Part I	Asset and Liability Statement		
1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. Round off amounts to the nearest dollar. MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Management
ArtNet Worldwide Corporation
Herndon, Virginia

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of ArtNet Worldwide Corporation (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a qualified institution that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Our audit also did not include a consideration of internal control relating to the investment information.

However, during our audit we became aware of deficiencies in internal control other than significant deficiencies and material weaknesses that are opportunities to strengthen your internal control and improve the efficiency of your operations. Our comments and suggestions regarding those matters are summarized below. This letter does not affect our report on the financial statements dated September 27, 2023.

Review of SOC 1 report

The Plan Sponsor has outsourced recordkeeping for the Plan to a third-party service provider, Automatic Data Processing, Inc. (ADP). ADP has a SOC 1 internal control report available; however, the Plan Sponsor currently does not obtain and review a copy of this report as part of its fiduciary oversight of the Plan.

The SOC 1 report for ADP includes detailed descriptions of the controls in place at the service provider and an assessment by an independent auditor of whether the controls are suitably designed, have been placed in operation, and are operating effectively. This report includes user controls that must be in place at the Plan Sponsor in order for controls at the service provider to operate effectively.

As a Plan Sponsor, you should obtain copies of the SOC 1 report from your service providers for each period one is prepared and review these reports as part of normal fiduciary oversight of the Plan. Management should review the control objectives and any exceptions noted. An additional step you should include in your review of these SOC 1 reports is to document your review of the Plan Sponsor/Participant Control Considerations outlined in these SOC 1 reports and document procedures performed to show the user controls listed in these SOC 1 reports have been implemented at your company.

Review of information prepared by third-party service providers

Plan management did not perform reviews of certain information prepared and/or provided by their third-party service providers. Plan management is responsible for the prudent oversight and review of all services provided by third parties to the Plan. We recommend that Plan management perform various periodic reviews and reconciliations of information provided by your third-party service providers including (a) reconciling total contributions per payroll reports to contributions per the trust statements, including documentation of who prepares and reviews the reconciliation and (b) reviewing detailed rollover, loan, and distribution reports. These reviews should be documented.

Contribution Remittance Schedule

Department of Labor Regulation 2510.3-102 requires that amounts that participants have withheld from their wages by an Employer be contributed to the Plan on the earliest date on which such contributions can reasonably be segregated from the Employer's general assets. In any event, employee salary deferrals must be segregated from Employer assets no later than the 15th business day of the month following the month in which they would otherwise have been payable to the participant in cash. If an Employer does not deposit deferrals into the Plan as soon as they can be reasonably segregated, they are considered as holding Plan assets. This results in a prohibited transaction (a nonexempt extension of credit between the Plan and a party in interest).

We noted that salary reduction contributions for several pay dates were not segregated from the general assets of the Employer and deposited to the Plan in a timely manner. Management should correct these delinquent contributions by remitting lost earnings and filing Form 5330.

We recommend that the Plan management ensure that there are procedures in place, which enable participant deferrals and loan repayments to be remitted to the Plan as soon as possible following the payroll check date, and monitor timeliness of the employee contribution remittances on an on-going basis. In addition, we recommend that management establish a review and reconciliation procedure to identify any differences in contributions and loan repayments per payroll compared to those posted by ADP and correct any differences timely.

We will review the status of these comments during our next audit engagement. We have already discussed many of these comments and suggestions with various plan personnel, and we will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations.

This communication is intended solely for the information and use of management and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

Board of Trustees
Artnet Worldwide Corporation
New York, New York

We have performed an audit of the financial statements Artnet Worldwide Corporation (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2022, in accordance with ERISA Section 103(a)(3)(C) pursuant to Code of Federal Regulations (CFR), *Labor*, Title 29, Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and have issued our report thereon dated September 27, 2023. The audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a qualified institution that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and whether the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We have previously communicated to you information about our responsibilities under auditing standards generally accepted in the United States of America, as well as certain information related to the planned scope and timing of our audit in our engagement agreement dated February 18, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant audit findings or issues

Qualitative aspects of accounting practices

Accounting policies

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Artnet Worldwide Corporation are described in Note 2 to the financial statements.

