INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Border Foods, LLC 401(K) Plan
New Hope, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Border Foods, LLC 401(K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule 1 and 2, as of and for the year ended December 31, 2022, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified

investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matters – Auditor's Report on the 2021 Financial Statements

The 2021 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditor not to perform and they did not perform any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

BORDER FOODS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Note 1 DESCRIPTION OF THE PLAN

The following description of Border Foods, LLC 401(K) Plan (the Plan) (formerly known as Border Foods, Inc. 401(K) Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions

GENERAL

The Plan is a defined contribution plan covering substantially all employees of Border Foods, LLC (the Company) and their controlled companies who have completed 90 consecutive dates of service and are 18 or older. Nonresident aliens, highly compensated employees, leased employees, and crew members and shift leaders are excluded from participating in the Plan. Crew members and shift leaders acquired from certain employers as defined by the Plan, are not excluded. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan has an investment committee that determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees. The Company has appointed Reliance Trust Company to be the trustee and invest and manage the assets of the Plan with Transamerica Retirement Solutions acting as the record keeper.

CONTRIBUTIONS

Each year, participants may elect to contribute up to 100 percent of their eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect otherwise. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation, as defined by the Plan, until changed by the participant. The Company may make discretionary matching or profit-sharing contributions as determined annually by the Company's management. For 2022, the Company contributed a matching contribution equal to 13.5 percent of the first 4 percent of the participant's deferrals. There were no discretionary profit sharing contributions made for the year ended December 31, 2022.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and Company contributions, as well as allocations of the Company's profit-sharing contribution and Plan earnings. Participant accounts are charged with Plan losses and an allocation of administrative expenses that are paid by the Plan. Plan earnings and losses are allocated based on account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately 100 percent vested in their contributions, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after 5 years of credited service.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum of the lesser of \$50,000 or 50 percent of their vested account balance. The notes are secured by the vested balance in the participant's account. The term of the notes may not exceed five years, unless the note is for the participant's principal residence, in which case the note term can be up to 30 years. The notes bear interest at a fixed rate based on the prime rate plus 1 percent at the date of the note. Principal and interest are paid ratably through payroll deductions.

PAYMENT OF BENEFITS

Upon termination of employment, including death, disability or retirement, participants with balances of \$5,000 or more may leave their balance in the Plan or may elect a distribution in the form of a lump-sum payment, installments or partial withdrawal. Account balances of \$1,000 and less are distributed in the form of a lump-sum payment. Account balances greater than \$1,000, and not to exceed \$5,000, are paid as a direct rollover to an individual retirement plan designated by the administrator absent an employee election form. Participants are allowed to receive in-service distributions upon attainment of age 59½ and hardship distributions, subject to Plan provisions.

FORFEITURES

At December 31, 2022 and 2021, forfeited nonvested accounts totaled to \$43,026 and \$19,580, respectively. These accounts may be used by the Company to pay Plan expenses or fund future Company contributions. In 2022, no forfeited non-vested accounts were used.

Note 2 SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that may affect the reported amounts of assets and liabilities and changes, therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, asset custodian and insurance Company. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

BORDER FOODS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed 2022 excess contributions to the applicable participants prior to March 15, 2023.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to requests for distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net depreciation in fair value of the investments.

SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 11, 2023, which is the date the financial statements were made available to be issued.

Note 3 CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, (the Trustee of the Plan).

Note 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Topic 820 are described as follows:

BORDER FOODS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

Level 1- Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2- Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3- Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual funds: Valued at quoted prices in active market.

Common/Collective trust: Valued at net asset value (NAV) of shares or units held by the Plan based on quoted market value of the underlying assets.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$12,965,093	\$ -	\$ -	\$12,965,093
Investments measured at net asset value (a)	-	-	-	1,685,738
Total investments at fair value	<u>\$12,965,093</u>	<u>\$0</u>	<u>\$0</u>	<u>\$14,650,831</u>
2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$17,449,079	\$ -	\$ -	\$17,449,079
Investments measured at net asset value (a)	-	-	-	321,276
Total investments at fair value	<u>\$17,449,079</u>	<u>\$0</u>	<u>\$0</u>	<u>\$17,770,355</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits

Note 5 INVESTMENTS STATED AT NET ASSET VALUE

The following table summarizes investments for which fair value is measure using net asset value per share as a practical expedient as of December 31:

	2022

Common/collective trust	\$321,276	n/a	Daily	Daily

Note 6 RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Reliance Trust Company, the trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of the investment, as they are paid through revenue sharing, rather than direct payment. As described in Note 2, the Plan made direct payment to the third party administrators of \$119,303 during 2022, which were not covered by revenue sharing. The Company pays directly any other fees related to the Plan's operations.

Note 7 PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Company contributions.

Note 8 TAX STATUS

The IRS has determined the informed Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
