## **Independent Auditor's Report**

To the Plan Administrator and Participants of the  
Flotek Industries, Inc. 401(k) Plan  
Houston, Texas

### ***Opinion on the 2022 Financial Statements***

We have audited the financial statements of Flotek Industries, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion on the 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the 2022 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2022 Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that

includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***2022 Supplemental Schedules Required by ERISA***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

***Other Matter***

***Auditor's Report on the 2021 Financial Statements***

The 2021 financial statements of Flotek Industries, Inc. 401(k) Plan were audited by predecessor auditors whose report dated June 28, 2022, expressed an unmodified opinion on those financial statements and included an other-matter paragraph that provided an opinion that the information in the 2021 supplemental schedule was fairly stated in all material respects in relation to the financial statements as a whole.

**NOTES TO FINANCIAL STATEMENTS**

**Note 1 — Description of the Plan**

The following description of Flotek Industries, Inc. 401(k) Plan (the “Plan”) is provided for general informational purposes only. Plan participants (“Participants”) should refer to the Plan document for a complete description of Plan provisions.

*General*

Effective June 1, 2002, Flotek Industries, Inc. (the “Company”) established a defined 401(k) contribution plan with voluntary employee participation available on the first day of employment and attainment of 18 years of age. The Plan does not meet the requirements of a safe harbor 401(k) plan.

The Board of Directors and the Company coordinate and manage the administration of the Plan. On March 14, 2011, the Company’s Board of Directors approved the formation of the Investment Committee of the Flotek Industries, Inc. 401(k) Plan (the “Investment Committee”). The role of the Investment Committee is to oversee the investment management, policies, and guidelines of the Plan. The Investment Committee’s responsibilities include the review of the Plan’s investment manager selection, investment benchmarks, investment performance, and investment risk management policies. The Investment Committee monitors the management of the Plan for compliance with the investment policies and guidelines and for meeting investment performance objectives over time.

*Plan Trustee*

Effective July 1, 2019, the Company engaged Fidelity Investments as the Trustee (collectively the “Trustee”), and investment custodian of the Plan. Concurrently, the Company appointed Fidelity Investments 401(k) Plan Recordkeeping and Trust Services as the Plan’s recordkeeper. The Trustee holds all property received and invests and reinvests Plan assets pursuant to Participant investment selections and Plan documents.

*Contributions*

Under the Plan, participants may elect to contribute from 1% to 100% (in increments of 1%) of eligible compensation. Eligible compensation is defined within the Plan document and is subject to restrictions of the Internal Revenue Code of 1986, as amended (“IRC”). Participant contributions are withheld on a pro rata basis from each payroll as either pre-tax or Roth contributions. The Plan includes an auto-enrollment provision, whereby all newly eligible employees are automatically enrolled in the Plan at a deferral rate of 4% of eligible compensation within 30 days of their hire date unless they affirmatively elect not to participate in the Plan. Participants may modify their election or opt out of the Plan at any time.

With the IRC, Participant contributions were limited to \$20,500 during 2022. Participants 50 years of age or older prior to December 31, 2022 were eligible to make catch-up contributions of up to \$6,500 during 2022.

*Vesting*

Both Company matching and Company profit sharing contributions are fully vested upon contribution. Participant contributions are always fully vested upon contribution.

*Contribution and Investment Elections*

Salary contribution percentages are determined by the Participant, except where the Plan’s automatic contribution percentage applies. The investment of a Participant’s account is Participant directed, except where the Participant does not elect timely his or her withholding contributions following a qualifying event, in which case the Participant is automatically enrolled in 4% withholding of his or her compensation. Contribution percentage elections, investment allocations, and modifications to either, may be made by the Participant at any time by contacting Fidelity or via the internet, with such selections or modifications becoming effective within a reasonable period of time thereafter. Participants may discontinue participation in the Plan and may later re-enroll in the Plan.

*Notes Receivable from Participants*

A Participant may borrow up to 50 percent of his or her account balance, ranging from a minimum of \$500 to a maximum of \$50,000. A Participant may have only one loan outstanding at any one time. A loan is required to be repaid through payroll deductions over a period not to exceed five years, with the exception of loans for the purchase of a primary residence which may be repaid over a period of up to 30 years. Early payoff of Participant loans is permitted by the Plan. The loan interest rate applied to Participant loans

## NOTES TO FINANCIAL STATEMENTS

is fixed on the date the loan is requested at the prime rate published in the Wall Street Journal on the last business day of the previous month plus 2%. Participant loans are limited to Participants who are active employees. At December 31, 2022, the interest rates on participant loans ranged from 5.50% to 9.00%.

Notes receivable from Participants are measured at the Participant's unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as Plan distributions in accordance with the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

*Form of Benefits*

A Participant may withdraw the total amount in his or her account upon either (i) termination of employment, (ii) reaching age 59½, (iii) disability, or (iv) death. The full value of the Participant's account may be distributed to the Participant upon retirement or permanent disability, if elected by the Participant, and is subject to income taxation upon distribution. If death occurs before termination of employment, the Participant's account is fully distributed to his or her designated beneficiary(ies). If the value of the Participant's account is less than or equal to \$5,000, the beneficiary(ies) will receive a lump sum payment of the entire account balance within a reasonable time after the Participant's death regardless of whether the beneficiary(ies) elect distribution of the benefit. If the value of the Participant's account is greater than \$5,000, the beneficiary(ies) may elect distributions from the account in a lump sum payment or installment payments and such distributions may generally begin when elected by the beneficiary(ies).

Participants may elect to have benefits distributed as soon as administratively feasible following the termination of employment. If the value of the Participant's benefit is less than or equal to \$5,000, however, a lump-sum distribution will be made within a reasonable time after the Participant terminates employment regardless of whether the Participant elects distribution of the benefit.

