INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Broadwall Management Corp. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Broadwall Management Corp. 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the year ended December 31, 2022 and the period from November 1, 2021 (inception) to December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022 and for the period from November 1, 2021 (inception) to December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by a qualified institution and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Assets in Transit

Effective December 31, 2022, Reliance Trust Company was terminated as the custodian of the Plan. On January 1, 2023, the custodian of the Plan became Fidelity Management Trust Company (“Fidelity”). On December 30, 2022 certain mutual fund investments held by the Plan were liquidated, while the Plan’s remaining assets were transferred in kind and received by Fidelity on January 3, 2023. A blackout period was in effect during the transition period which began December 23, 2022, and ended on January 30, 2023. See Note 4 for details of the assets transferred.

Transfers in

Effective November 1, 2021 the Participating Employers terminated their participation in the ADP TotalSource Retirement Savings Plan. As a result, effective December 22, 2021, participant accounts, including loan balances, totaling \$17,049,096 were transferred from the ADP TotalSource Retirement Savings Plan to the Plan. A blackout period was in effect during the transition period which began December 21, 2021 and ended on February 4, 2022. During this asset transfer period, loan repayments which were scheduled for 2021 were not remitted to the Plan until January 2022.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2022 AND THE PERIOD OF
NOVEMBER 1, 2021 (INCEPTION) TO DECEMBER 31, 2021

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Eligibility

Full time employees (as defined) who have attained the age of 21 and completed three months of service are eligible to participate in the Plan. Employees must complete at least 1,000 hours of service to be eligible for employer matching contributions as defined below.

Contributions

Each year, participants may contribute a minimum of 1% up to a maximum of 90% of eligible annual compensation, as defined in the Plan. Contributions may be made as a pre-tax deferral or after-tax ("Roth") deferral. Highly compensated employees are subject to additional limits set forth in the Internal Revenue Code ("IRC"). Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain IRC limitations.

The Sponsor may make discretionary matching contributions to the Plan each year, not to exceed \$2,500 per participant. The matching contribution is invested as directed by the participant. As of December 31, 2022 and 2021, the Sponsor made matching contributions of \$212,534, and \$207,482, respectively, based on a match of up to 100% of eligible compensation, not to exceed \$2,500.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Sponsor's matching contributions and allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account, as defined.

Allocation of Investments

Participants make an election designating the proportion in which contributions are to be allocated among the specific assets, funds or other investments permitted under the Plan (participant-directed investment program). Participants may change their allocations and make transfers among funds.

Notes Receivable from Participants

Eligible participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's accounts and bear interest equal to the prime rate as published in The Wall Street Journal on the 14th day of each month, plus one percent, not to exceed 6% while a participant is on active duty in the United States military. Loans must be repaid within five years, unless the loan qualifies as a home loan. A home loan, as defined by the Plan, may not be repaid over a term greater than 30 years. Principal and interest is paid ratably through payroll deductions and are monitored by the Plan administrator. A participant can only have two loans outstanding at any point in time, provided that only one is for the purchase of a home. A loan that is considered in default is reported as a deemed distribution, which may be a taxable event for the participant.

Expenses

Certain expenses of maintaining the Plan, if not paid by the Plan, are paid directly by the Sponsor and excluded from these financial statements. Fees related to the administration of benefit payments and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net (depreciation) appreciation in fair value of investments.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Vesting

The Plan provides that participants shall always be fully vested in funds that they contribute to the Plan, as well as employer matching contributions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant, or their beneficiary, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship and in-service withdrawals are available pursuant to specific guidelines as set forth in the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investments, Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded, which may be a taxable event for the participant.

As discussed in Note 1, the balance of participant loans was transferred to Fidelity on December 30, 2022. The balance of participant loans is reported as Notes receivable in transit on the statement of net assets available for benefits as of December 31, 2022.

Benefits Paid

Benefits are recorded when paid.