No new accounting policies were adopted and the application of existing policies was not changed during 2022.

We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no accounting estimates affecting the financial statements which were particularly sensitive or required substantial judgments by management.

Financial statement disclosures

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was related to the nonexempt transaction as disclosed in Note 9.

The financial statement disclosures are neutral, consistent, and clear.

Significant unusual transactions

We identified no significant unusual transactions.

Difficulties encountered in performing the audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Uncorrected misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management did not identify and we did not notify them of any uncorrected financial statement misstatements.

Corrected misstatements

The attached schedule summarizes all misstatements (material and immaterial) detected as a result of audit procedures that were corrected by management.

Disagreements with management

For purposes of this communication, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. No such disagreements arose during our audit.

Management representations

We have requested certain representations from management that are included in the attached management representation letter dated September 27, 2023.

Management consultations with other independent accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Significant issues discussed with management prior to engagement

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to engagement as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our engagement.

ERISA-required supplemental schedules

With respect to the ERISA-required supplemental schedules accompanying the financial statements, we performed certain audit procedures to express an opinion on whether the form and content of the supplemental schedules, other than the information agreed to or derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We compared and reconciled the ERISA-required supplemental schedules to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves. We have issued our report thereon dated September 27, 2023.

Reading the draft Form 5500

Audit standards require that we obtain and read a draft of the Form 5500 that is substantially complete prior to the dating of our auditors' report. The purpose of these procedures is to identify material inconsistencies, if any, with the audited Plan financial statements. These audit procedures are not sufficient nor are they intended to determine that the Form 5500 is completely and accurately prepared. We did not identify any material inconsistencies between the Form 5500 and the audited financial statements.

This communication is intended solely for the information and use of the Board of Trustees and management of Artnet Worldwide Corporation and is not intended to be, and should not be, used by anyone other than these specified parties.

This representation letter is provided in connection with your audits of the financial statements of ArtNet Worldwide Corporation (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to Code of Federal Regulations (CFR), *Labor*, Title 29, Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) is permissible under the circumstances. We have also determined that the investment information is prepared and certified by qualified institutions as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles and that the assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to misstatements that are material. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm, to the best of our knowledge and belief, as of September 27, 2023, the following representations made to you during your audits.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement agreement dated February 18, 2023, for the preparation and fair presentation of the financial statements and related notes in accordance with U.S. GAAP and for the fair presentation of the ERISA-required supplemental schedule in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. The notes to the financial statements include all disclosures required by laws and regulations to which the Plan is subject.
2. We acknowledge our responsibility for administering the plan and determining that the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge and have fulfilled our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
5. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
6. Related party relationships and transactions, including transactions with parties-in-interest, as defined by ERISA section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
7. All significant plan amendments, adopted during the period or subsequent to the date of the financial statements, and their effects on benefits and net assets have been disclosed in the financial statements.
8. No events have occurred subsequent to the financial statement date and through the date of this letter that would require adjustment to, or disclosure in, the financial statements.
9. You have proposed adjusting journal entries that have been posted to the Plan's accounts, including adjusting journal entries to convert our cash basis records to the accrual basis. We have reviewed and approved those adjusting journal entries and understand the nature of the changes and their impact on the financial statements. We are in agreement with those adjustments and accept responsibility for them.
10. We have not identified or been notified of any uncorrected financial statement misstatements.
11. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.

12. There are no other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status of the Plan) that legal counsel have advised us that must be disclosed.
13. There are no—
 - a. Non-exempt party-in-interest transactions [as defined in ERISA sections 406—408 and regulations thereunder] that were not disclosed in the ERISA-required supplemental schedules or financial statements.
 - b. Investments or loans in default or considered to be uncollectible that were not disclosed in the ERISA-required supplemental schedules.
 - c. Reportable transactions [as defined in ERISA section 103(b)(3)(H) and regulations under that section] that were not disclosed in the ERISA-required supplemental schedules.
14. Receivables recorded in the financial statements represent valid claims against debtors for transactions arising on or before the financial statement date and have been reduced to their estimated net realizable value.
15. The methods and significant assumptions used to estimate fair values of financial instruments are disclosed in Note 4 of the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
16. We have no intentions to terminate the Plan.

