INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the
Inktel 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Inktel 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Inktel 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Inktel 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Inktel 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's Responsibilities for the Audits of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Inktel 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Inktel 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT (Continued)

Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500 - Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Form 5500 – Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of the Plan

The following description of the Inktel 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established on January 1, 2003 by Inktel Holdings Corp (the Plan sponsor), is a profit-sharing defined contribution plan and is subject to the provisions of the Internal Revenue Code and the Employee Retirement Income Security Act of 1974 (ERISA). The Plan has elected to adopt the provisions required to qualify as a safe harbor plan. As such, the Plan is referred to as a qualified automatic contribution arrangement 401(k) plan. A qualified automatic contribution arrangement 401(k) plan is a plan designed to make safe harbor matching contributions that enable the employer to simplify plan administration by ensuring that non-discrimination regulations are met.

Plan oversight is performed by the plan trustees, who are officers of the Plan sponsor, and Pension Services, Inc., the third-party administrator (the TPA). Great-West Life & Annuity Insurance Company (Great-West), the custodian, receives and invests the contributions and Plan earnings, as directed by the participants.

Eligibility

All non-excluded employees of the Plan sponsor and its affiliates are eligible to participate in the Plan after completing six months of service. Participant entry date will be the first day of the month coinciding with or next following the date the participant satisfies the eligibility requirements.

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Contributions

Participants may elect to contribute a percentage of their annual pretax compensation, subject to statutory limits. Under Internal Revenue Service (IRS) Code Section 402(g)(1), the maximum deferral of pretax earnings was \$20,500 and \$19,500 for the years ended December 31, 2022 and 2021, respectively. Participants who have attained age 50 before the end of the plan year are eligible to contribute an additional \$6,500 of catch-up contributions for the years ended December 31, 2022 and 2021. Participants may also contribute amounts representing distributions from other plans and certain individual retirement accounts. The Plan sponsor will make a safe harbor matching contribution equal to 100% of the participant's salary deferrals up to 6% of the participant's total compensation.

INKTEL 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

(Continued)

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions (Continued)

Additional profit-sharing amounts may be contributed at the discretion of the Plan sponsor. No additional profit-sharing amounts were contributed in 2022. Participants may change their salary deferral contribution amounts or terminate their salary deferral contributions at any time.

Participant Accounts

Each participant's account is credited with the participant's contribution as well as an allocation of the Plan sponsor's contribution and plan earnings or losses. Participant accounts are charged with an allocation of certain other administrative expenses, such as loan fees, specific to each participant. Allocations of the Plan's earnings or losses in each investment option and Plan sponsor's contributions were made to the participant's accounts based on the ratio of each participant's current account balance in each investment option to total participants account balances in the investment option. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Forfeited Accounts

Forfeitures of non-vested participant account balances can be used to pay administrative expenses of the Plan and/or to reduce contributions otherwise required of the employer. At December 31, 2022 and 2021, unallocated forfeited accounts totaled \$785 and \$764, respectively. As of December 31, 2022 and 2021, no plan expenses were accrued that were expected to be paid with forfeitures. During 2022 and 2021, no forfeitures were used to reduce employer contributions or to pay administrative expenses.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan sponsor's contribution portion of their accounts is based on months of continued service. Participant is 100 percent vested after six months of credited services.

Payment of Benefits

Participant contributions and the vested portion of the Plan sponsor's matching contributions are available for distribution upon attainment of age 65, death, disability, termination of employment or normal retirement age. Distributions may be received as a lump-sum payment. If the participant's vested account balance is greater than \$5,000, the participant may elect to maintain their account within the Plan. Contributions are also available for distribution in the form of a hardship withdrawal.

INKTEL 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

(Continued)

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits (Continued)

In the event of death, the participant's vested account balance will be used to provide the participant's beneficiary with a death benefit. If at the date of death, the participant's vested account balance was less than \$5,000, then the balance shall be distributed in a single lump-sum payment. If the participant's vested account balance was more than \$5,000 at the date of death, then distributions are made in the form and at the time elected by the beneficiary unless a distribution election was made prior to death. Vested account balances must be completely distributed within five years of death.

A participant becomes eligible to receive their vested account balance in the Plan if they become permanently disabled as defined by the Plan document. Distribution payments will be made in the same manner as if the participant had terminated employment without disability.

Termination of the Plan

Although it has not expressed any intent to do so, the Plan sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Investments

Security transactions are recorded on a trade date basis, which is the date the order to buy or sell is executed. Interest income and expenses are accrued on a daily basis. Distributions to participants are recorded on the ex-dividend date. The Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions to any of the various Great-West investment options (see Note 4).

