INDEPENDENT AUDITOR'S REPORT

Board of Directors
Current Home 401(k) Plan
Hemet, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed an audit of the accompanying financial statements of Current Home 401 (k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Current Home 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR. 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(c), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibility under those standards is further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Current Home 401(k) Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Current Home 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Current Home 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are other conditions or events, considered in the aggregate, that raise substantial doubt about Current Home 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether there are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line4i—Schedule of Assets Held at End of Year as of December 31, 2022 is presented for purposes of additional analysis is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare financial statements. The information included in the supplemental schedules, other than agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

Supplemental Schedules Required by ERISA (Continued)

In forming my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined the requirements of ERISA Section 103(a)(3)(c).

CURRENT HOME 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Current Home 401(k) Plan (The Plan) provides only general information. Financial statement users should refer to The Plan agreement for a more complete description of The Plan's provisions.

A. General

The Plan was established on January 1, 2022 as a non-standardized defined contribution plan covering eligible employees of Current Home (The Plan Sponsor). An Eligible Employee will be eligible to participate in the Plan for all contribution types upon satisfaction of the following, 1 month of service. An Eligible Employee who has satisfied the eligibility requirements will become a Participant in the Plan for all contribution types as of the first day of the month coinciding with or next following date requirements met. Instead of Hours of Service, elapsed time will be used for: eligibility to participate and vesting. Instead of the defaults, the following alternatives will apply for the Hours of Service method. Instead of shifting to the Plan Year, the eligibility computation period after the initial eligibility computation period will be based on each anniversary of the date the Employee first completes an Hour of Service and Instead of the Plan Year, the vesting computation period will be the date an Employee first performs an Hour of Service and each anniversary thereof. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions

Employer matching contribution as follows a Flexible Discretionary Match. A "Flexible Discretionary Match" means a Matching Contribution which the Employer in its sole discretion elects to make to the Plan. Except as specified below, the Employer retains discretion over the formula or formulas for allocating the Flexible Discretionary Match, including the Discretionary Matching Contribution rate or amount, the limit(s) on Elective Deferrals or Employee Contributions subject to match, the per Participant match allocation limit(s), the Participants or categories of Participants who will receive the allocation, and the time period applicable to any matching formula(s) (collectively, the "Flexible Discretionary Matching Formula"), except as the Employer otherwise elects in its Adoption Agreement. For the year ended December 31, 2022, no matching contributions were made.

Discretionary contribution, to be determined by the Employer. No profit-sharing contributions were made for the year ended December 31, 2022.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

C. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) The Plan Sponsor's contributions and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations of The Plan Sponsor contributions are proportionate to each participant's contributions as determined at each payroll date. Investment earnings and losses and administrative expenses are allocated daily based upon each participant's average balance. The benefit to which a participant is entitled is the benefits that can be provided from the participant's vested account.

D. Vesting

The vesting provisions selected below apply to all Participants unless otherwise selected below. In addition, option l. under Section B of Appendix A to the Adoption Agreement (Special Effective Dates and Other Permitted Elections) can be used to specify any exceptions to the provisions below. 100% vesting. Participants are 100% Vested in Employer Nonelective Contributions upon entering Plan (required if eligibility requirement is greater than 1 Year (or Period) of Service). The schedule above will also apply to Employer matching contributions. Regardless of the vesting schedule, a Participant will become fully Vested upon death and, total and permanent disability.

E. Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the vested balance in the participant's account and bear interest at the prime rate as published by the Federal Reserve as of the last day of the month preceding the loan plus 1-3%. Loans are required to be repaid within five years.

F. Payment of Benefits

A participant whose employment terminates through normal cause may elect to commence distribution of his benefits within a reasonable time period after the established plan distribution date or delay the commitment of benefits to a further determined date. Furthermore, unless the participant elects otherwise, his vested and non-forfeitable account balance will be disbursed as soon as administratively feasible. The Plan distributed $0 in benefits to terminated participants for the year ended December 31, 2022.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

G. Distributions

Distributions under the Plan may be made in lump-sums, substantially equal installments and partial withdrawals, provided the minimum withdrawal is $500. Regardless of the above, a Participant is not required to request a withdrawal of his or her total Account for an in-service distribution, a hardship distribution, or a distribution from the Participant's Rollover Account. Annuities are not allowed or are not the normal form of distribution (except as indicated below). Plan Section 6.13(b) will apply and the joint and survivor rules of Code §§401(a)(11) and 417 will not apply to the Plan. Distributions may be made in cash only. Accounts less than or in excess of $5,000, distributions may be made as soon as administratively feasible following severance of employment. The Plan provides that distributions of amounts of $5,000 or less do not require spousal consent and are only paid as lump-sums. Hardship distributions are permitted from all Participant Accounts.

H. Forfeited Accounts

Except as provided in Plan Section 1.37, a Forfeiture will occur: As of the earlier of (1) the last day of the Plan Year in which the former Participant incurs five (5) consecutive 1-Year Breaks in Service, or (2) the distribution of the entire Vested portion of the Participant's Account. The Plan had no forfeitures for the year ended December 31, 2022.

Forfeited accounts are considered the portion of a participant's account that is not vested on the last day of The Plan year. Each year on the anniversary date of The Plan, a distribution of the entire vested portion of the participant's account is reallocated to supplement the non-elective contribution payable to The Plan. The Plan had no forfeitures for the year ended December 31, 2022.

I. Administrative Expenses

The following are optional administrative provisions. The Administrator may implement procedures that override any elections in this Section without a formal Plan amendment. In addition, modifications to this Appendix B will not affect an Employer's reliance on an IRS opinion letter or determination letter. Plan expenses.

The Plan may assess against an individual Participant's Account certain Plan expenses that are incurred by, or are attributable to, a particular Participant based on use of a particular Plan service. Forfeitures may first be used to pay any administrative expenses not withstanding any election below. Forfeitures of amounts attributable to Employer contributions will, consistent with Plan Section 4.3(e), be used to reduce any Employer contribution on a per payroll period basis.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Administrative expenses consist of maintenance charges paid to Reliance Trust Company. These charges are calculated as a percentage of the closing daily market value of investments held by The Plan. These costs are allocated on a per capita basis and charged equally to each participant's account.

A third-party administrator is engaged by The Plan to assist with compliance to Department of Labor, Internal Revenue Service and ERISA regulations. The cost of engaging the third-party administrator is absorbed by The Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The preparation of financial statements is in conformity with United States generally accepted accounting principles requires The Plan administrator also makes estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

B. Basis of Presentation

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for further discussion of fair value measurements. Investments in common collective trusts funds include the Guaranteed Interest Account Fund. The Guaranteed Interest Account Fund invests in fully benefit-responsive investment contracts including primarily guaranteed and synthetic investment contracts issued by banks, insurance companies and other issuers. The Guaranteed Interest Account Fund is recorded at fair value (see Note 4).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Basis of Presentation (Continued)

However, since these contracts are fully benefit-responsive, an adjustment is made to reflect this investment at contract value, which represents cost plus accrued income less redemptions. The fair value of the guaranteed investment contracts is generally determined by discounting the schedule future payments required under the contract. The fair value of wrap contracts reflects the discounted present value of the difference between the current wrap contract cost and its replacement cost, based on issuer quotes.

For assets other than investment contracts, including securities underlying synthetic investment contracts, fair value generally is reflected by market value at close of business on the valuation date. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by The Plan at year-end.

Short term investments are valued at cost, which approximates fair value. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

C. Use of Estimates in Preparing Financial Statements

The Plan uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amount of assets and liabilities and the reported amounts of revenues and expenses. Actual results could vary from the estimates that were used.

D. Advertising, Marketing, and Fundraising Expenses

The Plan accounts for advertising, fundraising and marketing costs as expenses in the period in which they are incurred.

NOTE 3 - CASH AND CASH EQUIVALENTS

Cash balances held in banks and credit unions and in revolving funds are insured up to $250,000 per account by federal agencies. The Plan had no uninsured cash amounts for the year ended December 31, 2022. The Plan had no cash equivalents for the year ended December 31, 2022.

NOTE 4 - INVESTMENTS AND FAIR VALUE MEASUREMENTS

A. Investments

The Plan provides investment options through an allocated retirement account group annuity contract (ARA contract) Reliance Trust Company. The ARA contract offers guaranteed accounts and separate accounts. Guaranteed interest investment options are defined as the 3-year, 5-year, and 10-year Guaranteed Accounts that earn guaranteed interest at specific rates. Contributions to these accounts are invested in the general funds of and are guaranteed Reliance Trust Company. Pooled separate accounts are defined as funds sub-advised by the third parties, or which invest in funds managed by external mutual fund companies. Such pooled separate accounts are established in accordance with state laws and are maintained separately from the general assets of Reliance Trust Company.

B. Fair Value Measurements

Accounting Standards Codification (ASC) 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities **(Level 1 measurements)** and lowest priority to measurements involving significant unobservable inputs **(Level 3 measurements)**.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of their investments. When available, the organization measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or 2 inputs are not available.

The following table sets forth by level, within the fair value hierarchy, The Plan's assets at fair value as of December 31, 2022.

	Assets at Fair Value as of December 31, 2022			
	Level 1	**Level 2**	**Level 3**	**Total**
Fixed Income Assets:				
(Insurance Company General Account)	$ 2,027	$ -	$ -	$ 2,027

NOTE 4 - INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

C. Risks and Uncertainties

The Plan provides for investments in various securities, which in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and participant account balances.

NOTE 5 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

All information included in the accompanying Statements of Net Assets Available for Benefits and Statement of Changes in Net Assets Available for Benefits and the Schedule of Assets (Held at End of Year) was obtained from data that has been prepared and certified to as complete and accurate by Voya Retirement Insurance and Annuity Company (custodian).

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, The Plan Sponsor, has the right under The Plan to discontinue its contributions at any time and to terminate The Plan, subject to the provisions of ERISA.

NOTE 7 - TAX STATUS

Upon its inception on January 1, 2011, The Plan's form was based upon a prototype plan that was deemed acceptable by the Internal Revenue Service to qualify for tax-exempt status. Although, The Plan has been amended since then, its third-party administrator believes that it's designed and being currently operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in The Plan's financial statements.

NOTE 8 - SUBSEQUENT EVENTS

Events subsequent to December 31, 2022, have been evaluated through October 9, 2023. the date at which The Plan's audited financial statements were available to be issued. From January 1, 2023 through October 9, 2023, terminated participants received $ 9,043 of distributions for vested benefits.
