INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrative Committee of
Global Shop Solutions, Inc. 401(k) Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Global Shop Solutions, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits – modified cash basis as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits -modified cash basis for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Global Shop Solutions, Inc. 401(k) Plan's (the Plan) financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note A of the financial statements, which describes the basis of accounting. The financial statements were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles in the United States. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Global Shop Solutions, Inc. 401(k) Plan (the Plan) was adopted effective January 1, 1998 and restated in 2020 to establish a savings and investment plan for the exclusive benefit of the employees of Global Shop Solutions, Inc. (the Company and Plan Administrator) and their beneficiaries. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Basis of Presentation - The financial statements of the Plan are prepared under a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States (GAAP). Contributions, interest and dividend income are recognized when received. Benefit payments are recorded when paid.

Estimates - The preparation of financial statements in accordance with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan provides for several investment options which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits – modified cash basis and the statement of changes in net assets available for plan benefits – modified cash basis.

Valuation of Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In accordance with the policy of stating investments at fair value, net investment gain or loss is included in the carrying value of related investments in the statements of net assets available for plan benefits – modified cash basis and the changes in the net investment gain or loss are reflected in the statement of changes in net assets available for plan benefits – modified cash basis.

Participant Loans Receivable - Loans to participants are reported as receivables from participants at the unpaid principal balance plus any accrued unpaid interest.

Federal Income Tax - The Company adopted a non-standardized prototype profit sharing plan (the "Prototype Plan") with a deferral arrangement. The Prototype Plan received a favorable opinion letter from the Internal Revenue Service on October 6, 2020, which stated that the Prototype Plan and related trust constitutes a qualified trust under Section 401(b) of the Internal Revenue Code and is therefore, exempt from federal income taxes. The Prototype Plan has been amended since receiving the determination letter. However, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, the Plan Administrator believes the Plan was qualified and the related trust was tax-exempt as of December 31, 2022.

NOTE A BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

The Plan believes that all significant tax positions utilized by the Plan will more likely than not be sustained upon examination. As of December 31, 2022, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations are from the year 2019 forward (with limited exceptions). Tax penalties and interest, if any, would be accrued as incurred and would be classified as tax expense in the statement of changes in net assets available for plan benefits – modified cash basis.

Subsequent Events - The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued. No subsequent events occurred, which require adjustment or disclosure to the financial statements at December 31, 2022.

NOTE B PLAN DESCRIPTION

The following description of the Plan provides only general information about the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Participation - An employee is eligible to become a participant in the Plan having attained the age of 21 and after completing three months of service with entry on the first day of the month coinciding with or following the date the eligibility requirements are met.

Contributions - Participants may elect to make contributions to the Plan in an annual amount up to 90% of their compensation. Contributions are made through authorized payroll reductions. These contributions by individual employees are limited to \$20,500 in calendar year 2022. This limitation is adjusted periodically to reflect cost-of-living increases. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$6,500 for 2022.

For each Plan year, the Company may elect to contribute a matching contribution equal to a certain percentage of each participant's compensation. For 2022, the company elected to make a matching contribution amounting to 100% of each participant's deferral up to 5% of each participant's compensation.

Investments - Each participant directs the investment of their account into any of the investment options designated by the Plan Administrator.

Vesting - A participant is immediately fully vested in his/her entire account balance.

Forms of Benefits - Distributions from the Plan will generally be made in one lump-sum payment. If the amount payable is less than \$5,000, the participant's account balance may only be distributed in a lump sum payment. If the amount payable is greater than \$5,000, the participant may elect to receive a distribution of his/her account balance in a single lump-sum payment, installments over a period of time, or partial withdrawals.

GLOBAL SHOP SOLUTIONS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE B PLAN DESCRIPTION (CONTINUED)

Participant Loans - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer between the investment fund and participant loans receivable. Loan terms range from 1 to 5 years or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing rates. Interest rates on loans outstanding at December 31, 2022 ranged from 4.25% to 8.00%.

Administration - The Company, as the Plan Administrator, may, at its discretion, pay the Plan's administrative expenses. Any Plan expenses not paid by the Company will be paid by the Plan.

Plan Termination - The Company has the right under the Plan to terminate the Plan subject to provisions set forth in ERISA.

NOTE C INVESTMENTS AND CERTIFIED INFORMATION

Investments are recorded at fair value. The following table summarizes the investments of the Plan, as certified by Reliance Trust Company, as of December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Registered Investment Companies	\$ 28,103,255	\$ 34,021,436
Self-Directed Brokerage Account	<u>499,059</u>	<u>559,373</u>
	<u>\$ 28,602,314</u>	<u>\$ 34,580,809</u>

Income (loss) as certified by Reliance Trust Company for the year ended December 31, 2022 is as follows:

Net investment loss in registered investment companies	\$ (7,261,773)
Dividend income from registered investment companies	\$ 1,340,937
Net investment loss in self-directed brokerage account	\$ (58,016)
Interest income - participant loans	\$ 15,960

Reliance Trust Company also certified participant loans receivable and the information contained in the supplemental schedule of assets (held at end of year).

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE D **FAIR VALUE DISCLOSURES**

GAAP provides a framework for measuring fair value using a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value based upon whether the inputs to those valuation techniques are observable or unobservable. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical financial instruments and the lowest priority to unobservable inputs. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The financial instrument's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. These inputs are summarized in the three broad levels listed below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. All Plan investments are valued using Level 1 inputs.

Level 2 – Other significant observable inputs (including quoted prices in active or inactive markets for similar financial instruments), or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodology used during fiscal 2022 and 2021.

Registered investment companies and the self-directed brokerage account are valued at the net asset value and quoted market prices of shares held by the Plan at year end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no significant transfers in and/or out of the fair value categories during 2022 and 2021.

NOTE E **PARTY-IN-INTEREST**

The Plan invests in various funds offered by Reliance Trust Company. These investments are considered party-in-interest transactions because Reliance Trust Company serves as trustee. The Plan Administrator has approved of these investment options.

To the Administrative Committee and Management of
Global Shop Solutions, Inc. 401(k) Plan

We have audited the financial statements of Global Shop Solutions, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2022, and we will issue our report thereon dated October 13, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of modified cash basis. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with modified cash basis. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated June 27, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note A to the financial statements. No new significant accounting policies were adopted and the application of existing policies was not changed during 2022. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. To our knowledge, there were no sensitive estimates affecting the financial statements for the year ended December 31, 2022.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

The disclosure in Note A that describes the modified cash basis of accounting and the difference from generally accepted accounting principles.

The disclosure of the fair value of investments which is described in Note D to the financial statements is based on market valuations that affect plan assets on daily basis.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. No significant misstatements were detected.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 13, 2023.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Administrative Committee and management of Global Shop Solutions, Inc. 401(k) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.