NOTE 3 – INFORMATION CERTIFIED BY TRUSTEE AND CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee and custodian of the Plan, has certified that the following data included in the accompanying financial statements are complete and accurate with respect to investments:

	<u>2022</u>	<u>2021</u>
Investments, at fair value:		
Mutual funds	\$ -	\$ 14,570,541
Investments in common collective trusts	-	2,242,633
Self-directed brokerage accounts	-	275,708
Total Investments at fair value	<u>\$ -</u>	<u>\$ 17,088,882</u>
Notes receivable from participants	<u>\$ -</u>	<u>\$ 237,754</u>
Investment (Loss) Income:		
Net (depreciation) appreciation in fair value of investments	\$ (2,997,900)	\$ 10,023
Interest and dividend income	396,869	132,591
Total investment (Loss) Income	<u>\$ (2,601,031)</u>	<u>\$ 142,614</u>
Interest income on notes receivable from participants	<u>\$ 10,025</u>	<u>\$ -</u>

As discussed in Note 1, effective December 31, 2022, Reliance Trust Company was terminated as the custodian of the Plan. On December 30, 2022 assets held by the Plan were transferred and received by Fidelity on January 3, 2023. As such, the above balance was reported by Reliance at December 31, 2022. See Note 4 for details of the final balance reported by Reliance Trust Company, of the assets transferred on December 30, 2022.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**BROADWALL MANAGEMENT CORP. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2022 AND THE PERIOD OF
NOVEMBER 1, 2021 (INCEPTION) TO DECEMBER 31, 2021**

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Interest Bearing Cash

Interest bearing cash includes money market accounts and certificates of deposit which are valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer. Interest bearing cash is included in self-directed brokerage accounts.

Common Stocks

Valued at the closing price reported on the active market on which the individual securities are traded. Common stocks are included in self-directed brokerage accounts.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts

Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. This is a direct filing entity.

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As discussed in Note 1, assets of the plan remained in transit at December 31, 2022. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 30, 2022, the date immediately prior to the transfer of assets as discussed in Note 1. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value at December 30, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$12,516,257	\$ -	\$ -	\$12,516,257
Self directed brokerage accounts:

Common Collective Trust (a)				2,385,924
Total investments at fair value				<u>\$15,394,325</u>

Additionally, included in Assets in transit as discussed in Note 1, and presented in the Statements of Net Assets Available for Benefits at December 31, 2022, are \$147,696 of Notes receivable from Participants.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. As of December 31, 2022, and 2021, there were no transfers between Levels 1 and 2 and no transfers in or out of Level 3.

	<u>Assets at Fair Value at December 31, 2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$14,570,541	\$ -	\$ -	\$14,570,541
Self directed brokerage accounts:				
Interest bearing cash	118,569	-	-	118,569

Common Collective Trust (a)				<u>2,242,633</u>
Total investments at fair value				<u>\$17,088,882</u>

(a) In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at NAV per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Assets Reported at Net Asset Value

The following table summarizes investments held by the Plan measured at fair value based on net asset value per share as of December 31, 2022, and 2021.

	<u>2022</u>	<u>2021</u>	<u>Redemption Restrictions</u>	<u>Unfunded Commitments</u>
Common Collective Trusts	\$ -	\$ 2,242,633	None	None

NOTE 5 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The trustee and custodian of the Plan is Reliance Trust Company, and the recordkeeper is Automatic Data Processing Retirement Services. Therefore, fees paid to these entities qualify as party-in-interest transactions.

Notes receivable from participants also qualify as party-in-interest transactions.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

NOTE 7 – TAX STATUS

The Plan is a prototype non-standardized volume submitter profit sharing plan approved October 6, 2020, which the Internal Revenue Service (“IRS”) ruled in an opinion letter, as then designed, qualifies under Section 401 of the IRC. The Plan administrators (and the Plan’s tax counsel) believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS, or applicable state authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events such as a pandemic or international conflict which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

NOTE 10 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued, and noted the following item for disclosure:

Effective January 1, 2023 the Plan changed their trustee and record keeper to Fidelity. In accordance with this change the Plan was restated and renamed as the Feil Organization 401(k) Plan. The assets in transit at December 31, 2022 were received by Fidelity on January 3, 2023.

Effective January 1, 2023, the North Park River Associates LLC 401K Profit Sharing Plan Trust, Greater Lakeside Corporation 401(k) Savings and Investment Plan, and GLF Management LLC 401(k) Profit Sharing Plan Trust were merged into the Plan, transferring their participants' and loan balances. A blackout period was in effect during the transition period, which began December 23, 2022 and ended on January 30, 2023. During this asset transfer period, participant contributions and loan repayments which were scheduled for 2022 were not remitted to the Plan until January 2023.
