We have performed an audit of the accompanying financial statements of 2nd Swing Golf 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of **December 31, 2022** and 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended **December 31, 2022** and 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 2nd Swing Golf 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 2nd Swing Golf 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

170 EAST SEVENTH PLACE ♦ SUITE 100 ♦ ST. PAUL, MINNESOTA 55101 ♦ phone (651) 224.5721 ♦ fax (651) 227.7767

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of **December 31, 2022** is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF PLAN

The following brief description of 2nd Swing Golf 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information.

1. General

The Plan is a defined contribution plan covering all employees of Golf Stix dba 2nd Swing Golf (the Company). The Plan is subject to the provisions of ERISA. The Company is the administrator and sponsor of the Plan and has appointed Reliance Trust Company as Trustee and ADP Retirement Services as recordkeeper of the Plan.

2. Eligibility

Employees who are at least 21 years of age and have completed three months of service are eligible to participate in the Plan.

3. Entry date

Employees may enter the Plan on the first day of the month coinciding with or following the date they satisfy the Plan's eligibility requirements.

4. Contributions

Each year, participants may make contributions up to 90% of their pretax annual compensation, as defined in the Plan, or limitations established by the Internal Revenue Code (IRC). Participants may designate all or a portion of their deferral contribution as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Company provides a safe harbor contribution match of up to 100% of the first 5% of the employee's contribution. In addition, the Plan allows for a nonelective contribution at the discretion of the Company's management. For the years ended **December 31, 2022** and 2021, the employer safe harbor match contribution match and nonelective contributions totaled **\$1,123,831** and \$1,064,158. No additional contributions were made for the years ended **December 31, 2022** and 2021.

5. Investment Options

Upon enrollment into the Plan, a participant may direct employee, including rollover, and Company contributions in any of the funds offered by the Plan. Participants may change their investment options daily.

2ND SWING GOLF 401(K) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

6. Participant Accounts

Each participant's account is credited with the participant's salary reduction contributions, catch-up contributions, Roth contributions, rollover contributions, and allocations of (a) the Company's safe harbor and nonelective contributions; and, (b) Plan earnings. Allocations are based on participant compensation or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

7. Vesting

Participants are immediately vested in their salary reduction, catch-up, Roth, rollover, and Company safe harbor contributions, plus earnings thereon. Participants who leave the Plan because of death, normal retirement, or disability retirement, as defined in the Plan, are considered 100 percent vested. A participant is 100 percent vested in their Company nonelective contributions after five years of credited service. Participants vest ratably over the vesting period after completing one year of service. A year of service is defined as a twelve-month period in which the participant was employed by the Company.

8. Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to 50 percent of their vested account balance in the Plan or \$50,000, whichever is less. The loans are secured by the balance in the participant's account and bear interest at 2.00 percent over the Prime Rate at the time funds are borrowed (9.50 percent at December 31, 2022). Principal and interest is paid ratably through payroll deductions over a period not to exceed 5 years, unless the proceeds were used to acquire the participant's residence, in which case the term may be longer. A participant may have no more than two outstanding loans at any one time.

9. Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installments as defined in the Plan document. An active participant is allowed to receive a distribution from the Plan prior to termination of employment provided they have obtained age 59 1/2, have reached normal retirement age, or in the event of a qualified hardship event, as defined in the Plan document. A terminated employee with a balance of less than \$1,000 may be automatically paid out by the Plan upon termination. In the event of termination of employment (other than for death, disability, or retirement after age 62), participants are entitled to all of the elective deferral and safe harbor contribution account balance and their vested percentage of their nonelective employer contribution account balances.

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)**10. Forfeited Accounts**

Forfeitures may be used to reduce Plan expenses or Company contributions. For the years ended **December 31, 2022** and 2021, forfeited nonvested accounts totaled **\$12,434** and \$2,123, respectively. During the years ended **December 31, 2022** and 2021, forfeitures of **\$1,686** and \$1,753, respectively, were used to reduce Company contributions.

11. Other

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
AND USE OF ACCOUNTING ESTIMATES****Basis of Accounting**

The financial statements of the Plan are prepared using the accrual method of accounting.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan's valuation policies utilizing information provided by the Plan's trustee, investment advisors, and recordkeeper. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income is recorded on the accrual basis. No allowance for credit losses was recorded as of **December 31, 2022** and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

December 31, 2022 and 2021

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
AND USE OF ACCOUNTING ESTIMATES (CONTINUED)****Administrative Expenses**

The Company has elected to pay all Plan administrative expenses with the exception of distribution and loan fees for individual participant account transactions. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Payment of Benefits

Benefit payments to participants are recorded upon distribution and not accrued upon termination of employment.

NOTE 3 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the assets or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs were used when necessary and available to the Plan. No Level 3 inputs were available to the Plan.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at **December 31, 2022** and 2021.

Registered investment companies: Valued at quoted market prices, which represent net asset value ("NAV") of shares held by the Plan at year-end. These funds are required to publish their NAV daily and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Common collective trusts: Valued at the respective NAV as reported by such trusts/funds, which are reported at fair value. The value of each unit is determined by subtracting total liabilities from the total value of the assets, including accrued income, and dividing the amount remaining by the number of units outstanding on the valuation date. The NAV is a quoted price in a market that is not active and classified within Level 2 of the valuation hierarchy. Participant transactions (purchases and sales) may occur daily.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of **December 31, 2022** and 2021.

NOTE 4 TAX STATUS

The Plan uses a Prototype Standardized Profit Sharing/401(k) Plan document sponsored by the trustee, who received an opinion letter from the Internal Revenue Service dated October 6, 2020, which stated the volume submitter document satisfies applicable regulations of the IRC. Subsequent to the issuance of the opinion letter, the Plan document was amended. However, the Company and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan has identified no exposures concerning the liability for Unrecognized Tax Benefits. During the upcoming 12 months, the Plan expects no material changes to occur related to Accounting for Uncertainty in Income Taxes. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The Plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA for **2022** and 2021. Accordingly, the Trustee has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of **December 31, 2022** and 2021 and the supplementary Schedule H, Line 4(i) Schedule of Assets (Held at End of Year) as of **December 31, 2022** and 2021, and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the years ended **December 31, 2022** and 2021.

NOTE 6 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain of the Plan's investments are managed by the Trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment manager services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market conditions, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

At December 31, 2022 and 2021, the Plan had investments of **\$4,462,841** and \$2,611,160, respectively, that were concentrated in **seven** and four funds, respectively.

NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS

The Form 5500 has been prepared on the cash basis, and therefore does not include any amounts for Company or employee contributions receivable or other receivables at year-end.

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to the Form 5500 for the years ended **December 31, 2022** and 2021:
