American Jewish World Service 403(b) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of American Jewish World Service 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter - supplemental schedules required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the American Jewish World Service 403(b) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established for the benefit of the employees of the American Jewish World Service (the "Company" or "Plan Sponsor"). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (the "IRC"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Plan was formed on January 1, 2009. Participants and Plan Sponsor's contributions were permitted from January 1, 2010.

Plan Administration

The Plan Sponsor has been designated the Plan administrator. The Plan administrator is responsible for enrolling participants, forwarding plan contributions for each participant, and performing other duties required for operating the Plan. Plan investments are held in custody with Nationwide Trust Company, FSB, and Nationwide Life Insurance Company the custodians of the Plan's assets. The custodians have no discretion or authority with respect to the Plan's investments and will only select investments as directed by Gallagher Fiduciary Advisors, investment advisor. The recordkeeper of the Plan is Nationwide Financial Services, Inc. ("Nationwide").

Eligibility

All employees are immediately eligible to participate in the Plan with the exception of student employees, and employees who work less than 20 hours a week. Employees who make salary deferrals are eligible for the Company's safe harbor contribution. Employees must complete a minimum of six consecutive months of service, during which the employee must obtain at least 500 hours of service or have one full year of service (1,000 hours) to be eligible for the discretionary employer match and employer contribution.

Contributions

Participant-elective deferrals are made on a pre-tax or after-tax (Roth) basis in whole percentage increments from 1% to 100% of compensation or a fixed dollar amount per pay period, and up to a limit of \$20,500 in 2022. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other eligible retirement plans (rollovers).

The Plan Sponsor also contributes to the Plan, known as the safe harbor matching contribution, on behalf of those participants who have made salary-deferral contributions. The matching contribution will be an amount equal to the employee contribution up to a maximum of 4% of eligible employee compensation, up to the Internal Revenue Service (the "IRS") limit of \$305,000 in 2022. The Plan's provisions state that the Plan Sponsor may also make an additional discretionary contribution and discretionary company match contribution. There were no discretionary contributions in 2022.

Investment Options

Participants must direct their salary deferral contributions to selected investments as made available and determined by the Plan administrator. Participants may change their investment options at any time throughout the year via direct phone or Internet access to Nationwide Financial Services, Inc.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

Participant Accounts

Each participant's account is credited with the participant's contributions, employer's safe harbor matching contribution, discretionary contribution, if any, and plan earnings. Allocation of plan earnings is based upon the specific return of the individual investment that the participant has chosen.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant will automatically become 100% vested in their account balance and will receive a lump-sum distribution. For termination of service for other reasons, a participant will be entitled to receive the value of the vested interest in their account in a lump-sum distribution when requested by the participant. If the participant's vested account balance at termination of service is less than \$5,000, the Plan provides for automatic distribution. ERISA rules currently require that all funds held for former employees with vested balances of \$5,000 or less be rolled over into an individual retirement account while trying to locate the former participants. Participants may also request distributions in the case of financial hardship or may elect in-service withdrawals of their elective deferral account balances after reaching age 59½. Minimum required distributions for participants who have reached age 72 after January 1, 2020 also apply per IRS regulations.

Vesting

Participants are immediately vested in their voluntary contributions, safe harbor matching contributions and actual earnings thereon. Participants become 25% vested after two years of service, 60% vested after three years of service and 100% vested after four years of service in the employer's discretionary matching contribution and employer discretionary contribution made on their behalf.

Forfeitures

The Plan allows the use of forfeitures of non-vested account balances to first be used to pay Plan expenses and next to reduce employer contributions. During the year ended December 31, 2022 no forfeitures were used. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$533 and \$1, respectively.

Notes Receivable from Participants

Effective June 1, 2019, participants may make a written application to the Plan administrator to borrow from the Plan an amount ranging from \$1,000 to the lesser of \$50,000 or 50% of their vested balance. Participants may have a maximum of two outstanding loans at any one time. All loans shall be evidenced by a written note, shall bear a reasonable rate of interest prime interest rate plus 2% shall be secured by the participant's account, shall be amortized in level payments made at least quarterly over the term of the loan and shall be repaid by the participant over a five-year period. Loans used in connection with the purchase of a participant's principal residence may be repaid within a reasonable time commensurate with the repayment period permitted by commercial lenders for similar loans.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") as applied to employee benefit plans.

American Jewish World Service 403(b) Plan
NOTES TO FINANCIAL STATEMENTS - CONTINUED
December 31, 2022 and 2021

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and reported amounts of changes in net assets available for benefits during the reporting period, such as those relating to the fair value of certain investments. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

Purchases and sales of investments are accounted for on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefit payments to participants and beneficiaries are recorded upon distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees incurred are recorded as administrative expenses. There are no credit losses for the notes receivable as of December 31, 2022 and 2021. Delinquent participant loans that are deemed to be in default are reclassified as distributions based upon the terms of the Plan document.

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIANS

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Nationwide Trust Company, FSB and Nationwide Life Insurance Company have certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Investments, at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment loss and interest income from notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2022.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds (Registered Investment Companies) - These assets are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The Plan's mutual funds are considered to be Level 1 securities.

Fixed annuity contract - Fair values are based on unit values that are assigned daily based on the funds' guaranteed interest rates/periods. On day one of the guaranteed period, the crediting rate is reset to match market rate and the unit value is set to one. The unit value is the product of the crediting interest rate and will increase incrementally to reflect interest that is earned daily.

The valuation methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's policy is to recognize transfers in and transfers out at the end of the reporting period. There were no transfers of investments among any of the levels during 2022 or 2021.

*Updated to conform to December 31, 2022 presentation.

The following table presents the Plan's Level 3 investments, the valuation technique used to measure the fair value as of December 31, 2022 and 2021 and the unobservable inputs:

Investment	Fair Value		Valuation Technique	Unobservable Inputs
	2022	2021		
Fixed annuity contract	\$ 79,520	\$ 82,219	Discounted cash flow	Risk-adjusted

Purchases of Level 3 Investments were \$6,766 and \$9,490 for the years ended December 31, 2022 and 2021, respectively.

NOTE 5 - RELATED-PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments are invested, issued and/or managed by service providers to the Plan. These transactions qualify as party-in-interest transactions for which statutory exemption exists under the DOL's Rules and Regulations.

NOTE 6 - TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform to the sample language provided by the IRS in Revenue Procedure 2007-71. The Plan administrator intends to apply for a determination letter on the Plan once the IRS opens such a program. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for Plan participants under Section 403(b). The Plan administrator believes that the Plan is currently designed and operating, in all material respects, in accordance with the applicable requirements of Section 403(b) of the IRC and, therefore, believes that the Plan is qualified and the related accounts are tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

American Jewish World Service 403(b) Plan
NOTES TO FINANCIAL STATEMENTS - CONTINUED
December 31, 2022 and 2021

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan maintains investment securities that are exposed to various risks, such as interest rate risk, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

NOTE 9 - SUBSEQUENT EVENTS

The Plan administrator has evaluated subsequent events through September 27, 2023, the date the financial statements were available to be issued, and determined that there were no circumstances that warranted recognition or disclosure of those events or transactions in the financial statements as of December 31, 2022.
