review and approval. Upon approval, they are forwarded to the Custodian for processing. Funds due to participants that have terminated employment but have not yet been distributed are not presented as liabilities in the Statement of Net Assets Available for Benefits. They are reflected in the Statement of Changes in Net Assets Available for Benefits when paid. As of December 31, 2022 and 2021, there were no amounts payable to the Plan participants.

NOTE 3 - INFORMATION CERTIFIED BY CUSTODIAN

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA, certain information prepared and certified by a custodian need not be audited or reported on by an independent public accountant. Pursuant to that regulation, the Plan Administrator has instructed the independent auditors, PKF San Diego, LLP, not to perform any auditing procedures with respect to information certified by the Custodian, Newport Trust Company, as of December 31, 2022 and 2021, and for the year ended December 31, 2022.

The Custodian has provided and certified all information in the financial statements and the supplemental schedules with regard to the investments and investment income of the Plan. This includes the cost and fair values of the investments, the activity therein, the net appreciation or depreciation in fair value of investments, interest and dividend income, distributions, expenses, notes receivable from participants, and the information included on the supplemental schedule of assets (held at end of year). The Custodian has certified to the Plan Administrator that this information is complete and accurate.

NOTE 4 - FAIR VALUE MEASUREMENTS

The following summarizes the investments by classification and method of valuation, within the fair value hierarchy, in accordance with the requirements of FASB ASC 820 as described in Note 2 as of December 31, 2022 and 2021:

	December 31, 2022	Level 1	Level 2	Level 3
Mutual funds	$ 2,818,136	$ 2,818,136	$ -	$ -
Total	$ 2,818,136	$ 2,818,136	$ -	$ -

	December 31, 2021	Level 1	Level 2	Level 3
Mutual funds	$ 3,090,050	$ 3,090,050	$ -	$ -
Total	$ 3,090,050	$ 3,090,050	$ -	$ -

NOTE 5 - TAX STATUS

The Plan has adopted a prototype plan of Newport Trust Company and relies on the prototype plan's opinion letter dated June 20, 2020, from the Internal Revenue Service ("IRS"). The Plan has not applied for a determination letter from the IRS specific to the Plan. The Plan Administrator and the Plan's management believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan was qualified and the related trust was tax exempt as of the financial statement date. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure within the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 6 - PROHIBITED TRANSACTIONS

During the years ended December 31, 2022 and 2020, the Company failed to timely deposit employee deferrals, employer's matching and loan payments, totaling $996 and $527, respectively, within the timeframe suggested by Department of Labor guidance. Although the 2022 remittance was made, it fell outside the suggested processing time. Late deposits are considered prohibited transactions and are included in the supplemental schedule, Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022. The 2022 late deposits were corrected in 2023. The 2020 late deposits were corrected in 2022.

NOTE 7 - SUBSEQUENT EVENT

The Plan Administrator has evaluated subsequent events, as defined by FASB ASC 855, *Subsequent Events*, through the date that the financial statements were available to be issued on September 29, 2023.
