INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
ENEOS USA Employees 401(k) Plan
Kennesaw, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed audits of the accompanying financial statements of ENEOS USA Employees 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule referred to in the index is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ENEOS USA EMPLOYEES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

1. Description of Plan:

The following description of the ENEOS USA Employees 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a voluntary defined contribution plan covering all employees who have attained age eighteen and are not interns, and certain employees earning other retirement benefits sponsored by ENEOS Corporation, JX Nippon Oil and Gas Exploration, or any other plan in Japan sponsored by ENEOS Holdings). Participants should refer to the plan agreement for a more complete description of the Plan’s eligibility requirements. The Plan Sponsor is ANCI, Inc. and the other adopting employers are JX Nippon Oil Exploration (USA) Limited, ENEOS Americas Inc., ENEOS USA Inc., and ENEOS Materials America, Inc. (all of which are collectively hereinafter referred to as the “Plan Sponsor” or “Employer”). Effective April 1, 2022, the plan agreement of the Plan was amended and restated to include ENEOS Materials America, Inc. as a participating employer in the Plan.

Effective April 1, 2021, the plan agreement of the Plan was amended and restated to change the Plan’s name from JX Nippon USA Employees 401(k) Plan to ENEOS USA Employees 401(k) Plan. With this amendment, the Plan Sponsor changed from JX Nippon Oil Exploration (U.S.A.) Limited to ANCI, Inc. (formerly known as JX Nippon ANCI, Inc.). The Plan’s trustees were changed to John Hancock Trust Company LLC. Additionally, the following name changes occurred for the participating employers:

- JX Nippon ANCI, Inc. changed to ANCI Inc.
- JX Nippon Oil & Energy (Americas) Inc. changed to ENEOS Americas Inc.
- JX Nippon Oil & Energy USA Inc. changed to ENEOS USA Inc.

The Plan implemented a Safe Harbor plan design, as permitted by the Internal Revenue Service (“IRS”), which exempts the Plan from certain compliance requirements, primarily associated with non-discrimination testing requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan’s Trustee oversees governance of the Plan. The Plan’s Administrative Committee determines the appropriateness of the Plan’s investments, monitors investment performance, and reports to the Plan’s Trustee.

Contributions

Participants Contributions: Each year, participants in the Plan may defer a portion of their pre-tax annual compensation, as defined, subject to certain statutory limitations. Participants may also elect to make Roth 401(k) contributions, which are subject to federal income taxes in the year of deferral. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Matching Contributions: The Plan Sponsor makes a safe harbor matching contribution to each eligible participant’s account in an amount equal to 3% of eligible compensation. The Plan Sponsor may make discretionary matching contributions to each eligible participant’s account but is not required to do so. During the years ended December 31, 2022 and 2021, the Plan Sponsor elected to make a discretionary matching contribution of 50% of employees’ salary deferral up to 6% of eligible compensation. For the years ended December 31, 2022 and 2021, the Plan Sponsor’s safe harbor matching contribution and discretionary matching contribution totaled \$693,305 and \$627,403 respectively.

Employer Profit-sharing Contributions: Profit-sharing contributions are discretionary and determined annually by the Board of Directors of the Plan Sponsor. The profit-sharing account investments are participant directed. There were no profit-sharing contributions for the years ended December 31, 2022 and 2021.

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

1. Description of Plan (continued):

Participant Accounts

Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's pre-tax and after-tax contributions, the Plan Sponsor's safe harbor matching contribution, the Plan Sponsor's discretionary matching contribution, the Plan Sponsor's discretionary profit-sharing contribution, if any, plan earnings and losses, and applicable administrative expenses. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

Vesting

Participants Contributions: Participants are immediately vested in their voluntary contributions, plus earnings and losses thereon.

Employer Contributions: Vesting in the Plan Sponsor's discretionary matching and discretionary profit-sharing contributions, and related earnings and losses thereon, is based on years of continuous service. Participants are fully vested in Plan Sponsor's discretionary matching and discretionary profit-sharing contributions, plus earnings and losses thereon, after one year of continuous service. An employee earns a vesting year of service in each year in which the employee completes 1,000 hours of service. Participants will also fully vest in Plan Sponsor's contributions upon reaching normal retirement age, become disabled, or death.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the value of the vested interest in the participant's Plan account. Loans may only be made from accounts that are fully vested. Loan terms range from one to five years for standard loans or up to twenty years for the purchase of a primary residence. The maximum number of loans a participant may have outstanding at any one time is two. Notes receivables are secured by the balances in the participants' accounts and bear interest at the prime rate plus 2%. Principal and interest are paid ratable through bi-weekly payroll deductions or by check.

Benefits Paid to Participants

Benefits are payable from participant account balances, subject to certain restrictions, upon termination of employment, normal retirement age, early retirement, in-service distributions, death, disability or financial hardship, as defined by the plan document. Distributions under the Plan may be made in lump-sums, partial withdrawals, and substantially equal installments over a period of not more than the participant's assumed life expectancy or the assumed life expectancies of the participants and their spouse.