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in these risks and uncertainties in the near term would materially affect participant account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

(Continued)

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires the Plan to make estimates and assumptions that affect the reported amounts of net assets available for benefit and disclosure of contingent net assets available for benefit at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan sponsor. Expenses that are paid by the Plan sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 2. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Great-West Life & Annuity Insurance Company held the Plan's investments as of December 31, 2022 and 2021. The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C). Accordingly, the custodian has certified that the data included in the accompanying financial statements and supplemental schedules are complete and accurate with respect to investments as reflected in the statements of net assets available for benefits as of December 31, 2022 and 2021, the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022, and the information reflected on the Form 5500 - Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022.

Allocations among the underlying investments are participant directed. The accounts are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses.

During the year ended December 31, 2022, the Plan's underlying investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by approximately \$1,069,000. This was reported as net depreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits.

NOTE 3. NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable consist entirely of loans to participants. A participant may borrow from their account up to the lesser of 50% of a participant's vested balance or \$50,000. The minimum principal loan is \$1,000. The principal and interest must generally be repaid within five years. Notes receivable from participants bear interest at prime rate plus 1% at the time of application. As of December 31, 2022 and 2021, the interest rates on notes receivable from participants ranged from 4.25% to 8.00%. Notes receivable from participants were approximately \$119,000 and \$89,000 as of December 31, 2022 and 2021, respectively.

NOTE 4. FAIR VALUE MEASUREMENTS

GAAP provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy are described as follows:

Level 1: Inputs using the valuation methodology are unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methods used for assets measured at fair value as of December 31, 2022:

Pooled separate accounts: stated at readily determinable fair value. The fair value is determined by the issuer and is valued daily using publicly available quoted market prices matched with the current underlying investment holdings of the accounts ("Level 2").

Guaranteed interest account: a guaranteed, general-account backed, non-fully benefit responsive group annuity contract valued at contract value. The account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses charged by the trustee of the guaranteed investment contract. The guaranteed interest account issuers are contractually obligated to repay the principal and a specific interest rate that is guaranteed to the Plan. There are no reserves against the guaranteed interest account for credit risk of the contract issuer or otherwise. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment contract value.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The following table presents the Plan's fair value hierarchy for investments measured at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	\$ -	\$ 5,233,635	\$ -	\$ 5,233,635

The following table presents the Plan's fair value hierarchy for investments measured at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	\$ -	\$ 5,863,243	\$ -	\$ 5,863,243

NOTE 5. CONTRACT WITH INSURANCE COMPANY

In 2012, the Plan entered into a benefit-responsive guaranteed investment contract with Great-West Life & Annuity Insurance Company. Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at December 31, 2022 and 2021 was approximately \$276,000 and \$245,000, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed by Great-West on a quarterly basis for resetting. The Plan's average yield rate for the years ended December 31, 2022 and 2021 are as follows:

	<u>2022</u>	<u>2021</u>
Based on actual earnings	0.94%	0.90%

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

INKTEL 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2022

(Continued)

NOTE 6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Great-West, the custodian and recordkeeper of the Plan and, therefore, transactions qualify as a party-in-interest transaction; however, they are exempt from the prohibited transactions rules under ERISA.

Great-West provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and Great-West. Great-West receives revenue from mutual fund service providers for services Great-West provides to the funds. This revenue is used to offset certain amounts owed to Great-West for its administrative services to the Plan.

If the revenue received by Great-West from such mutual fund service providers exceeds the amount owed under the MSA, Great-West remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2022, there were no excess amounts. The Plan or Plan sponsor may make a payment to Great-West for administrative expenses not covered by revenue sharing.

NOTE 7. TAX STATUS

The Plan obtained its latest determination letter in March 2014, in which the IRS stated that the form of the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator believes that the Plan complies with the requirements of Section 401(a) of the Internal Revenue Code, and is therefore exempt from federal income taxes under Section 401(a) of the Internal Revenue Code.

Plan management is required to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken by the Plan. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 8. PROHIBITED TRANSACTIONS

During the 2021 Plan year, participant contributions for various payroll transactions totaling approximately \$83,000, were not remitted timely to the Plan. ERISA Section 103(a)(3)(C) requires that participant contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the Company's general assets. Failure to remit participant contributions to the Plan in a timely manner results in a prohibited transaction, which must be separately reported to the Department of Labor and may result in lost earnings for the Plan and penalties to the Plan sponsor. All 2021 contributions have since been corrected during the 2022 plan year, which are shown in the schedule of delinquent participant contributions.

NOTE 9. SUBSEQUENT EVENTS