*Forfeitures*

Forfeitures are first applied to reduce administrative costs of the Plan. Forfeitures are then used to reduce employer contributions. Any remaining forfeitures are then allocated to Participants. Forfeitures for the years ended December 31, 2022 and 2021 were not material.

*Rollover Contributions*

Generally, when a Participant receives a qualified total distribution from another qualified plan as defined in the IRC, the Participant is permitted to rollover those funds into the Plan.

*Participant Accounts*

Each Participant account is credited with the Participant's contributions, Company matching, and Company profit sharing contributions, if any, and charged with benefit payments and fees related to notes receivable from participants and distributions and allocations of administrative expenses.

**Note 2 — Summary of Significant Accounting Policies***Basis of Presentation*

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S.GAAP").

*Administrative Expenses*

Administrative expenses consist of all expenses incidental to the administration, termination, or protection of the Plan, including, but not limited to, legal, accounting, investment manager, and trustee fees.

Certain administrative fees are incurred by Participants such as loan management fees, guided investment fund advice, and account liquidation fees as a result of early distribution penalties or due to unqualified account withdrawals or distributions. Effective August 2019, all other administrative fees to active participants changed from 100% paid by the Plan Sponsor, the Company, to 50% paid by the Company and 50% by the participant.

## NOTES TO FINANCIAL STATEMENTS

*Risks and Uncertainties*

The Plan provides for various investment options offered by the Trustee. Investment securities are exposed to various risks, such as market and credit risk. Due to the level of risk associated with certain investment securities, it is likely that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

*Use of Estimates*

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

*Payment of Benefits*

Benefits are recorded when paid.

*Valuation of Investments*

The fair value of assets is determined using various methods, which are impacted by a number of factors, including the availability of observable market data over the contractual term of the underlying assets. For some of the Plan's assets, fair value is determined based on directly observable market data or data available for similar assets in similar markets. For other assets, the fair value may be determined based on these inputs as well as other assumptions related to estimates of these assets, such as the creditworthiness of the issuer. Changes in net unrealized appreciation or depreciation are captured in the carrying value of the underlying investments in the statements of net assets available for benefits. Dividends are recorded on the ex-dividend date.

Plan investments in mutual funds are stated at fair value based upon quoted market prices. Investments in the Company's common stock fund are reported at fair value based upon the quoted market price of the shares held in the fund. Shares of common/collective trust funds are valued at net asset value, as determined by the Plan's Trustee.

*Subsequent Events*

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.

**Note 3 — Fair Value of Investments**

Fair value is defined as the price that would be received from the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Inputs utilized in determining fair value are based on a three-level valuation hierarchy that prioritizes these inputs based on the degree to which they are observable. Following is a description of the three input levels of the fair value hierarchy:

- Level 1 — unadjusted, quoted prices for identical assets or liabilities in active markets;
- Level 2 — quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, and inputs other than quoted market prices that are observable or that can be corroborated by observable market data;
- Level 3 — unobservable inputs based upon the reporting entity's internally developed assumptions that market participants would use in pricing the asset or liability.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

**FLOTEK INDUSTRIES, INC. 401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

There have been no changes in the methodologies used at December 31, 2022 and 2021. The following is a description of the valuation methodologies used for assets measured at fair value:

*Money Market*

Fair value is estimated to approximate the cost basis of the deposit account balance, based upon the liquidity of the account and the credit quality of the issuer (level 1 inputs).

*Mutual Funds*

Plan investments include mutual funds. The Company determined that valuation measurement inputs of these equity securities required no adjustment from quoted prices in the market. As such, the Plan's investment in mutual funds reflect unadjusted quoted prices from active markets. Accordingly, the Company classified these Plan investments within Level 1 of the fair value hierarchy.

*Common/Collective Trust Fund*

The Plan has investments in a common/collective trust fund composed of investment contracts that are valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the common/collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The fair values of the Plan's investments by asset class and input level within the fair value hierarchy are as follows:

| <b>At December 31, 2022</b>              | <b>Level 1</b> | <b>Level 2</b> | <b>Level 3</b> | <b>Total</b>         |

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021.

There are no participant redemption restrictions for those investments; the redemption period is applicable only to the Plan.

## NOTES TO FINANCIAL STATEMENTS

The Plan recognizes transfers between the levels as of the actual date of the event or change in circumstances that caused the transfer. There were no gross transfers between the levels for the year ended December 31, 2022.

**Note 4 — Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their accounts.

**Note 5 — Federal Income Tax Exemption**

The Plan uses a Fidelity Investments prototype 401(k) plan document which received a favorable opinion letter dated June 30, 2020, from the Internal Revenue Service ("IRS"). The Plan has been amended since the most recent opinion letter; however, the Company believes that both the Plan design and operation remain compliant with applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate Plan tax positions and recognize a tax liability (or asset) if the Plan has entered into an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Company analyzed the tax positions taken by the Plan, and concluded that as of December 31, 2022 and 2021, there were no uncertain positions taken or expected to be taken that require recognition of a liability (or asset) or disclosure in the financial statements. Additionally, the Plan has not incurred any penalties or interest on penalties by any taxing jurisdictions for any reason. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

**Note 6 — Party-in-Interest Transactions**

Certain Plan investments are in accounts managed by the Trustee which include various mutual funds and other funds. The Plan has notes receivable from certain of its Participants. Such investments would be considered party-in-interest transactions. However, investments in these funds and participant notes receivable are permitted under the provisions of the Plan and would be exempt from the prohibition of party-in-interest transactions under ERISA. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. Fees paid to Lockton Investment Advisors for investment management services were \$15,770 for the year ended December 31, 2022. Fees paid to the Trustee by the Plan for administrative services were \$6,776 for the year ended December 31, 2022.
