Re: Required communications between Marcum and Those Charged with Governance

In accordance with auditing standards generally accepted in the United States of America (“GAAS”), Marcum LLP (“Marcum” or the “Firm”), as auditors of MSC Cruises (USA) LLC 401(k) Plan (the “Plan”), is required to determine that certain matters related to the conduct of our audit are communicated to the body or individuals (including management) charged with governance (hereafter referred to as the “Those Charged with Governance”). GAAS requires the auditor to ensure that Those Charged with Governance receive additional information regarding the scope and results of the audit that may assist them in overseeing the financial reporting and disclosure process, for which management is responsible.

1. The Auditors’ Responsibility under U.S. Generally Accepted Auditing Standards

Marcum is responsible to communicate the auditors’ responsibilities under GAAS.

We have audited the financial statements of the MSC Cruises (USA) LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2022 and we issued our report thereon dated October 10, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (“GAAP”). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in

accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated April 13, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

2. Other Information in Documents Containing Audited Financial Statements

Our responsibility does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate any other information in documents containing our audit report. However, we are required to read the other information included in the Plan's Form 5500 as prescribed by AU-C 720, "Other Information in Documents Containing Audited Financial Statements," and to conclude whether there is any material inconsistency or material misstatement with the information presented in the Plan's financial statements. With respect to our audit of the Plan's financial statements, we are aware of no such material inconsistencies or material misstatements included in the other information contained in the documents with the audited financial statements.

3. Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you. We would be pleased to meet with you to further discuss any of the following matters at your request:

- *The allocation of responsibilities between Those Charged with Governance and management.*
- *The Plan's objectives and strategies, and the related business risks that may result in material misstatements.*

- *Matters you have identified that warrant particular attention during the audit, and any areas where you request additional procedures to be undertaken.*
- *Significant communications with regulators.*
- *Other matters you believe are relevant to the audit of the financial statements.*
- *The attitudes, awareness, and actions of Those Charged with Governance concerning (a) the Plan's internal control and its importance in the Plan, including how Those Charged With Governance oversee the effectiveness of internal control and (b) the detection or the possibility of fraud.*
- *The actions of Those Charged with Governance in response to developments in financial reporting, laws, accounting standards, corporate governance practices, and other related matters.*
- *The actions of Those Charged with Governance in response to previous communications with the auditor.*

4. Qualitative Aspects of the Plan's Significant Accounting Policies

There are no specific matters that we believe should be communicated to you. However, we would be pleased to meet with you at your convenience to discuss your significant accounting policies. Since the primary responsibility for establishing the Plan's accounting principles rests with management, such a discussion should generally include the Plan's management as a participant.

5. Management Judgments and Significant Accounting Estimates

There were no significant estimates used during the period.

6. Financial Statement Disclosures

The most sensitive disclosures affecting the Plan's financial statements was Note 4: Fair Value Measurements.

The financial statement disclosures are neutral, consistent and clear.

7. Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

8. Uncorrected and Corrected Misstatements

The previously provided adjusting entries have been recorded in the books and records have been reviewed and approved management and reflected properly in the financial statements and footnotes. There were no uncorrected adjustments.

9. Disagreements with Management

There were no such disagreements.

10. Representations Requested from Management

See the previously provided representation letter from management.

11. Management Consultations with Other Accountants

To our knowledge, no such consultations were made by management.

12. Form 5500 Procedures

In accordance with AU-C 703, we are required to obtain and read a substantially complete draft of the Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

13. Other Audit Findings or Issues

There are no other audit findings or issues.

14. Other Matters
