INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
HCR Home Care Savings and Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of HCR Home Care Savings and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i—Schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of HCR Home Care Savings and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan sponsored by L. Woerner, Inc. d/b/a HCR Home Care (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility:

Employees of the Company are eligible to participate in the Plan on the first of the month following their date of hire. Employees of the Company are eligible to receive employer matching and profit sharing contributions on the first day of the next calendar quarter once they have worked 1,000 hours within a twelve-month period.

Contributions:

Participants may make voluntary pre-tax or Roth contributions to the Plan up to 90% of their eligible compensation, as defined. Participants who are fifty years and older may make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover).

The Plan permits the Company to make discretionary matching contributions. For both 2022 and 2021, the Company contributed an amount equal to 10% of participant contributions, up to a maximum of 3% of the participant's eligible compensation, as defined by the Plan. The Plan also permits the Company to make discretionary profit sharing contributions. The Company did not make any discretionary profit sharing contributions for the years ended December 31, 2022 and 2021.

Contributions are subject to certain limitations of the Internal Revenue Code (the Code). Participants direct the investment of contributions into various investment options offered by the Plan.

Participant accounts:

Each participant's account is credited with the participant's contributions, Company contributions, an allocation of Plan investment earnings (losses), reduced for benefits paid, and charged directly for loan origination and benefit processing fees, if applicable, and an allocation of administrative expenses. Allocations of Plan investment earnings (losses) and administrative expenses are based on the account balances held by the participant. The benefit to which a participant is entitled is limited to that which can be provided from the participant's vested account.

Note 1. Plan Description (Continued)

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Company contributions become 20% vested after two years of credited service, as defined, with vesting increasing at 20% increments each year thereafter, such that participants are 100% after six years of credited service.

Forfeitures:

At December 31, 2022 and 2021, forfeited nonvested accounts totaled $1,863 and $1,818, respectively. Forfeitures of nonvested Company contributions are used to pay administrative expenses of the Plan or to reduce the Company's contributions. Forfeitures of $3,701 and $3,572 were used for these purposes in 2022 and 2021, respectively.

Payment of benefits:

On termination of employment with the Company, death, disability, or retirement, a participant or, in the event of a distribution upon a participant's death, a participant's beneficiary may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. If fully vested, a participant may also elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account upon reaching age 59½. In-service distributions of rollover contributions and earnings thereon are permitted at any time. Effective August 1, 2023, distributions are also permitted in the event of financial hardship.

Notes receivable from participants:

Participants may borrow from their account a minimum of $1,000 up to a maximum loan equal to the lesser of $50,000 or 50% of their vested account. A participant may not have more than one loan outstanding at any given time. The loans are secured by the balance in the participant's account and bear interest at the prime rate at the date of the loan plus 1%. Loans must be repaid over a maximum term of 5 years for personal loans and 10 years for the purchase of a participant's primary residence. Principal and interest are paid ratably through weekly or bi-weekly payroll deductions.

Administrative expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. The Plan pays for fees related to the origination of notes receivable from participants and benefit processing fees, which are charged directly to the participant's account. The Plan also pays for certain recordkeeping fees and investment advisory fees. Investment expenses related to fund management are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing, rather than a direct payment from the Plan.

Note 2. Significant Accounting Policies

Basis of accounting:

The financial statements have been prepared using the accrual basis of accounting.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

Transfers receivable:

Participants meeting certain requirements in another defined contribution plan maintained by the Company have the option to diversify their investments by transferring a portion of their account balances to this Plan. For the years ended December 31, 2022 and 2021, $25,834 and $26,060, respectively, were transferred from the other plan. All transfers are included in transfers receivable, as the funds were transferred out of the other plan prior to December 31, but not received by the Plan until after December 31.

Excess contributions payable:

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions for the years ended December 31, 2022 or 2021.

Benefits:

Benefits are recorded when paid.

Note 2. Significant Accounting Policies (Continued)

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent events:

Subsequent events have been evaluated through October 12, 2023, which is the date the financial statements were available to be issued.

Note 3. Information Certified by the Plan's Trustee

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021 and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Reliance Trust Company (Reliance), the trustee of the Plan. The Plan Administrator has obtained certifications from Reliance that information provided to the Plan Administrator by Reliance related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

	2022	2021
Investments at fair value:		
Mutual funds	**$ 12,572,634**	$ 15,440,353
Collective trust fund	**198,413**	139,664
	$ 12,771,047	$ 15,580,017
Notes receivable from participants	**$ 273,687**	$ 218,766

Note 3. Information Certified by the Plan's Trustee (Continued)

Reliance has also certified to the completeness and accuracy of the following financial information for the years ended December 31, 2022 and 2021:

	2022	2021
Investment income (loss):		
Net appreciation (depreciation) in fair value of investments	**$ (2,943,352)**	$ 1,368,516
Dividends	**343,619**	608,613
	$ (2,599,733)	$ 1,977,129
Interest income on notes receivable from participants	**$ 9,774**	$ 8,168

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Note 4. Fair Value Measurements (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is primarily based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of its investment in the collective trust fund, the trustee reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2022 and 2021.

	2022			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	**$ 12,572,634**	**$ -**	**$ -**	**$ 12,572,634**
Collective trust fund measured at NAV [(a)]				**198,413**
Investments at fair value				**$ 12,771,047**

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 15,440,353	$ -	$ -	$ 15,440,353
Collective trust fund measured at NAV [(a)]				139,664
Investments at fair value				$ 15,580,017

Note 4. Fair Value Measurements (Continued)

(a) In accordance with Financial Accounting Standards Board Accounting Standards Codification Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment	**Fair value at December 31, 2022**	Fair value at December 31, 2021	Redemption Frequency	Redemption Notice Period
Collective trust fund	**$ 198,413**	$ 139,664	Daily	None

There were no unfunded commitments related to the collective trust fund at December 31, 2022 and 2021.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

Note 6. Tax Status

The Plan adopted a non-standardized form of a prototype plan sponsored by Automatic Data Processing, Inc. (ADP). The prototype plan has received an opinion letter from the IRS as to the prototype plan's qualified status dated October 6, 2020. The prototype plan opinion letter has been relied upon by this Plan. The Administrative Committee believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

Note 7. Party-in-Interest Transactions

A party-in-interest is defined under the DOL's regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, certain participants, and others. The Plan allows participants to take loans from their accounts in the Plan. Certain notes receivable from participants and income thereon qualify as party-in-interest transactions.

Certain Plan investments are shares of a collective trust fund managed by Reliance. Reliance is the trustee as defined by the Plan and, therefore, transactions within these investment funds qualify as party-in-interest transactions. Fees paid by the Plan to Reliance for investment management services are included in net appreciation (depreciation) in fair value of investments, as they are paid through revenue sharing, rather than a direct payment from the Plan.

ADP is the recordkeeper, and Securities America, Inc. is the investment advisor to the Plan. Therefore, transactions with ADP and Securities America, Inc. qualify as party-in-interest transactions and are included in administrative expenses.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Reconciliation of Differences between these Financial Statements and the Financial Information Required on Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Form 5500:
