**Part III Form M-1 Compliance Information (to be completed by welfare benefit plans)**

**11a** If the plan provides welfare benefits, was the plan subject to the Form M-1 filing requirements during the plan year? (See instructions and 29 CFR 2520.101-2.) ..... ☐ Yes ☐ No

If "Yes" is checked, complete lines 11b and 11c.

**11b** Is the plan currently in compliance with the Form M-1 filing requirements? (See instructions and 29 CFR 2520.101-2.) ..... ☐ Yes ☐ No

**11c** Enter the Receipt Confirmation Code for the 2022 Form M-1 annual report. If the plan was not required to file the 2022 Form M-1 annual report, enter the Receipt Confirmation Code for the most recent Form M-1 that was required to be filed under the Form M-1 filing requirements. (Failure to enter a valid Receipt Confirmation Code will subject the Form 5500 filing to rejection as incomplete.)

| Part I | Service Provider Information (see instructions) |
|--------|-------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

## Independent Auditor's Report

October 10, 2023

To the Trustees and Plan Administrator of the  
Greenstar Cooperative Market 401(K) Plan & Trust  
Ithaca, New York

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the financial statements of the Greenstar Cooperative Market 401(K) Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the ***Auditor's Responsibilities for the Audit of the Financial Statements*** section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the ***Auditor’s Responsibilities for the Audit of the Financial Statements*** section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor’s Responsibilities for the Audit of the Financial Statements***

Except as described in the ***Scope and Nature of the ERISA section 103(a)(3)(C) Audit*** section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material

misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## ***Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Other Matter - 2021 Financial Statements***

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated September 12, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GREENSTAR COOPERATIVE MARKET  
401(K) PROFIT SHARING PLAN & TRUST  
NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan

The following description of the GreenStar Cooperative Market 401(k) Profit Sharing Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution profit sharing plan under Section 401(a) of the Internal Revenue Code with a Section 401(k) provision. Employees of GreenStar Cooperative Market (the “Cooperative”) are eligible to participate in the Plan after meeting certain eligibility requirements. All assets acquired under the Plan are the result of employee and employer contributions thereto (see below), and all income and other additions thereto are administered, distributed, forfeited, or otherwise governed by the provisions of the Plan and the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility - The Plan covers all eligible employees of the Cooperative. Employees are eligible to participate in the Plan when they reach 12 consecutive months of service in which at least 1,000 service hours are completed and are 21 years of age. Once eligible, employees can begin participating in the Plan on the first day of the Plan year quarter following meeting eligibility requirements. Employees are automatically enrolled in the Plan with an initial deferral rate of 1% of their compensation to the Plan, which is increased automatically by 1% each year, up to a maximum of 3%, unless the participant elects a different percentage or expressly elects not to participate in the Plan. Participants are eligible for a flexible discretionary match.

Contributions - Participants are allowed to make elective 401(k) salary deferrals up to the maximum amount allowed by the Internal Revenue Code. In addition, participants who meet certain age requirements are eligible to make catch-up contributions. Participants are allowed to make rollover contributions to the Plan from other qualified plans.

The Cooperative may make flexible discretionary matching contributions, in which the Cooperative retains discretion over the formula or formulas for allocating a flexible discretionary match, including the discretionary matching contribution rate or amount, the limit on elective deferrals or employee contributions subject to match, the per participant match allocation limit, the participants or categories of participants who will receive the allocation, and the time period applicable to any matching formula. The Cooperative may also make other discretionary contributions to the Plan. The Cooperative made contributions to the Plan of \$84 for the year ended December 31, 2022.

Investment options - Upon enrollment in the Plan, a participant may direct contributions in any of the Plan’s investment options offered by the Plan. Participants may change their investment options daily through their online accounts.

Participant accounts - Each participant’s account is credited with the participant’s elective deferral contribution, the Cooperative’s discretionary contributions and plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participants’

compensation or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Cooperatives' contribution portion of their accounts is based on years of continuous service. A participant is 100% vested in discretionary contributions after three years of credited service.

Forfeited and non-vested accounts - At December 31, 2022, forfeited nonvested accounts totaled \$17,162. These accounts will be used to reduce future employer contributions or pay plan expenses. In 2022, there were no forfeitures used to reduce employer's matching contributions.

Payment of benefits - Participants may withdraw their account balance upon retirement, death, disability, termination of employment or attainment of age 65. Participants having any immediate and heavy financial hardship without any other source of funds may request a hardship withdrawal of their vested account balance. After tax contributions may be withdrawn for any reason.

Benefits are paid according to the vested interest to which participants are entitled upon retirement, termination, death or disability. Upon termination, retirement, death or disability, benefits are distributed to the participant or beneficiary in a lump sum, installments or partial withdrawal payments at the request of the participant or beneficiary. If the vested account balance is \$5,000 or less, the participants account value will be automatically distributed to the participant in a lump-sum amount.

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, whichever is less. The note will bear a reasonable rate of interest, prime plus 1%. Interest rates are 4.50% as of December 31, 2022. The note will be repaid through payroll deductions. The note is secured by the balance in the participant's account. According to the requirements of the program, the plan administrator will consider a note in default if any scheduled payment remains unpaid beyond the last day of the calendar quarter in which the participant missed the scheduled payment. Any notes that are in default as defined by the Plan document are reported as either deemed distributions or benefit payments.

Deemed distributions - Deemed distributions represent the amount of unpaid principal on notes receivable from participants who are actively participating in the Plan and have not continued to make payments on the outstanding notes as required by the Plan document. There were \$18,303 of deemed distributions for the year ended December 31, 2022.

Plan termination - Although the Cooperative has not expressed any intent to do so, it has the right under the plan agreement to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants will become 100% vested in their account balances.

## Note 2 - Summary of significant accounting policies

Method of accounting - The Plan maintains its accounting records and financial statements on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of plan income and expenses during the reporting period. Actual results could differ from those estimates.

Risks and uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit and overall market risk. Market risks include domestic and global events which could impact the value of investment securities, such as economic concerns, i.e., inflation and international conflicts, respectively. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Investment valuation and income recognition - Investments are stated at fair market value (see Note 4). All investment values have been determined and certified by Reliance Trust Company, the Trustee of the Plan (See Note 3). Purchases and sale of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents in the statement of changes in net assets available for benefits, the net depreciation in investments, which consists of the realized gains or losses and the unrealized gains or losses on those investments, including interest and dividends on investment funds.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant defaults on a note receivable, the defaulted note receivable will be re-characterized as a deemed distribution and continue to be treated as outstanding loans that accrue interest until the participant has fully distributed their account balance.

Economic dependency and concentration of credit risk - Approximately 85% and 12% and of the Plan's investments are invested in Calvert Investment Management and Vanguard, respectively as of December 31, 2022. Approximately 82% of the Plan's investments are invested in Calvert Investment Management as of December 31, 2021. Accordingly, the Plan is dependent upon the financial condition of these companies.

Payment of benefits - Benefits are recorded when paid.

Administrative expenses - Administrative costs, including maintaining participant accounts, legal and auditing costs, are the obligation of the Plan; however, the plan sponsor may pay for such expenses or reimburse the Plan for any payment of these expenses. Costs of managing the investments are paid directly out of the Plan assets (see Note 5).

Subsequent events - Effective July 1, 2023, the Plan adopted the Vanguard Qualified Retirement Plan and contracted with Ascensus Trust Company to provide Trustee services. All plan assets were transferred to Vanguard effective July 1, 2023. Management has evaluated subsequent events through October 10, 2023, the date that the financial statements were available for issue.

#### Note 3 - Information certified by the Plan's Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held as of December 31, 2022 and 2021, and net depreciation in investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, the Trustee of the Plan. Furthermore, the Plan's independent accountants did not perform auditing procedures with respect to the information except to compare such information to the related information included in the financial statements and ERISA-required supplemental schedule.

