INDEPENDENT AUDITOR'S REPORT

Coon Brothers, Inc. 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Coon Brothers, Inc. 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from the qualified institutions as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COON BROTHERS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended December 31, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN

The Coon Brothers, Inc. 401(k) Profit Sharing Plan (Plan), was established on July 1, 1989 to enable eligible employees to share in the growth and profitability of Coon Brothers, Inc. and its subsidiaries (collectively, the Company), and to provide them with an opportunity to accumulate capital for their future economic security. The following description of the Plan provides only general information. Participants should refer to the plan agreement for a complete description of its provisions.

In December 2018, the Company approved the merger of its subsidiary Lanai City Service, Inc. 401(k) Profit Sharing Plan (Lanai City Service Plan) with the Plan effective February 1, 2019. The assets of the Lanai City Service Plan were transferred to and became a part of the Plan on January 31, 2019. Effective July 1, 2021 the Plan was amended to include Captain's Galley, LLC, a subsidiary of the Company organized during the year ended December 31, 2021, as an eligible employer of the Plan. On April 1, 2022, the Company sold Lanai City Service, Inc. to a third-party and all participants in the Plan from Lanai City Services, Inc. were terminated or transferred to its subsidiaries on that date.

General

The Plan is a profit sharing and salary deferral plan covering all employees of the Company. There is no minimum service requirement; all employees become eligible for participation on the first day of the month following their date of hire. The Plan does not include employees covered by collective bargaining agreements, leased employees, nonresident aliens, and independent contractors. Participants are eligible for safe harbor employer matching and profit sharing contributions after completing one year, with a minimum of 1,000 hours of service. Effective January 1, 2020, participants were immediately eligible for safe harbor matching contributions upon entrance to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The plan documents were restated effective January 1, 2018.

Contributions

Participants may make salary deferral contributions to the Plan up to the lesser of their eligible compensation or \$20,500 and \$19,500 in 2022 and 2021, respectively, adjusted annually for the cost of living, plus an additional \$6,500 in 2022 and 2021 for employees age 50 and over. Participants may also make Roth 401(k) deferrals. Employees may make rollover and transfer contributions from other qualified plans. The Company matches 100% of each participant's elective deferral, up to 3% of compensation, and 50% of each participant's elective deferral over 3% of compensation, up to 5% of compensation. The Company may also make discretionary profit sharing and additional matching contributions to the Plan. During the years ended December 31, 2022 and 2021, the Company did not make any additional discretionary profit sharing and matching contributions. Total employee and employer contributions to each participant's account may not exceed the lesser of \$61,000 and \$58,000, or \$67,500 and \$64,500 if age 50 and over, in 2022 and 2021, respectively, or annual compensation, as defined.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's matching contributions; plus an allocation based on participant earnings or account balances, as defined, of the Company's discretionary profit sharing and additional matching contributions and the Plan's net earnings (losses); less an allocation of the Plan's administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are vested immediately in their salary deferral contributions, rollover contributions, matching contributions, and earnings thereon. Company discretionary profit sharing and additional matching contributions are 20% vested after two years of service and each year thereafter until they are 100% vested after six years of continuous service.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 and up to the lesser of \$50,000 or 50% of the vested portion of their account balance. The notes receivable and related interest must be repaid within five years unless the proceeds of the notes are used to acquire a principal residence. The notes are collateralized by the participants' account balance and bear interest at prevailing rates, which ranged from 4.25% to 6.50% at December 31, 2022 and 2021, and mature at various dates through May 2026. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

The vested amount in each participant's account is payable upon normal retirement, disability, death, or termination of employment. Participants may receive the entire value of their accounts, less the balance of any outstanding notes receivable, in a lump sum. Account balances of \$200 or less at termination are automatically disbursed to the participant. Balances between \$200 and \$5,000 are automatically rolled over to an individual retirement account unless elected otherwise.