Information Provided

1. We have provided you with:
 - a. Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements such as records (including information obtained from within and outside of the general and subsidiary ledgers), documentation, and other matters.
 - b. Additional information that you have requested from us for the purpose of the audit.
 - c. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - d. The most current plan instrument for the audit period, including all plan amendments.
 - e. Trust or custodial agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
 - f. A draft of the Form 5500 that is substantially complete.

- g. Complete minutes of the meetings of the plan administrative committee, board of trustees, and committees of trustees, or summaries of actions of recent meetings for which minutes have not yet been prepared.
- 2. There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
- 3. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
- 4. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- 5. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
 - a. Management;
 - b. Employees who have significant roles in internal control; or
 - c. Others when the fraud could have a material effect on the financial statements.
- 6. We have no knowledge of any allegations of fraud, or suspected fraud, affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
- 7. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
- 8. We are not aware of any pending or threatened litigation, claims, or assessments, or unasserted claims or assessments, that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
- 9. There are no other material liabilities or gain or loss contingencies that are required to be accrued or disclosed in accordance with U.S. GAAP.
- 10. We have disclosed to you the identity of all the Plan's related parties and all the related party relationships and transactions, including transactions with parties-in-interest, as defined by ERISA section 3(14) and regulations thereunder, of which we are aware, including any side agreements.
- 11. The Plan has satisfactory title to all owned assets, and there are no liens, encumbrances, or security interests requiring disclosure in the financial statements, nor has any asset been pledged as collateral.
- 12. All required filings of plan documents with the appropriate agencies have been made.

13. The Plan is placing reliance on an opinion letter from the IRS on the prototype plan indicating that the Plan is designed in accordance with the applicable section of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.
14. The Plan is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan. The plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 402(g), 415 annual additions test, plan deferral and match limit, actual deferral percentage, actual contribution percentage, minimum coverage and top heavy arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
15. The Plan has complied with the Department of Labor's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
16. The Plan has complied with the fidelity bonding requirements of ERISA.
17. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable, and we are in compliance with DOL regulations regarding ERISA section 408(b)(2).
18. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
19. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedules in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and we believe the ERISA-required supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
20. We have obtained the service auditor's report from our service organization ADP Retirement Services - 401(k)/Qualified Plan and Participant Recordkeeping Operations Services System, FIS - Reliance Trust Company, Reliance Financial Corporation and Reliance BPaaS System and ADP - Global Enterprise Technology & Solutions North America Organization Information Technology Services System. We have reviewed such report, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the year ended December 31, 2022.
21. As part of your audit, you prepared the draft financial statements, related notes, and ERISA-required supplemental schedules. We have designated an individual who possesses suitable skill, knowledge, and/or experience to understand and oversee your services; have made all management judgments and decisions; and have assumed all management responsibilities. We have evaluated the adequacy and results of the service. We have reviewed, approved, and accepted responsibility for those financial statements, related notes, and ERISA-required supplemental schedules. We have also ensured that the Plan's data and records are complete and received sufficient information to oversee the service.

22. We understand that as part of your audit, you prepared the adjusting journal entries necessary to convert our cash basis records to the accrual basis of accounting and acknowledge that we have reviewed and approved those entries and accepted responsibility for them. We have also ensured that the Plan's data and records are complete and received sufficient information to oversee the service.
23. In regards to the nonaudit services of preparation of financial statements and related notes, ERISA-required supplemental schedule, and converting cash basis accounting records to accrual basis performed by you, we have:
- a. Made all management judgments and decisions and assumed all management responsibilities.
 - b. Designated an individual who possesses suitable skill, knowledge, and/or experience to understand and oversee the services.
 - c. Evaluated the adequacy and results of the services performed.
 - d. Accepted responsibility for the results of the services.
 - e. Ensured that the Plan's data and records are complete and received sufficient information to oversee the services.

