INDEPENDENT AUDITOR'S REPORT

Board of Directors
Neighborhood House, Inc. 403(b) Retirement Plan
Seattle, Washington

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed an audit of the financial statements of Neighborhood House, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Neighborhood House, Inc. 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Neighborhood House, Inc. 403(b) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Neighborhood House, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Neighborhood House, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NEIGHBORHOOD HOUSE, INC. 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

NOTE A – DESCRIPTION OF PLAN

The following description of Neighborhood House, Inc. 403(b) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all eligible employees of Neighborhood House, Inc., the Plan Sponsor. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute pretax annual compensation, up to the maximum amount allowed by law, as defined in the Plan.

The Plan provides for an employer match of 50% of a participant's deferrals up to 4% of the participant's gross pay and an employer discretionary contribution of 2% of the participant's compensation following an initial three-month waiting period after a new employee's date of hire.

Participant accounts

Individual self-directed accounts are established for each plan participant. The accounts are credited with the employee elective deferrals, rollovers from other qualified plans or trusts, employer discretionary and matching contributions, and any earnings or losses thereon. The accounts are charged with an allocation of custodial and fund expenses. Participants may invest in the full range of investment options provided by T. Rowe Price Investment Services, Inc.

The majority of the Plan accounts are held at T. Rowe Price Investment Services, Inc., the current plan custodian since February 1999. T. Rowe Price offers no-load stock, bond, money market, and blended asset funds, which provide an array of growth, income or stability investment alternatives. In addition, a small number of participants remain with Mutual of America, an earlier custodial account established in July 1986. In 1999, most accounts were transferred to T. Rowe Price and no additional contributions have been made to Mutual of America funds.

Participants may prospectively change their investment allocations at any time, subject to any limitations that may be set by T. Rowe Price Investment Services, Inc.

Vesting

Participants are fully and immediately vested in all amounts contributed to the Plan when the contributions are made. These amounts are nonforfeitable.

Payment of benefits

Benefits under the Plan are distributed upon termination of service, retirement, death, or disability.

NEIGHBORHOOD HOUSE, INC. 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

NOTE A – DESCRIPTION OF PLAN (Continued)

Upon termination of service, the participant may elect to receive his or her account balance in a single cash payment, receive installment payments over a period of years, rollover his or her balance to another qualified plan, or continue to participate in the Plan, if eligible. Participants may at any time request distribution of all or any portion of the participant's account attributable to a rollover from another plan.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan have been prepared on an accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America as applied to defined contribution plans, and in accordance with the Plan agreement.

Valuation of investments and income recognition

The Plan's investments are carried at fair value to recognize currently any unrealized gains or losses. Unrealized gains and losses are recorded in each participant's individual account. Purchases and sales of securities are reflected on a confirmation date basis. Dividend income, interest income, and realized gains and losses from investments are recorded as earned, on an accrual basis, in each participant's individual account.

Fair value measurements

In accordance with financial accounting standards, a three-tiered hierarchy of input levels is used for measuring fair value. Financial accounting standards define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Valuation techniques utilized to determine fair value are consistently applied. The three tiers of inputs used for fair value measurements are as follows:

Level 1: Fair values are based on quoted prices in active markets for identical assets and liabilities.

Level 2: Fair values are based on observable inputs that include: quoted market prices for similar assets or liabilities; quoted market prices that are not in an active market; or other inputs that are observable in the market and can be corroborated by observable market data for substantially the full term of the assets.

Level 3: Fair values are calculated by the use of pricing models and/or discounted cash flow methodologies, and may require significant management judgment or estimation. These methodologies may result in a significant portion of the fair value being derived from unobservable data.

Benefits paid to participants

Benefits paid to participants are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

NOTE B - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires that the plan administrator make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE C - ERISA 103(a)(3)(c) AUDIT

The audit for the year ended December 31, 2022 was an ERISA 103(a)(3)(c) audit. The certifications of the Plan custodians, T. Rowe Price and Mutual of America, apply to the investment assets, transactions, and income, as well as to the schedule of assets relating to accounts held by the respective custodians.

NOTE D - FAIR VALUE MEASUREMENTS

Assets carried at fair value on a recurring basis (at least annually) are as follows:

	Quoted Prices in Active Markets <u>Level 1</u>	Other Observable Inputs <u>Level 2</u>	Unobservable Inputs <u>Level 3</u>	<u>Total</u>
As of December 31, 2022				
Mutual funds	\$ 9,414,064	\$ -	\$ -	\$ 9,414,064
Interest accumulation account	-	-	297	297
	<u>\$ 9,414,064</u>	<u>\$ -</u>	<u>\$ 297</u>	<u>\$ 9,414,361</u>
As of December 31, 2021				
Mutual funds	\$ 11,849,692	\$ -	\$ -	\$ 11,849,692
Interest accumulation account	-	-	1,338	1,338
	<u>\$ 11,849,692</u>	<u>\$ -</u>	<u>\$ 1,338</u>	<u>\$ 11,851,030</u>

Funds held in the insurance company general account are invested in the Mutual of America Interest Accumulation Account and are reported at contract value by Mutual of America. The contract value of the Mutual of America Interest Accumulation Account equals the accumulated cash contributions and interest credited to the plan's contracts, less any withdrawals.

Mutual of America Interest Accumulation Account activity is as follows for the year ended December 31, 2022:

Fair Value - Beginning of Year	\$ 1,338
Investment Return (net of fees)	(1,041)
Distributions	-
Fair Value - End of Year	<u>\$ 297</u>

NEIGHBORHOOD HOUSE, INC. 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, Neighborhood House, Inc. has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE F - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE G - TAX STATUS

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service.

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

NOTE H - PARTY-IN-INTEREST TRANSACTIONS

Plan investments include shares of registered investment companies managed by T. Rowe Price and Mutual of America and funds held in the Mutual of America Insurance Company general account. These organizations are the custodians of the Plan and, therefore, transactions with these entities qualify as exempt party-in-interest transactions. Fees paid by the Plan for account services were \$177 for the year ended December 31, 2022.

NOTE I - PLAN AMENDMENTS

During 2021, the Plan was amended to permit participants to take hardship withdrawals from their accounts, subject to IRS and DOL regulations and amended Plan provisions.

The plan administrator believes the Plan meets the qualification requirements under Section 401(a) and is tax exempt under provisions of the Internal Revenue Code (the Code). Although the Plan has been amended, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.
