INDEPENDENT AUDITOR'S REPORT

October 12, 2023

To the Audit and Compliance Committee
Henry Ford Health System

Opinion

We have audited the financial statements of the Henry Ford Health System Ambassador 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, as well as the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

The Plan's management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Responsibilities of Management for the Financial Statements (continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

The Plan's management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. *Reasonable assurance* is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS:

- We exercise professional judgment and maintain professional skepticism throughout the audit.

- We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and we design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- We evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, and we evaluate the overall presentation of the financial statements.

- We conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for the purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A — DESCRIPTION OF THE PLAN

General

The following brief description of the Henry Ford Health System Ambassador 403(b) Plan (the "Plan") is provided for general informational purposes only. Participants should refer to the Plan document for a complete description of the Plan's provisions.

The Plan was adopted on January 1, 1999, and was amended and restated, effective January 1, 2022. The Plan is a tax-sheltered annuity pension plan established for the employees of Henry Ford Health System ("HFHS") and certain affiliates under section 403(b) of the Internal Revenue Code (the "Code"). All employees become eligible to participate in the Plan on the first payroll date following their date of hire and become eligible for employer matching contributions following 12 months of employment.

All new HFHS employees hired after December 31, 2017, except for employees eligible for the Health Alliance Plan 401(k) Plan or the P-COR, L.L.C. Retirement Plan (which are separate defined contribution pension plans sponsored by affiliates of HFHS), become participants of the Plan, provided that they are not eligible to participate in the Henry Ford Health System Retirement Savings Plan (which is a separate defined contribution pension plan sponsored by HFHS).

Asset Transfers

The ability of certain participants of the Henry Ford Health System Heritage 403(b) Plan (the "Heritage 403(b) Plan"), a separate defined contribution pension plan sponsored by HFHS, to direct deferrals of their compensation to the Heritage 403(b) Plan ends once these participants become eligible for the Plan. At that time, these participants' balances are transferred from the Heritage 403(b) Plan to the Plan. The amounts of net assets transferred during the years ended December 31, 2022 and 2021 were $2,746,064 and $64,434, respectively.

Contributions

The Plan allows participants to elect to defer a portion of their compensation up to the maximum amount currently allowed by law, plus any make-up contributions as allowed for by the Internal Revenue Service (the "IRS") and the Plan document. The amount of the participant's deferred compensation is treated as a participant elective contribution and allocated to that participant's elective account.

NOTE A — DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (continued)

HFHS makes qualified automatic contributions equal to 100 percent of a participant's elective deferrals, not to exceed one percent of compensation, plus 50 percent of a participant's elective deferrals in excess of one percent of compensation, up to six percent of compensation. HFHS also makes supplemental contributions to certain qualified employees based on a percentage of their compensation, age as of December 31 of the prior Plan year, and vesting service. Supplemental contributions are made according to the following schedule:

Age as of the Previous December 31	Years of Vesting Service					
	4 or Less	5 to 9	10 to 14	15 to 19	20 to 24	25 or More
Under 30	1.25 %	1.50 %	1.50 %	N/A	N/A	N/A
30 to 39	1.50	1.50	1.75	1.75 %	2.25 %	2.25 %
40 to 49	1.50	1.75	1.75	2.25	2.25	2.75
50 to 59	1.75	1.75	2.25	2.25	2.75	2.75
60 or over	1.75	2.25	2.25	2.75	2.75	2.75

Benefits

Each participant's account is credited with the participant's contributions and the investment funds' earnings or losses, net of plan expenses. The distribution to which a participant is entitled is limited to the benefit that can be provided from the participant's vested account. Distributions are allowed at age 59½ or upon retirement, disability, death, or termination of service.

Vesting

Participants are immediately vested in their contributions and the earnings thereon. Qualified automatic contributions, supplemental contributions, and transitional credit contributions become fully vested after two years of vesting service, pursuant to the terms of the Plan document.

