INDEPENDENT AUDITORS' REPORT

To the 401(k) Committee and Plan Administrator of
Mediapro US HR Services LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Mediapro US HR Services LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("US GAAP").
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mediapro US HR Services LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mediapro US HR Services LLC 401(k) Plan’s ability to continue as a going concern within one year after the date that the financial statement are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mediapro US HR Services LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mediapro US HR Services LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures,

including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MEDIAPRO US HR SERVICES LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Mediapro US HR Services LLC 401(k) Plan (formerly known as Imagina HR Services 401(k) Plan) (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

GENERAL

The Plan, established on January 1, 2015, is a defined-contribution plan, subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Commencing on April 1, 2015, eligible participants were allowed to make elective deferrals to the Plan. Employees of Mediapro US HR Services LLC (formerly known as Imagina HR Services LLC) (the “Employer”, “Company”, or “Plan Sponsor”), who have reached 18 years of age are eligible to participate in this Plan on the first day of the month following their date of employment.

Effective on December 29, 2022, the Setting Every Community Up for Retirement Enhancement (“SECURE”) 2.0 Act (the “Act”) of 2022 was signed into law. The Act is inclusive of approximately 90 provisions which offer many new benefits to employers and Plan participants. Certain provisions changes are related to the following, but not limited to: changes to auto-enrollment and auto-escalation, age of required minimum distributions, catchup contributions, and increased dollar threshold for mandatory distributions. Depending on the specific provision, some will take effect immediately, while other begin in a future year. As of October 10, 2020, Plan management is in the process of evaluating the subsequent adoption and related impact these provisions will have on the Plan.

CONTRIBUTIONS

Upon enrollment in the Plan, a participant may direct contributions in 1% increments to any of the Plan’s available investment options. Employees may elect to contribute up to 90% of their eligible compensation on a pretax or post tax basis (“Roth”), not to exceed annual limits established in the Internal Revenue Code (“IRC”). For the year ended December 31, 2022, participant contributions were subject to an overall annual limitation of \$20,500. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions up to \$6,500 (“Catchup Contributions”). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“Rollovers”). Participants direct the investment of their contributions into various investment options offered by the Plan.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Each year, the Plan Sponsor will make a matching contribution equal to 100% of the first 3% of participant deferrals and 50% of additional deferrals up to 5% of participant eligible compensation through December 31, 2022. The Plan Sponsor's matching contribution for the year ended December 31, 2022 totaled \$290,935. The Plan Sponsor may also make an additional discretionary contribution to the Plan at the option of the Plan Sponsor. There was no discretionary contribution for the year ended December 31, 2022.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, Rollovers, and the Employer's matching contributions and allocations of the Plan Sponsor's discretionary contributions and earnings or losses from participant-directed investments, net of administrative expenses incurred by the participant, if any. Allocations are based on participant earnings (losses) or account balances, as defined by the Plan document. The benefit to which a participant is entitled at termination or retirement is the benefit that can be provided from the vested portion of the participant's account.

VESTING

Participants are vested immediately in their voluntary contributions, including Rollovers, plus actual earnings thereon. Vesting in the Employer's matching and additional discretionary contributions and earnings thereon vest in accordance with the following schedule:

Years of Service	Percentage
Less than 1	0%
1	10%
2	30%
3	60%
4	100%

The Plan provides for 100% vesting of Plan Sponsor matching and discretionary contributions and earnings thereon upon death, disability, or attainment of retirement age of 65.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan allows participants to borrow against their vested balances (minimum loan of \$500). The loans bear interest at the prime rate plus 2%, as determined at the time of the loan. Interest rates on notes receivable from participants ranged from 5.25% to 9.50% as of December 31, 2022. The maximum amount available for loans is the lesser of 50% of the participants vested account balance or \$50,000, reduced by the highest outstanding loan balance during the prior 12-month period. Loan repayment periods are for a maximum of five years unless the loan is for the purchase of a primary residence, in which case a reasonable repayment period is determined at the time of the loan. Loan repayments (principal and interest) are made through payroll deductions.

PAYMENT OF BENEFITS

Upon termination of service, death, disability or retirement, a participant or the named beneficiary may receive a lump sum equal to the vested value of his or her account or elect among various options to receive monthly installments over a specified amount of years. If the participant's vested account balance is less than \$5,000 at the termination date, then that balance may be distributed in a single lump-sum payment.

Beginning in 2021, participants reaching 72 years of age will generally have required minimum distributions in accordance with the IRC.

HARDSHIP WITHDRAWALS

A participant who is experiencing a financial hardship, as defined in the Plan documents, may request a withdrawal of all or any portion of such participant's salary deferral contributions, Rollovers plus earnings, if any. For the year ended December 31, 2022, hardship withdrawals amounted to approximately \$73,000, which is included in benefits paid to participants in the accompanying statement of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

FORFEITURES

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account balance, as defined by the Plan document, represents forfeitures. These forfeitures may be used to pay future Plan administrative expenses or to offset future Plan Sponsor contributions. There were approximately \$2,700 of forfeitures applied to offset Plan Sponsor matching contributions for the year ended December 31, 2022. Forfeited accounts available at December 31, 2022 and 2021 amounted to \$10 for both years.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes herein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan valuation policies utilizing information provided by the investment advisor and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses have been recorded as of December 31, 2022 and 2021. Delinquent notes receivable are treated as distributions based upon the terms of the plan document.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Services ("IRS") are recorded as a liability with a corresponding reduction to contributions. As of December 31, 2022 and 2021, the Plan had excess contributions payable of \$2,727 and \$13,109, respectively, which were distributed subsequent to each respective year-end.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

PLAN EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements, while others are paid by the Plan and allocated to participant accounts on a pro rata basis, as defined in the Plan document. Fees related to the administration of notes receivable from participants are charged directly to the related participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participant account balances and the amounts reported in the statements of net assets available for benefits. The Plan, through its investment advisor, determines the appropriateness of the Plan's investment offerings and monitors investment performance and the risks associated therewith on a regular basis, which the Plan believes minimizes these risks.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 10, 2023, the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation/depreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company ("Reliance"), the trustee of the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, Fair Value Measurements and Disclosures are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2

Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Fund

This fund invest exclusively in high-quality, short-term securities that are issued or guaranteed by the U.S. government or by U.S. government agencies and instrumentalities. Valued at the NAV of shares held by the Plan at year end.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value measurements at December 31, 2022 and 2021:

	Assets at Fair Values as of December 31, 2022			
	Level 1	Level 2	Level 3	Total

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 5 - TAX STATUS

The Plan uses a non-standardized pre-approved profit sharing/money purchase/CODA plan, which received an opinion letter from the IRS dated October 6, 2020, that the Plan and related trust, as then designed, was in accordance with applicable sections of the IRC. Although the Plan has been amended since the date of the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 –PARTY-IN-INTEREST TRANSACTIONS

During the years ended December 31, 2022 and 2021, Reliance served as trustee of the Plan, as defined in the Plan document, and therefore, any fees paid by the Plan to Reliance qualify as party-in-interest transactions. Automatic Data Processing (“ADP”) also served as the Plan’s record keeper, and therefore, ADP is also a party-in-interest to the Plan. Aggregate fees paid by the Plan to parties-in-interest during the year ended December 31, 2022 were \$25,036 . Additionally, certain investment related fees incurred by the Plan have been included in net depreciation in fair value of investments as they are paid through revenue sharing rather than as a direct payment.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Employer contributions.
