# INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Marriott Vacations Worldwide Corporation 401(k) Retirement Savings Plan:

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Marriott Vacations Worldwide Corporation 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C), ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Marriott Vacations Worldwide Corporation 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Marriott Vacations Worldwide Corporation 401(k) Retirement Savings Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Marriott Vacations Worldwide Corporation 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Marriott Vacations Worldwide Corporation 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Marriott Vacations Worldwide Corporation 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Marriott Vacations Worldwide Corporation 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Other Matter - Supplemental Schedules Required by ERISA

The supplementary schedules, Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, and Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. DESCRIPTION OF PLAN

The following description of Marriott Vacations Worldwide Corporation 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### General

The Plan is a defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code ("IRC"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and is open to all eligible employees of Marriott Vacations Worldwide Corporation (the "Company") as more fully described in the Plan document.

### Eligibility

Employees are automatically enrolled in the Plan on their first day of employment with a 3% contribution of eligible compensation, as described in the Plan document. On the first pay period in April of each Plan year, all active participants, provided that they have completed at least three months of service, will automatically have a 1% increase in the deferral amount, unless the participants elect a different deferral percentage, decline this option, or have reached a 6% deferral. Effective January 1, 2022, the automatic increase election will apply after a participant has been employed for six months. Certain groups of eligible employees, as more fully defined in the Plan document, are not subject to the automatic enrollment provisions and shall, therefore, only be enrolled under the affirmative election provisions of the Plan.

A participant may make an affirmative election to begin, modify or cancel participation in the automatic escalation feature at any time, provided that such election must be made no later than the last payroll period in March of the Plan year.

### Contributions

*Participant*

Each participant may contribute up to 80% of either their pre-tax or after-tax annual compensation, as defined in the Plan, up to the IRC maximum limits. A participant may contribute at any time through payroll deductions in multiples of 1/10 of 1%, an amount which is at least 1% of the participant's compensation. Alternatively, a participant may contribute a fixed dollar amount of at least $3 per week, up to $999 per week. The Plan also allows for participants to make after-tax Roth contributions through payroll deductions. Any participant, age 50 or over, may make an additional "catch-up" contribution in an amount as determined by the Internal Revenue Service ("IRS").

The Plan administrator may limit contributions by highly compensated employees to ensure satisfaction of nondiscrimination tests. A participant may suspend contributions at any time or may increase or decrease their level of participation at any time during the Plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

*Employer*

The Company, at its discretion, may match participant contributions for eligible employees. For the year ended December 31, 2022, the Company's discretionary match was an amount equal to 75% of the first 6% of eligible compensation (or 75% of the first 4.5% for highly compensated employees) and amounted to $34,162,057.

**Participant Accounts**
Participants' accounts are credited with participant's elective deferrals, including Roth deferrals, employer's matching contributions, and Plan earnings, based on the participant's share in the income, gains or losses of the investment funds in which the assets are invested. Each participant's account is reduced by withdrawal, losses on investments, and administrative fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account, as defined. The participant contributions receivable is comprised of anticipated contributions on accrued payroll.

**Vesting**
Participants are immediately vested in all contributions plus actual earnings thereon. Any employee who was participating in an Interval Leisure Group 401(k) Plan or Interval Leisure Group Safe Harbor 401(k) Plan (the "ILG Plans") and whose employment terminated prior to being fully vested, and who becomes re-employed within five years, will have the forfeited contributions restored and become fully vested immediately upon re-hire. The ILG Plans merged into the Plan in 2020.

**Investment Options**
Participants direct the investment of their contributions and Company match into various investment options offered by the Plan. Participants may change their investment options daily.

**Notes Receivable from Participants**
Participants may borrow from their accounts a minimum of $1,000, up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The Plan document provides that a participant may not have more than one note outstanding at any time. However, due to the merger of the ILG Plans some participants who have notes transferred in connection with the merger of the ILG Plans may have two notes outstanding until the earliest of the two transferred notes are repaid, distributed, or deemed distributed. Notes receivable balances are secured by 50% of the participant's vested account balance. The interest rate is a rate determined by the Plan committee with a maximum term of five years unless the note was used to purchase a primary residence, in which case the term may not exceed ten years, except for the outstanding ILG Plans notes. On December 31, 2022, the notes receivable from participants bear interest at rates ranging from 4.21% to 9.75% and maturities range from 2023 to 2034. Payments of principal and interest are made through payroll deductions.

**Payment of Benefits**
Upon termination of service, retirement, or death, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the vested value of the account, or payments in monthly or annual installments. Participants may also receive distributions for financial hardships if they satisfy certain conditions as described in the Plan. Under the provisions of the Coronavirus Aid, Relief, and Economic Recovery Act, which was passed in early 2020 in response to the COVID-19 pandemic, participants were permitted to take distributions up to $100,000 from all plans and individual retirement accounts and without being subjected to the 10% early distribution tax under the IRC Section 72(t), 20% tax withholding or 402(f) notices. These distributions will be taxed over 3 years, unless immediate taxation is elected, and can be repaid within 3 years under which repayments will be treated as timely rollover contributions.

