Quechan Indian Tribe Employee Savings and Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Quechan Indian Tribe Employee Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for twelve months after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Required Supplementary Information

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America requires to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. Our opinion on the basic financial statements is not affected by the missing information.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H Line 4(a) – Schedule of Delinquent Participant Contributions and Schedule H, line 4(i) – Schedule of assets (held at end of year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to

prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 1, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Quechan Indian Tribe Employee Savings and Retirement Plan

Notes to Financial Statements December 31, 2022 and 2021

1) Description of Plan

The following description of the Quechan Indian Tribe Employee Savings and Retirement Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement, as amended, for a more complete description of the Plan’s provisions.

General

The Plan has been established by the Fort Yuma Quechan Indian Tribe (the “Tribe”) and operates under the authority of Tribal Council. The Plan is a defined contribution plan covering all full-time employees of the Tribe. The Plan was established on January 1, 2001, was amended and restated June 3, 2022, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Tribe is the Plan’s sponsor and serves as plan administrator. As of December 31, 2022 and 2021, there were 679 and 616 participants with account balances in the Plan, respectively.

Eligibility

Employees of the Tribe are eligible to participate in the Plan upon reaching age 18 and after completing one year of service. Participation commences on the entry date (quarterly) after meeting eligibility requirements.

Contributions

Participant contributions – Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions are invested in a default investment option until changed by the participant.

Employer contributions – The Tribe may elect to make discretionary matching and profit-sharing contributions to the Plan. The Tribe matches 100% of employee contributions, up to 3% of eligible compensation deferred to the Plan. Profit sharing contributions are allocated to participants in the same proportion as a participant’s compensation bears to the total of all participants’ compensation. There were no profit-sharing contributions for the year ended December 31, 2022.

Contributions are subject to regulatory limitations.

Quechan Indian Tribe Employee Savings and Retirement Plan

Notes to Financial Statements December 31, 2022 and 2021

Participant Accounts

Each participant's account is credited with the participant's contributions and Tribe matching contributions as well as allocations of the Tribe's profit-sharing contributions, if any, and investment earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Tribe's contribution portion of their accounts is based on years of continuous service. Participants vest in the Tribe's contributions based on the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	33%
2	66%
3	100%

In the event of a participant death or a total and permanent disability, a participant will become fully vested.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants have a limit of one outstanding loan at any given time. The loans are secured by the balance in the participant's account. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence. Under the terms of the plan agreement, plan loans bear a reasonable rate of interest determined by the plan administrator, which is defined by the Plan as 1% point over the prime interest rate. Principal and interest are paid ratably through payroll deductions.

Payments of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Quechan Indian Tribe Employee Savings and Retirement Plan

Notes to Financial Statements December 31, 2022 and 2021

Forfeitures

Forfeitures are the non-vested portion of a participant's account that is lost upon termination of employment. Forfeitures are retained in the Plan and used to reduce future Tribe contributions. Forfeitures of \$10,235 were used to offset employer matching contributions for the year ended December 31, 2022. As of December 31, 2022 and 2021, forfeited non-vested accounts totaled \$12,048 and \$12,702, respectively.

2) Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting based on the accounting standards promulgated by the Governmental Accounting Standards Board.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to see an asset or paid to transfer a liability in an orderly transaction between market participants at the measure date. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments consists of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

Risk and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the participants' account balances and amounts reported in the statements of net assets available for benefits.

Quechan Indian Tribe Employee Savings and Retirement Plan

Notes to Financial Statements December 31, 2022 and 2021

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the plan agreement. No allowance for credit losses have been recorded as of December 31, 2022.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan permits, but does not require the Employer to pay significant costs of Plan administration. At any time, the Employer may elect for the Plan to pay all administration costs. The Employer paid a portion of the Plan's expenses for the years ended December 31, 2022. Such expenses are not included in these financial statements. Fees paid to the custodian by the Plan for investment management services are included with net appreciation (depreciation) in the fair value of investments.

Subsequent Events

Subsequent events were evaluated for recognition or disclosure in these financial statements through October 13, 2023, the date in which financial statements were available to be issued.

3) Fair Value Measurements

The Governmental Accounting Standards Board (GASB) Statement No. 72, Fair Value Measurements and Applications, provides the framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Quoted prices in markets that are not considered to be active or financial instruments without quoted market prices, but for which all significant inputs are observable, either directly or indirectly.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Quechan Indian Tribe Employee Savings and Retirement Plan

Notes to Financial Statements December 31, 2022 and 2021

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Shares of registered investment companies (mutual funds) are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market: Valued at NAV and shares are primarily invested in direct obligations of the U.S. treasury, U.S. government agencies, repurchase agreements and money markets with maturities of 13 months or less which have observable pricing inputs, including quoted prices for similar assets in active or nonactive markets.

Pooled Separate Accounts: The net asset value (NAV) of pooled separate accounts (PSA) is based on unit values reported by the Plan custodian as determined by the investment manager based on the fair value of the underlying assets net of liabilities divided by the number of outstanding units of the trust on its valuation date. Management has determined that the investments using NAV as a practical expedient do not have published prices and; therefore, the investments are not assigned a level in the fair value hierarchy. The PSAs can be redeemed daily, and there are no redemption restrictions or notice requirements.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

2022	Investments at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,154,238	\$ -	\$ -	\$ 10,154,238
Money market	170,538	-	-	170,538
Total investments, at fair value	<u>\$ 10,324,776</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,324,776</u>

For the year ended December 31, 2021, the Plan had no investments valued at fair value based on the fair value hierarchy. The investments measured at NAV as of December 31, 2022 and 2021, was \$0 and \$11,712,630, respectively.

Quechan Indian Tribe Employee Savings and Retirement Plan

Notes to Financial Statements December 31, 2022 and 2021

4) Information Prepared and Certified by the Custodian (Unaudited)

The Plan administrator has elected the method of compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Trust Company, the custodian of the Plan as of December 31, 2022, and John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan as of December 31, 2021, have certified to the completeness and accuracy of the following:

- Investments, at fair value and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment (loss) income and interest income from notes receivable from participants reflected on the accompanying statements of changes in net assets available for benefits for the year ended December 31, 2022.
- Investments reflected on the supplemental schedule of assets held at end of year.

5) Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their entire account balance.

6) Tax Status

The Plan is operating under a prototype volume submitter document with an adoption agreement. The Internal Revenue Service (IRS) has determined and informed the Plan sponsor by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although, the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to

Quechan Indian Tribe Employee Savings and Retirement Plan

Notes to Financial Statements December 31, 2022 and 2021

routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's administrator believes it is generally no longer subject to income tax examinations for years prior to 2019.

7) Party-in-Interest and Related-Party Transactions

The Employer provides certain accounting and administrative services to the Plan for which no fees are charged. For the year ended December 31, 2022, fees paid by the Plan for administrative expenses, such as third party administrative fees, were \$75,104.

8) Delinquent Participant Contributions

As disclosed in the supplemental schedule of delinquent participant contributions, three pay partial periods of participant contributions were not remitted to the Plan within the time frame specified by the Department of Labor's Regulation 20 CFR 2510.3-102, thus constituting nonexempt transactions between the Employer and the Plan. As such, these transactions represented non-exempt transactions between the Employer and the Plan as identified in Schedule H, Line 4(a), Schedule of Delinquent Participant Contributions. All delinquent 2022 participant contributions were remitted to the Plan no later than December 31, 2022.