Forfeited Accounts

Forfeitures occur upon termination of employment by a participant who is not fully vested in the Plan. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$3,768 and \$2,199, respectively. These accounts may be used to reduce employer contributions and plan expenses. During the years ended December 31, 2022 and 2021, employer contributions were reduced by \$293 and \$136, respectively, from forfeited non-vested accounts. During each of the years ended December 31, 2022 and 2021, there were no forfeitures used to pay administrative expenses of the Plan.

YEARS ENDED DECEMBER 31, 2022 AND 2021

2. Summary of Significant Accounting Policies:

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the Plan Sponsor to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant does not make loan repayments and the Plan Sponsor considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Benefits Paid to Participants

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan Sponsor, and therefore, are excluded from these financial statements. Investment-related expenses are included in the net (depreciation) appreciation in fair value of investments. Fees related to the administration of benefit payments and notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

3. Information Certified by the John Hancock Life Insurance Company (U.S.A.):

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.), the trustee of the Plan (the "trustee").

	<u>2022</u>	<u>2021</u>
Investments at fair value	\$ 21,919,352	\$ 24,187,149
Net (depreciation) appreciation in fair value of investments	(3,415,941)	2,585,447

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedule.

4. Fair Value Measurements:

Fair value measurement guidance under GAAP defines fair value, establishes a consistent framework to measure fair value, and establishes a fair value hierarchy that is based on the observability of inputs used to measure fair value. The objective of a fair value measurement is to determine the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). Accordingly, the fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of fair value hierarchy are described as follows:

- Level 1 Unadjusted quoted market prices in active markets for identical unrestricted assets or liabilities that the Plan has the ability to access at the measurement date.
- Level 2 Other significant observable inputs, including quoted prices for similar securities, interest rates, prepayment speeds, credit risk and others. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. There are no plan assets requiring the use of Level 2 inputs for the periods presented.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

4. Fair Value Measurements (continued):

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no significant changes in the methodologies used at December 31, 2022 and 2021.

Level 1 Fair Value Measurements:

Pooled Separate Accounts: Valued at the daily closing price as reported by the fund. Net asset values ("NAV") are generally obtained from The National Securities Clearing Corporation, directly from the fund house, and/or a secondary processing source.

NAV Practical Expedient Fair Value Measurements:

Pooled Separate Account: The fair value of this investment is estimated using the NAV, as provided by the trustee, as a practical expedient. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the fund, the investment advisor reserves the right to temporarily delay withdrawal from the fund in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

Assets at Fair Value as of December 31, 2022

Investment measured using net asset value per share practical expedient				<u>3,952,516</u>
Total investments				\$ <u>24,187,149</u>

The Plan invests in a pooled separate account stable value fund, which trades at the NAV per share practical expedient of the fund. This fund is not categorized within the fair value hierarchy.

The following table summarizes the investment measured at fair value based on NAV per share practical expedient as of December 31, 2022 and December 31, 2021:

	<u>2022</u>	<u>2021</u>

Redemption notice period	None	None

5. Tax Status:

The IRS has determined and informed Nova 401(k) Associates Inc. by a letter dated June 30, 2020, that the prototype plan, on which the Plan is based and the related trust, as then designed, was in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

GAAP requires the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS and U.S. Department of Labor, and/or Georgia Department of Revenue. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Sponsor believes it is no longer subject to income tax examinations for years prior to 2019.

6. Plan Termination:

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of any termination of the Plan, or upon complete or partial discontinuance of contributions, the accounts of each affected participant shall become fully vested.

7. Related Party Transactions and Party-in-Interest Transactions:

Plan investments are pooled separate accounts managed by the trustee, and therefore, these transactions qualify as party-in-interest transactions. The trustee administers the Plan and receives fees paid by the Plan for these services. Nova 401(k) Associates is the Plan's administrator and receives fees paid by the Plan for these services. EC Barrett, LLC is the Plan's auditor, and these fees are not charged to the Plan. The Plan Sponsor's employees provide administrative services to the Plan for which no fees are charged to the Plan. All of these party-in-interest transactions are exempt from being prohibited transaction rules of ERISA.

The Plan has notes receivable from participants at December 31, 2022 and 2021. As a result, these notes and all transactions relating to these notes qualify as party-in-interest transactions. These transactions are exempt from being prohibited transactions by ERISA.

8. Risk and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

9. Assets Allocated to Terminated Participants:

Net assets available for benefits include amounts allocated to the accounts of participants who were terminated prior to year-end but had not yet received payment. As of December 31, 2022 and 2021, the vested account balances of terminated participants were \$4,488,415 and \$4,118,055, respectively.

10. Subsequent Events:

Subsequent events have been evaluated through October 13, 2023, which is the date the financial statements were available to be issued.