#### Note 4 - Fair value measurements

The Financial Accounting Standards Board has published authoritative guidance on Fair Value Measurements, which establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the authoritative guidance are described as follows:

- |         |                                                                                                                                                                                                                                                                                                                                                             |
|---------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.                                                                                                                                                                                             |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none"><li>• Quoted prices for similar assets or liabilities in active markets;</li><li>• Quoted prices for identical or similar assets or liabilities in inactive markets;</li><li>• Inputs other than quoted prices that are observable for the asset or liability; and</li></ul> |

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

*Registered Investment Companies (i.e., Mutual Funds)* - Valued at the closing price reported on the active market on which the individual security is traded (Level 1).

*Money Market Funds* - Managed portfolios including commercial paper, certificate of deposits, U.S. government agency obligations, corporate bonds and notes, repurchase agreements and other assets and liabilities valued at the closing price reported on the active market on which the individual security is traded (Level 2).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the valuation methodologies used as of December 31, 2022 and 2021.

The following table sets forth by Level within the fair value hierarchy, the Plan's assets at fair value:

|                                 | December 31, 2022   |                  |             |                     |

#### Note 5 - Party-in-interest transactions

The Plan's investments are managed by Reliance Trust Company, the Trustee of the Plan. Fees paid for these services qualify as party-in-interest transactions are included in net depreciation in investments on the accompanying statement of changes in net assets available for benefits.

The Plan pays for certain expenses related to plan operations and investment advisory to various service providers, which are party-in-interest transactions under ERISA and are included in administrative expenses on the accompanying statement of changes in net assets available for benefits as follows: The Plan contracts with ADP, Inc. for third party administrative services. Fees paid for these services amounted to \$2,617 for the year ended December 31, 2022. The Plan has contracted with Goodlife Advisors, LLC to provide investment advisory services. Fees paid for these services amounted to \$5,655 for the year ended December 31, 2022. In addition, the Plan contracts with Dannible & McKee, LLP to provide independent auditing services, which are party-in-interest transactions under ERISA, this service was paid by the Cooperative, as discussed in Note 2.

#### Note 6 - Tax status of plan

The Plan adopted a prototype non-standardized plan pre-approved by the Internal Revenue Service ("IRS"). The IRS has issued an opinion letter dated October 6, 2020, that the prototype standardized plan is acceptable with the applicable section of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, management of the Cooperative and the plan administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, the Plan has been accounted for as a tax-exempt plan.

The Plan has reviewed its operations for uncertain tax positions and believes there are no significant exposures. The Plan will include penalties and interest on income tax liabilities in administrative expenses if such amounts arise. The Plan did not incur any penalties and interest for the year ended December 31, 2022. The Plan is no longer subject to regulatory examinations by tax authorities for the closed years before 2019.

#### Note 7 - Reconciliation of the financial statements to Form 5500

There were \$17,851 of deemed distributions related to participant notes receivable outstanding that were reported as deemed distributions on the 2021 Form 5500, but not as a reduction in notes receivable on the financial statements as of December 31, 2021. This amount

has been reported on the statements of changes in net assets available for benefits as a deemed distribution for the year ended December 31, 2022. Accordingly, there are reconciling items between amounts reported in the financial statements and 2022 Form 5500; see below.

The following is a reconciliation of net assets available for benefits per the financial statement to Form 5500:

|                                                                                 | <u>December 31,</u> |                     |

| Less - Deemed distributed loan balances                                         | <u>-</u>            | <u>17,851</u>       |
| Net assets available for benefits per Form 5500,<br>Schedule H, Part I, Line 11 | <u>\$ 1,845,584</u> | <u>\$ 2,601,029</u> |

The following is a reconciliation of a net decrease in net assets available for benefits per the financial statement to Form 5500:

|                                                           | <u>Year ended December 31,</u> |

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.
