Travelzoo 401(k) Profit Sharing Plan & Trust

Communication with Those
Charged with Governance

December 31, 2022

October 12, 2023

To the Travelzoo 401(k) Committee
Travelzoo 401(k) Profit Sharing Plan & Trust

We have completed an ERISA Section 103(a)(3)(C) audit of the financial statements of the Travelzoo 401(k) Profit Sharing Plan & Trust (the "Plan") as of and for the year ended December 31, 2022, and have issued our report thereon dated October 12, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by Reliance Trust Company (the "Trustee"), which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

Professional standards require that we provide you with information about our responsibilities under auditing standards generally accepted in the United States of America, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 6, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of the Plan's Significant Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during the year ended December 31, 2022. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was management's estimates and assumptions used to determine fair value of the investments held at year end which were held and certified by the Trustee. Fair value has been determined using quoted market prices, or net asset value of the investment based on the value of the underlying investments, as applicable, and was approved by Management. The Trustee provided a certification letter indicating that the investments exist and are kept under its control. The Trustee further certified that all information pertaining to valuation of investments, and related investment activity, is complete and accurate.

Certain financial statement disclosures are particularly sensitive because of their significant to financial statement users. The most sensitive disclosures affecting the financial statements were:

- Note 2: Summary of Significant Accounting Policies
- Note 3: Information Prepared and Certified by the Trustee
- Note 4: Fair Value Measurements

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures.

There were no material misstatements identified by us as a result of our audit procedures.

There were no uncorrected misstatements in the course of the engagement.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 12, 2023.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to

determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Independence

Auditing standards suggest we communicate at least annually with you regarding all relationships between Armanino^{LLP} and its related entities and the Plan and its related entities that, in our professional judgment, may reasonably be thought to bear on our independence. We are not aware of any relationships between Armanino^{LLP} and the Plan that, in our professional judgment, may reasonably be thought to bear on our independence.

Accordingly, and relating to our audit of the financial statements and schedule of the Plan as of December 31, 2022, and for the year ended, we are independent certified public accountants with respect to the Plan within the meaning of the pronouncements of Rule 101 of the American Institute of Certified Public Accountant's Code of Professional Conduct, its interpretations and rulings.

Other Matter – Supplemental Schedule

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This report is intended solely for the information and use of the Plan Administrator and management of Travelzoo 401(k) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have elected for you not to perform any auditing procedures with respect to information prepared and certified to by Bank of America, N.A., the Trustee, the Trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedule, other than derived from the information certified by the Trustee, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 12, 2023, the following representations made to you during your audits.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated June 6, 2023, including our responsibility for the preparation and fair presentation of the financial statements.

 - b A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.

Therefore, we assigned Michael Crome, CFO, to oversee and evaluate the adequacy and results of the non attest service and he has accepted responsibility for it.