Withdrawals

Active participants may withdraw all or a portion of their vested account balances as in-service distributions after attaining age 59-1/2, or as hardship withdrawals, by submitting a written application that is approved by the plan administrator. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Participants are eligible to make hardship withdrawals, for a minimum of \$500, from the vested portion of their accounts to satisfy a financial hardship, as defined, subject to the approval of the plan administrator. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS).

NOTE A – DESCRIPTION OF PLAN (Continued)

Forfeitures

Termination of employment for reasons other than retirement, disability, or death results in a forfeiture of the nonvested portion of the participant's account balance. Forfeitures may be used to pay for plan expenses and/or reduce future employer contributions. Forfeited nonvested accounts amounted to \$1,049 and \$534 at December 31, 2022 and 2021, respectively. During the years ended December 31, 2022 and 2021, nonvested accounts credited to forfeitures amounted to \$504 and \$0, respectively. Forfeited nonvested accounts applied to pay plan expenses amounted to \$0 for the years ended December 31, 2022 and 2021, respectively. Investment income earned by forfeited nonvested accounts amounted to \$11 and \$5 during the years ended December 31, 2022 and 2021, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates, it is reasonably possible that such estimates may change in the near term, and such differences could be material to the financial statements.

Investment Valuation and Income Recognition

Investments are stated at fair value, except that fully benefit-responsive unallocated group annuity contracts are stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Future changes in market prices may make such investments less valuable. The 401(k) Plan Committee determines the Plan's valuation policies utilizing information provided by investment advisors and custodians. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Income from dividends and interest is recognized when earned. Net appreciation (depreciation) in the fair value of registered investment companies, self-directed accounts, and common collective trusts includes the Plan's gain and losses on those investments bought and sold as well as held during the year.

COON BROTHERS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2022 and 2021

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions Receivable

Contributions receivable are recognized for amounts due from the employer and participants remitted to the custodian after year-end.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Expenses are recognized when the related liability is incurred. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of the fair value of investments.

NOTE C – CERTIFICATIONS FROM QUALIFIED INSTITUTIONS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments in registered investment companies, self-directed accounts, life insurance contracts, common collective trusts, and notes receivable from participants held at December 31, 2022 and 2021; and the net appreciation (depreciation) in the fair value of investments, dividends, and interest for the years ended December 31, 2022 and 2021, were derived from information supplied to the plan administrator and certified as complete and accurate by the qualified institutions. Empower Annuity Insurance Company of America and Empower Trust Company, LLC were the qualified institutions for the certified information as of and for the year ended December 31, 2022. Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC were the qualified institutions for the certified information as of and for the year ended December 31, 2021.

COON BROTHERS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2022 and 2021

NOTE D – FAIR VALUE MEASUREMENTS

The established framework for measuring fair value provides a hierarchy that prioritizes the inputs to the valuation methodologies used to measure fair value. There are three levels of the fair value hierarchy. Level 1 inputs to the valuation methodologies consist of unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. Level 3 inputs are unobservable and significant to the fair value measurement. The fair value measurement level of an asset or liability within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation methodologies used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan values securities in registered investment companies and investments in self-directed accounts consisting of equity securities and mutual funds at quoted prices, and interest-bearing cash in self-directed accounts at stated value (Level 1 inputs). The life insurance contracts are valued at the cash surrender value of the life insurance policies as reported by the insurer (Level 3 input). There were no investments valued using Level 2 inputs. The value of the common collective trusts is based on the net asset value of unit shares held by the Plan at year-end. The net asset value, as provided by the qualified institution, is used as a practical expedient, which is based on the underlying assets of the common collective trust, and is not categorized in the fair value hierarchy.

The valuation methods described above may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$4,853,006	\$ -	\$ -	\$4,853,006
Self-directed brokerage accounts	1,316,639	-	-	1,316,639

The common collective trusts are valued at net asset value as a practical expedient at the close of business on the valuation date, based on the value of the underlying investments less related liabilities. The common collective trusts have no significant unfunded commitments, redemption restrictions, or redemption notice periods and are redeemable daily. The common collective trusts seek to provide capital appreciation and current income consistent with their current asset allocations. The common collective trusts invest primarily in equity securities and cash.