**Plan Expenses**
The Company may pay expenses authorized and incurred in the administration of the Plan. Any such expenses not paid by the Company are paid by the Plan to the fullest extent permitted by law.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Presentation**
The financial statements are prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The Plan uses the accrual basis of accounting for the presentation of financial statements.

**Use of Estimates**
The preparation of financial statements in conformity with GAAP requires the Marriott Vacations Worldwide Corporation (the "Plan sponsor") to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Accordingly, actual results may differ from these estimates.

**Investment Valuation and Income Recognition**
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustee, and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends, if any, are recorded on the ex-dividend date. Net appreciation and depreciation include the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document.

**Payment of Benefits**
Benefits are recorded when paid.

## 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification Topic 820, *Fair Value Measurements*, ("Topic 820") are described below:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

*Level 2* - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodology used for the Plan's assets measured at fair value. There have been no changes in the methodology used for the period presented in these financial statements.

*Shares of Registered Investment Companies (Mutual Funds and Money Market Mutual Funds):* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish the daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common Collective Trust ("CCT"):* Valued at the net asset value ("NAV") of units of a common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the CCT, the investment advisor reserves the right to temporarily delay withdrawal from the trust to ensure that securities liquidations will be carried out in an orderly business manner.

The fair value of the CCT is measured using the NAV practical expedient, and in accordance with Topic 820, it is not required to be categorized within the fair value hierarchy.

The following tables set forth the level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

| | 2022 | | | |
|---|---|---|---|---|
| | **Level 1** | **Level 2** | **Level 3** | **Total** |
| Investments, at fair value | | | | |
| Shares of registered investment companies (mutual funds) | $ 621,280,192 | $ - | $ - | $ 621,280,192 |
| Interest bearing cash (money market mutual funds) | 1,900,384 | - | - | 1,900,384 |
| | | | | 623,180,576 |
| Common collective trust measured at net asset value (a) | | | | 60,516,842 |
| Investments, at fair value | | | | $ 683,697,418 |

| | 2021 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Investments, at fair value | | | | |
| Shares of registered investment companies (mutual funds) | $ 734,716,709 | $ - | $ - | $ 734,716,709 |
| Interest bearing cash (money market mutual funds) | 1,616,335 | - | - | 1,616,335 |
| | | | | 736,333,044 |
| Common collective trust measured at net asset value (a) | | | | 49,751,853 |
| Investments, at fair value | | | | $ 786,084,897 |

(a) In accordance with GAAP, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

| | Fair Value at December 31, 2022 | Fair Value at December 31, 2021 | Unfunded Commitment | Redemption Frequency | Redemption Notice Period |
|---|---|---|---|---|---|
| Common collective trust | $ 60,516,842 | $ 49,751,853 | N/A | Immediate | None |

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan administrator believes that its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## 4. SUMMARY OF INFORMATION PREPARED AND CERTIFIED BY THE PLAN TRUSTEE

No auditing procedures were performed by the independent auditor with respect to the information certified as complete and accurate by Fidelity Management Trust Company ("Fidelity"), the Plan trustee, except for comparing such information with the information reported in the financial statements. Based on the information provided and certified by the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2022 and 2021. Accordingly, the trustee of the Plan assets has certified the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021 as well as the supplemental schedule of assets (held at end of year) as of December 31, 2022.
- Net depreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants reflected on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.

## 5. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments and notes receivable from participants' are managed by Fidelity, the trustee of the Plan and, therefore, transactions with Fidelity qualify as party-in-interest. Fees paid by the Plan to the trustee for the year ended December 31, 2022 totaled $896,382. In addition, there are certain transaction fees charged by the trustee that are absorbed in investment (loss) that are not readily determinable.

## 6. PLAN TERMINATION

The Plan Sponsor intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, all participants shall receive a total distribution of their accounts as described in the Plan.

## 7. INCOME TAX STATUS

The Plan received a determination letter from the Internal Revenue Service ("IRS") dated July 21, 2017, stating that the Plan is qualified under code Section 401(a) of the IRC and, therefore, the related trust is exempt from taxation.

The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and the Plan, as amended, is qualified and the related trust is exempt from federal income taxes as of the financial statement date. Accordingly, contributions to the Plan are deductible or excludable from taxable income, and the earnings of the Plan are not taxable.

GAAP requires the Plan sponsor to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the applicable taxing authorities. The Plan sponsor evaluated the tax positions taken by the Plan and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. Furthermore, there are no tax related interest or penalties included in the financial statements presented.

## 8. RISKS AND UNCERTAINTIES

The Plan provides participants with various investment options. All investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## 9. SUBSEQUENT EVENTS

The Plan sponsor has evaluated subsequent events occurring through October 10, 2023, the date which the financial statements were available to be issued. Based upon this evaluation, the Plan has determined that no subsequent events have occurred, which require adjustment to or disclosure in the financial statements.

## 10. PROHIBITED TRANSACTIONS

During 2022, 2021, and 2020, the Company inadvertently failed to deposit $80,085, $173,632, and $1,271,393, respectively, of participant deferrals within the required timeframe as stated by the Department of Labor. The Department of Labor considers late deposits to be prohibited transactions.
