INDEPENDENT AUDITOR'S REPORT

October 12, 2023

To the Board of Directors
P-COR, L.L.C.

Opinion

We have audited the financial statements of the P-COR, L.L.C. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, as well as the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

The Plan's management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Responsibilities of Management for the Financial Statements (continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

The Plan's management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. *Reasonable assurance* is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS:

- We exercise professional judgment and maintain professional skepticism throughout the audit.
- We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and we design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- We evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, and we evaluate the overall presentation of the financial statements.
- We conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for the purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A — DESCRIPTION OF THE PLAN

General

The following brief description of the P-COR, L.L.C. Retirement Plan (the “Plan”) is provided for general informational purposes only. Participants should refer to the Plan document for a complete description of the Plan’s provisions.

The Plan is a defined contribution profit sharing plan with a qualified cash or deferred Retirement arrangement established by P-COR, L.L.C. (“P-COR”) on January 5, 1994, and restated effective January 1, 2022. P-COR is a subsidiary of Henry Ford Health System (“HFHS”). Participation in the Plan is discretionary for all eligible employees.

Contributions

The Plan only allows employer contributions. The employer contribution is based on a discretionary formula and may change from year to year. Employees may rollover balances from previous plans but are no longer able to make elective deferrals. In addition, a private letter ruling received from the Internal Revenue Service (the “IRS”) in September 2008 allows P-COR employees to participate in the Henry Ford Health System Heritage 403(b) Plan.

Benefits

Each participant’s account is credited with an allocation of employer contributions, the participant’s rollover contributions, forfeitures of terminated participants’ nonvested accounts (except for those forfeitures used for other purposes, as permitted under the Plan), and the investment funds’ earnings or losses, net of plan expenses. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant’s vested account.

Distributions are allowed upon retirement, disability, death of the employee, and termination of service. A participant will be considered to have suffered a disability if he or she is permanently unable to perform his or her customary duties for the employer due to a mental or physical condition which can be expected to result in death, or be of a continued and indefinite duration, as determined by the Plan administrator.

Vesting

The Plan provides that participants have no vested interest in employer contributions until they have completed one year of service, at which time participants become 25 percent vested. Vesting increases by 25 percent each year up to 100 percent after four years of service.

NOTE A — DESCRIPTION OF THE PLAN (CONTINUED)

Vesting (continued)

An employee is considered to have completed one year of service for purposes of vesting upon the completion of 1,000 hours of service at any time during a Plan year. Participants are fully vested immediately with respect to employee contributions that were permitted under the Plan prior to January 1, 2009, rollovers, and the earnings thereon.

Forfeitures

Forfeitures may be applied against employer contributions, allocated to participant accounts on the same basis of allocation as employer contributions, used to offset the reasonable expenses of Plan administration, or used to correct any errors in participant accounts. Forfeitures used for employer contributions totaled \$20,020 and \$17,916 during the years ended December 31, 2022 and 2021, respectively. Forfeited nonvested accounts totaled \$63,672 and \$32,257 as of December 31, 2022 and 2021, respectively.

Investment Options

Upon enrollment in the Plan, members may direct contributions in any of several investment options, in increments of one percent.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000. The maximum amount that may be borrowed is 50 percent of their vested balances, up to \$50,000.

Plan Administration

Empower Trust Company, LLC (formerly known as “Great-West Trust Company, LLC”) serves as the trustee for the Plan. Empower Retirement serves as the Plan’s recordkeeper.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price).

The Plan's investments are valued as follows:

- Shares of registered investment companies and the underlying investments in self-directed brokerage accounts are valued at quoted market prices, which represent the net asset value of shares held by the Plan as of the end of the year.
- Units of common and collective trust funds are valued at fair value, as determined using the market approach, based on the market prices of the underlying investments, or similar investments where market values are not available.

Purchases and sales of securities are recorded on a trade-date basis. Gains and losses on sales of securities are based on average costs. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation include the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are recorded at cost plus accrued interest. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant note receivable balance is reduced and a benefit payment is recorded. A valuation allowance for credit losses is not considered necessary as of December 31, 2022 or 2021.