NOTE F – UNALLOCATED GROUP ANNUITY CONTRACT

The Key Guaranteed Portfolio Fund is an unallocated group annuity contract. All contributions and transfers to the Key Guaranteed Portfolio Fund earn interest at the crediting rate in effect at the time such contribution or transfer was made. The crediting rate is determined quarterly. The average rate of interest credited was approximately 0.93% and 0.90% for the years ended December 31, 2022 and 2021, respectively. The unallocated group annuity contract is backed by the general account assets of Empower Annuity Insurance Company of America. Due to the nature of the contract, the contract does not have specific underlying assets assigned. Therefore, the value of the unallocated group annuity contract reported to plan sponsors is the contract value, which represents the amount participants would receive if they were to initiate a transaction under the terms of the ongoing contract.

The Plan's ability to receive amounts due in accordance with fully-benefit responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations could be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the contract issuer. Such events include amendments to the plan documents including complete or partial plan termination or merger with another plan, bankruptcy of the plan sponsor or other plan sponsor events such as divestiture of a subsidiary that cause a significant withdrawal from the Plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of material obligation under the contract, a material misrepresentation, and a material amendment to the agreement without the consent of the issuer.

NOTE G – ADMINISTRATION OF PLAN ASSETS

The Plan's assets are held in trust funds by Empower Trust Company, LLC and TD Ameritrade in 2022 and Great-West Trust Company, LLC and TD Ameritrade in 2021. Recordkeeping services are performed by Empower Trust Company, LLC and Great-West Trust Company, LLC in 2022 and 2021, respectively. TD Ameritrade is the custodian of the self-directed brokerage accounts. Certain administrative functions are performed by officers or employees of the Company who receive no compensation from the Plan. Third-party administrator expenses are paid by the Company. Trustee, custodian, and recordkeeping fees are paid by either the Plan or the Company, as provided in the plan document.

NOTE I – TAX STATUS

In a letter dated August 5, 2015, the IRS issued a “favorable determination” to the Plan for its amended plan document effective December 18, 2014 and related Trust because the Plan met the qualification requirements established by Section 401(a) of the Internal Revenue Code. The Plan has been amended and restated since the determination letter. However, the plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the plan administrator believes that the Plan is qualified and the related trust is tax exempt.

NOTE I – TAX STATUS (Continued)

U.S. GAAP requires uncertain tax positions to be recognized in the financial statements if they are more likely than not to fail upon regulatory examination. The plan administrator evaluated the Plan's tax positions as of December 31, 2022 and 2021 and for the years then ended and determined that the Plan had no uncertain tax positions required to be reported in accordance U.S. GAAP. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any open tax periods.

NOTE J – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds, the custodian for which is Empower Trust Company, LLC and Great-West Trust Company, LLC in 2022 and 2021, respectively; certain plan investments include an unallocated group annuity contract, the custodian for which is Empower Annuity Insurance Company of America and Great-West Life & Annuity Insurance Company in 2022 and 2021, respectively; certain plan investments are shares of stocks and mutual funds, the custodian for which is TD Ameritrade; and certain plan investments are the cash surrender values of life insurance policies, the custodian for which is Northwestern Mutual; and therefore, these transactions qualify as party-in-interest transactions.

NOTE K – RISK AND UNCERTAINTIES

The participants of the Plan invest in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan and the Company operate in the State of Hawaii. Local, national, and international events can have severe, adverse effects on economic conditions in Hawaii. These financial statements do not include the adjustments that would result if the Plan were to account for future losses or asset impairments, as the effects on the financial statements of the Plan from such changes in economic conditions are not presently determinable.

NOTE L – TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants become 100% vested in their profit sharing and additional matching contributions.
