## **Independent Auditors' Report**

**The Plan Administrator of  
Grimshaw Architects  
401(k) Retirement Plan**

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of the Grimshaw Architects 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) Retirement Plan**

Notes to Financial Statements  
December 31, 2022

**1. Description of Plan**

The following description of the Grimshaw Architects 401(k) Retirement Plan (the "Plan") provides general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

***General***

The Plan is a defined contribution plan covering certain eligible employees of Grimshaw Services (USA) Inc., Grimshaw Architects PC and Grimshaw, Inc. (the "Employer") that are at least twenty-one years of age and have been credited with at least two months of service. Excluded employees include employees whose employment is governed by a collective bargaining agreement in which retirement benefits were the subject of good faith bargaining or employees who are non-resident aliens who do not receive earned income from the Company which constitutes income from sources within the United States of America. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

***Contributions***

Each year, participants may contribute up to 100% of their annual compensation not to exceed the annual Internal Revenue Code ("IRC") dollar limit on a pre or after tax (Roth) basis, as defined in the Plan. Additionally, eligible employees making elective deferrals that have reached the age of 50 before the close of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Participants who have completed at least one year of service and are age twenty-one or older are eligible to receive an Employer safe harbor contribution in an amount equal to up to 3% of their eligible compensation. For the 2022 plan year, Employer safe harbor contributions amounted to \$124,226. Participants who have completed at least one year of service and are age twenty-one or older may receive an Employer non-safe harbor contribution, subject to the Employer's discretion. The Employer non-safe harbor contribution is determined using the grouping method whereby an employee will be assigned to a group which will share in the contribution that the Employer makes to that group. For the 2022 Plan year, Employer non-safe harbor contributions made to the Plan amounted to \$147,460.

***Participant Accounts***

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's contribution, and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. All investments are participant directed. Participants are entitled to the benefit that can be provided from the participant's vested account.

401(k) Retirement Plan**

Notes to Financial Statements

**1. Description of Plan (*continued*)**

***Vesting***

A participant is 100% vested in their account at all times.

***Payment of Benefits***

Upon termination of service due to death, disability, retirement or other reason, a participant is entitled to receive a distribution in the amount equal to the value of the participant's vested interest in his or her account. Benefits can also be distributed in the event of a participant's immediate and heavy financial need. Such distributions, which are considered withdrawals, are subject to restrictions as to use of the proceeds. In-service distributions are available to participant who have reached age 59 ½.

***Notes Receivable from Participants***

Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a rate equal to prime rate plus 1%. Loans must be repaid within a period not to exceed 5 years from the date the participant receives the loan, unless the loan is for the purchase of the participant's principal residence. A participant may not have more than two loans outstanding at any time. Repayment of principal and interest is made by payroll deductions.

**2. Summary of Significant Accounting Policies**

***Basis of Accounting and Use of Estimates***

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Fair Value Measurements***

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. At December 31, 2022 and 2021, all of the Plan's investments, that were valued at fair value, were valued using level 1 inputs.

**2. Summary of Significant Accounting Policies (*continued*)**

***Investment Valuation and Income Recognition***

All of the Plan's investments are stated at fair value except for the guaranteed investment contract, which is stated at contract value. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. These mutual funds are deemed to be actively traded. The guaranteed investment contract is reported at contract value, which represents the beginning balance plus any contributions and credited interest, less any withdrawal, charges or expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases making loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

***Payment of Benefits***

Benefits are recorded when paid.

***Expenses***

Certain expenses of administering the Plan are paid by the Employer and are excluded from these financial statements. Investment related expenses are included in net appreciation in value of investments on the statement of changes in net assets available for benefits.

***Subsequent Events***

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date the financial statements were available to be issued, which date is October 11, 2023.

Notes to Financial Statements  
December 31, 2022

**3. Information Certified (Unaudited)**

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and held at December 31, 2022 and 2021, and net depreciation in value of investments, and interest and dividends, for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Nationwide Trust Company, FSB and Nationwide Life Insurance Company, qualified institutions.

**4. Guaranteed Investment Contract**

The Nationwide Indexed Fixed Contract (the “Fund”) is a guaranteed return indexed fixed annuity contract with a quarterly interest rate that is indexed to the five or three-year treasury note yield. The interest earned can change quarterly if the yield on the five or three-year treasury note index changes. The assets of the Fund are part of the general assets of Nationwide Life Insurance Company. The Fund’s interest rate can be changed quarterly. Transfer restrictions may apply in certain instances. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

The Fund is fully benefit-responsive and, therefore, is recorded at contract value on the statements of net assets available for benefits at December 31, 2022 and 2021.

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The credit risk of the issuer, Nationwide Life Insurance Company, was evaluated by nationally recognized statistical rating agencies. Nationwide’s financial ratings from these agencies are as follows: Moody’s Investors Service (A1 as of May 2020), A.M. Best (A+ as of December 2022), and Standard and Poor’s (A+ as of May 2023).

**5. Tax Status**

On June 30, 2020, the Internal Revenue Service (“IRS”) issued an opinion letter to the prototype document preparer indicating that the Plan, as then designed, qualifies under Section 401(a) of the IRC. Although the Plan has been amended, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

**Grimshaw Architects  
401(k) Retirement Plan**

Notes to Financial Statements  
December 31, 2022

**6. Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would remain 100% vested in their account.

**7. Party-in-Interest Transactions**

Certain Plan investments are managed by Nationwide Life Insurance Company or an affiliate of Nationwide Life Insurance Company, a custodian of the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

**8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