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Artnet Worldwide Corporation, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as December 31, 2022 and 2021 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Artnet Worldwide Corporation's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Artnet Worldwide Corporation's and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Artnet Worldwide Corporation's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Artnet Worldwide Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Artnet Worldwide Corporation's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) and the schedule of delinquent participant contributions as of and for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ARTNET WORLDWIDE CORPORATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 DESCRIPTION OF PLAN

The following description of the Artnet Worldwide Corporation (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan adopted on January 1, 1999. The Plan covers employees of Artnet Worldwide Corporation (the Employer). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Employees are eligible to participate in the Plan beginning on the first day of the month after the date of employment if they are at least the age of 21. The Plan was restated to exclude nonresident aliens. Employees must be employed on the last day of the Plan year, unless they have reached normal retirement age, died, or become disabled, to receive the employer qualified matching contributions or employer nonelective contributions.

Contributions

The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code (IRC). Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 401(k) contributions to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Eligible participants are permitted to make Roth deferrals to the Plan.

The Employer may, at its discretion, elect to make a qualified matching contribution or nonelective contribution to the Plan. For the years ended December 31, 2022 and 2021, the Employer qualified matching contribution was 50% of employee deferral contribution up to 6% of eligible compensation. The Employer did not make a qualified nonelective contribution for the years ended December 31, 2022 and 2021.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans or conduit IRAs. Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer's qualified matching contribution, an allocation of the Employer's nonelective contributions, as applicable, an allocation of Plan earnings or losses, and administrative expenses. Allocations are based on participant compensation, participant earnings, account balances, or specific transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's account.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in all contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The term of a Plan loan may not exceed five years, unless used to acquire a principal residence of the participant. Principal and interest is paid ratably on a per pay period basis over the term of the loan. Loans are due in full on termination of employment. The interest rate charged is 1% higher than the prime lending rate as posted in *The Wall Street Journal* on the 14th day of each month. A portion of the participant's vested account balance, equal to the loan amount, is used as collateral for the loan.

Benefit Payments

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Benefit payments are made in the form of a lump sum cash distribution or periodic withdrawal. Participants may receive in-service distributions if they attain age 59½. Distributions on account of hardship are also permitted. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$5,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates in Preparing Financial Statements

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant's loan to be in default, the participant's loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain Plan administrative expenses are paid by the Employer on behalf of the Plan. Fees related to the processing of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment advisor fees are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of the investments.

Subsequent Events

The Plan has evaluated subsequent events through September 27, 2023, the date the financial statements were available to be issued.

NOTE 3 CERTIFIED INVESTMENTS

Certain information disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), including investments held and notes receivable from participants at December 31, 2022 and 2021, interest, dividends, and net appreciation (depreciation) in fair value of the investments, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Reliance Trust Company (Reliance), the qualified institution of the Plan as of and for the years ended December 31, 2022 and 2021.

NOTE 4 FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liabilities;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Funds: Valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 4 FAIR VALUE MEASUREMENT (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2022			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 5,036,609	\$ -	\$ -	\$ 5,036,609

Total Investments at Fair Value	<u>\$ 5,702,952</u>	<u>\$ 428,831</u>	<u>\$ -</u>	<u>\$ 6,131,783</u>

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 6 RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Reliance is the qualified institution as defined by the Plan. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 TAX STATUS

The Plan is placing reliance on an opinion letter from the IRS on the prototype plan indicating that the Plan is designed in accordance with the applicable section of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 RISK AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 NONEXEMPT TRANSACTION

The Employer failed to remit employee deferral contributions and loan repayments for four payroll periods within the timeframe prescribed by the Department of Labor for the year ended December 31, 2022. These are deemed to be prohibited transactions in accordance with ERISA and the Code. The Employer will correct the prohibited transactions by depositing lost earnings.