Fair Value Measurements

The Plan uses fair value measurements in the preparation of its financial statements, which utilize various inputs, including those that can be readily observable, corroborated, or are generally unobservable. The Plan utilizes market-based data and valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Additionally, the Plan applies assumptions that market participants would use in pricing an asset or liability, including assumptions about risk.

The measurement of fair value includes a hierarchy based on the quality of inputs used to measure fair value. Financial assets and liabilities are categorized into this three-level fair value hierarchy, based on the inputs to the valuation technique.

December 31, 2022 and 2021

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (continued)

The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets and liabilities and the lowest priority to unobservable inputs.

The various levels of the fair value hierarchy are described as follows:

- Level 1 — Financial assets and liabilities whose values are based on unadjusted quoted market prices for identical assets and liabilities in an active market that the Plan has the ability to access
- Level 2 — Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable for substantially the full term of the asset or liability
- Level 3 — Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement

The use of observable market data, when available, is required in making fair value measurements. When inputs used to measure fair value fall within different levels of the hierarchy, the level within which the fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurement.

Payment of Distributions

Plan distributions to participants are recorded when paid.

Administrative Expenses

Reasonable and necessary expenses related to the administration of the Plan are payable out of Plan assets, as determined by HFHS or P-COR.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, as well as disclosure of contingent assets and liabilities, at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

NOTE B — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**Risks and Uncertainties**

The Plan invests in various securities, including common and collective trusts and registered investment companies. Investment securities in general are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Subsequent Events

The Plan's management has evaluated subsequent events through October 12, 2023, the date that the accompanying financial statements were available to be issued.

NOTE C — INVESTMENTS AND FAIR VALUE

The Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31, 2022 and 2021 is summarized as follows:

Fair Value Measurements				
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
2022				
Assets:				
Investments at fair value:

Assets:				
Investments at fair value:

Registered investment companies	2,144,552			2,144,552
Self-directed brokerage accounts	61,394			61,394
	<u>\$ 2,205,946</u>	<u>\$ 9,183,245</u>	<u>\$ -0-</u>	<u>\$ 11,389,191</u>

Additional information as of December 31, 2022 and 2021 about the nature and risk of the Plan's investments in Level 2 assets that calculate net asset value per share is as follows:

	Fair Value		Redemption Frequency (If Currently Eligible)	Redemption Notice Period
	2022	2021		
Common and collective trusts	<u>\$ 7,489,522</u>	<u>\$ 9,183,245</u>	Daily	None

The Plan has ownership in common and collective trusts which invest primarily in publicly-traded debt and equity securities. The fair value of these investments is derived from the value of the instruments held by the trusts, which are, in turn, valued based on observable market prices or valued using methods that rely on observable inputs. All such investments are subject to daily redemptions.

NOTE D — PLAN TERMINATION

Although it has expressed no intention to do so, HFHS and P-COR have the right to terminate the Plan, subject to the requirements of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). In the event the Plan is terminated, the net assets available to provide benefits would be distributed to the participants in proportion to their respective account balances after payment of expenses properly charged against the Plan.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2022 and 2021

NOTE E — INCOME TAX STATUS

The Plan obtained its latest determination letter on May 1, 2014, in which the IRS stated that the Plan, as then designed, qualifies under section 401(a) of the Internal Revenue Code (the “Code”) and that the related trust, therefore, is not subject to tax under present income tax laws. The Plan is required to operate in conformity with the Code and ERISA to maintain its qualification. The Plan administrator is not aware of any course of action or series of events that has occurred that might adversely affect the Plan’s qualified status. In addition, the Plan administrator is not aware of any uncertain tax positions or unrecognized tax benefits as of December 31, 2022 or 2021. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

NOTE F — PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of a brokerage account maintained by a party related to the Plan’s trustee. Therefore, transactions involving these investments qualify as party-in-interest transactions.