Forfeitures

Forfeitures may be used to reduce employer contributions. HFHS employer contributions were reduced by $5,438,493 and $1,837,906 from forfeited nonvested accounts during the years ended December 31, 2022 and 2021, respectively. The balance available as of December 31, 2022 and 2021 was $1,373,082 and $702,019, respectively.

NOTE A — DESCRIPTION OF THE PLAN (CONTINUED)

Investment Options

Upon enrollment in the Plan, participants may direct contributions in any of several investment options.

Notes Receivable from Participants

Participants may borrow from their fund accounts their full vested balances. No more than two loans per participant may be outstanding at one time, and loans must be a minimum of $1,000.

Plan Administration

Empower Trust Company, LLC (formerly known as "Great-West Trust Company, LLC") serves as the trustee for the Plan. Empower Retirement serves as the Plan's recordkeeper.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Investments

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price).

The Plan's investments in shares of registered investment companies and the underlying investments in self-directed brokerage accounts are valued at quoted market prices, which represent the net asset value of shares held by the Plan as of the end of the year.

Purchases and sales of securities are recorded on a trade-date basis. Gains and losses on sales of securities are based on average costs. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation include gains and losses on investments bought and sold, as well as held, during the year.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are recorded at cost plus accrued interest. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant note receivable balance is reduced and a benefit payment is recorded. A valuation allowance for credit losses is not considered necessary as of December 31, 2022 or 2021.

Fair Value Measurements

The Plan uses fair value measurements in the preparation of its financial statements, which utilize various inputs, including those that can be readily observable, corroborated, or are generally unobservable. The Plan utilizes market-based data and valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Additionally, the Plan applies assumptions that market participants would use in pricing an asset or liability, including assumptions about risk.

The measurement of fair value includes a hierarchy based on the quality of inputs used to measure fair value. Financial assets and liabilities are categorized into this three-level fair value hierarchy based on the inputs to the valuation technique. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets and liabilities and the lowest priority to unobservable inputs.

The various levels of the fair value hierarchy are described as follows:

- Level 1 — Financial assets and liabilities whose values are based on unadjusted quoted market prices for identical assets and liabilities in an active market that the Plan has the ability to access

- Level 2 — Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable for substantially the full term of the asset or liability

- Level 3 — Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (continued)

The use of observable market data, when available, is required in making fair value measurements. When inputs used to measure fair value fall within different levels of the hierarchy, the level within which the fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurement.

Payment of Distributions

Plan distributions to participants are recorded when paid.

Administrative Expenses

Reasonable and necessary expenses related to the administration of the Plan are payable out of Plan assets, as determined by HFHS.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, as well as disclosure of contingent assets and liabilities, at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various securities, including registered investment companies. Investment securities in general are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Subsequent Events

The Plan's management has evaluated subsequent events through October 12, 2023, the date that the accompanying financial statements were available to be issued.

NOTE C — INVESTMENTS AND FAIR VALUE

The Plan's fair value hierarchy for those assets that are measured at fair value on a recurring basis as of December 31, 2022 and 2021 is summarized as follows:

	Fair Value Measurements			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total

Self-directed brokerage accounts	3,702,899			3,702,899
	$ 410,953,571	**$ -0-**	**$ -0-**	**$ 410,953,571**

NOTE D — PLAN TERMINATION

Although it has expressed no intention to do so, HFHS has the right to terminate the Plan, subject to the requirements of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). In the event the Plan is terminated, the net assets available to provide benefits would be distributed to the participants in proportion to their respective account balances after payment of expenses properly charged against the Plan.

NOTE E — INCOME TAX STATUS

The Plan has not applied for a determination letter from the IRS that would state that the Plan's design was in compliance with the applicable requirements of the Code because the IRS does not currently issue determination letters for retirement plans established under section 403(b) of the Code. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. In addition, the Plan administrator is not aware of any uncertain tax positions or unrecognized tax benefits as of December 31, 2022 or 2021. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE F — PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of a brokerage account managed by a party related to the Plan's trustee. Therefore, transactions involving these investments qualify as party-in-interest transactions.
