Dallas, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **Hossley Lighting and Power Solutions 401(k) Profit Sharing Plan (the Plan)**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 3 of the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements, related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Trustees of
Hossley Lighting and Power Solutions
401(k) Profit Sharing Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

To the Trustees of
Hossley Lighting and Power Solutions
401(k) Profit Sharing Plan

Auditor's Responsibilities for the Audit of the Financial Statements (*Continued*)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures including examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and

Supplemental Schedules Required by ERISA (Continued)

other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Notes to Financial Statements
December 31, 2022 and 2021**

NOTE 1: DESCRIPTION OF PLAN

The following description of the Hossley Lighting and Power Solutions 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 1978, as a defined contribution plan maintained for the benefit of employees of Hossley Lighting Associates, Inc., who had met the eligibility requirements as defined in the Plan agreement. In July 2020, Hossley Lighting Associates, Inc. was converted to Hossley Lighting Associates, LLC and then merged with Lighting & Power Solutions to create Hossley Lighting and Power Solutions (the Company). The Company is partially owned by Hossley Holdings, Inc. (the Employer, Plan Sponsor and Plan Administrator). Effective January 1, 2020, the Plan was amended to reflect the change in the employer from Hossley Lighting Associates, Inc. to Hossley Holdings, Inc. and reflect the change in the Plan's name from Hossley Lighting Associates, Inc. 401(k) Profit Sharing Plan to Hossley Lighting and Power Solutions 401(k) Profit Sharing Plan. The amended and restated plan is a defined contribution plan maintained for the benefit of employees of Hossley Holdings, Inc. who have met the eligibility requirements as defined in the Plan agreement. Generally, an employee is eligible to participate in the Plan on the later of the first day of the month following the date of hire or attaining age twenty-one.

The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

The Employer utilizes the services of National Benefit Services (NBS), a third-party administrator, to process investment transactions and maintain participant account balances. Nationwide Trust Company, FSB (Nationwide) is the Plan's asset custodian.

The Trustees for the Plan are responsible for the oversight of the Plan and determine the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan Sponsor's Board of Directors.

Certain duties related to administration of the Plan are performed by employees of the Plan Sponsor; however, the Plan Sponsor does not charge the Plan for the estimated cost of such services. Other expenses paid by the Plan Sponsor on behalf of the Plan totaled approximately \$56,000 for the year ended December 31, 2022.

Contributions

Participants may contribute a percentage of their annual compensation, as defined in the Plan agreement, not to exceed limitations imposed by the Internal Revenue Service (IRS). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

Notes to Financial Statements
December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF PLAN

Contributions (Continued)

The Employer may make a discretionary profit sharing match contribution allocated to each eligible participant, as defined in the Plan agreement. Employer contributions are also subject to limitations imposed by the IRS.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's matching contributions (if any) and allocations of Plan earnings, net of certain administrative expenses. Allocations are generally based on participant account balances, as specified in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested at all times in their own contributions plus actual earnings thereon. Vesting in the Employer's contributions, plus actual earnings thereon, occurs according to the following schedule.

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Investment Options

Participants may direct the investment of their contributions in one or more mutual funds offered under the Plan. Participants may change their investment options at any time.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms may range from one to five years. The loans are secured by the participant's account and bear interest equal to 1% over the prime interest rate at the time funds are borrowed. Principal and interest are paid through payroll deductions.

Forfeitures

The nonvested portion of a participant's account to which the participant is not entitled upon termination is deemed a forfeiture. Under the terms of the Plan agreement, forfeitures are used to pay Plan expenses or to reduce amounts otherwise required to be contributed to the Plan. At December 31, 2022 and 2021, the balance of forfeited accounts totaled approximately \$13,500 and \$2,300, respectively. During the year ended December 31, 2022, no forfeitures were used to reduce the Employer's contribution.

Notes to Financial Statements
December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF PLAN (Continued)

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant (or designated beneficiary) may elect to receive an amount equal to the value accumulated in his or her account in either a lump-sum amount, a partial payment or in periodic installments over a period to be selected by the participant (or beneficiary) from several options under the Plan.

For terminations of service due to other reasons, a participant may receive the value accumulated in his or her account as a lump-sum distribution or, if the account balance exceeds \$5,000 on the date of termination, may leave the account under the Plan until the participant reaches normal retirement age or dies. In-service distributions after a participant's attainment of age 59 ½ are permitted as specified in the Plan agreement.

Termination of the Plan

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly fashion between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 4 for further discussion on the determination of fair value amounts.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes realized and unrealized gains and losses on investments bought and sold, as well as those held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefits are recorded when paid. There are no amounts allocated to withdrawing participants that have not been paid at December 31, 2022 and 2021.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY PLAN CUSTODIAN

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, all information pertaining to the Plan's investments and related investment activity reflected in the financial statements and supplemental schedules was certified by the Plan's custodian, Nationwide Trust Company, FSB as of December 31, 2022 and 2021, and for the year ended December 31, 2022. This information was not subject to audit procedures except for comparing it to the related information included in the financial statements and supplemental schedules.

The following information included in the accompanying financial statements, related notes and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the Plan's custodian.

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date. |
| Level 2 | <p>Inputs other than quoted priced included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:</p> <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets• Quoted prices for identical or similar assets or liabilities in inactive markets• Inputs other than quoted prices that are observable for the asset or liability• Inputs that are derived principally from or corroborated by observable market data by correlation or other means |

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- | | |
|---------|---|
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |
|---------|---|

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Mutual Funds

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
December 31, 2022				
Mutual funds	<u>\$ 7,654,243</u>	<u>\$ 7,654,243</u>	<u>\$ -</u>	<u>\$ -</u>
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
December 31, 2021				
Mutual funds	<u>\$ 10,321,790</u>	<u>\$ 10,321,790</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 5: TAX STATUS

Effective January 1, 2020, the Plan executed an adoption agreement for the National Benefit Services, LLC Defined Contribution Pre-Approved Plan (the Prototype). As an adopter of the Prototype, the Plan is not subject to tax under present income tax law.

The Prototype obtained its latest opinion letter on March 31, 2014, in which the IRS informed National Benefit Services, LLC, that the Prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving that letter, however, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting standards require the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability or disclosure in the financial statements. The Plan may be subject to audit by the IRS; however there are currently no audits for any tax periods in progress.

NOTE 6: RISKS AND UNCERTAINTIES

The Plan's investments are exposed to various risks such as interest rate, market and credit risks. In addition, certain investment options available to Plan participants may invest in foreign securities. There are certain additional risks involved when investing in funds with underlying foreign securities that are not present with investments in domestic securities. These risks may involve foreign currency

NOTE 6: RISKS AND UNCERTAINTIES (Continued)

exchange rate fluctuations, adverse political and economic developments and the possible prevention of currency exchange due to foreign governmental laws or restrictions. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Plan's financial statements.

Market disruptions associated with the current geopolitical events have had a global impact, and uncertainty exists as to their implications. Such disruptions can adversely affect assets and thus performance of investments.

NOTE 7: SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 12, 2023, the date that the financial statements were available to be issued.
