INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
St. Mary's Home for Disabled Children, Inc.
Supplemental Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of St. Mary's Home for Disabled Children, Inc. Supplemental Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

ST. MARY'S HOME FOR DISABLED CHILDREN, INC. SUPPLEMENTAL RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the St. Mary's Home for Disabled Children, Inc. Supplemental Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of St. Mary's Home for Disabled Children, Inc. (the Organization). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants are immediately eligible to contribute to the Plan upon hire. Participants who are age 21 with one year or more of service are eligible for employer matching contributions.

Contributions: Each year, participants may contribute to the Plan up to 100% of their pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Organization provides matching contributions of 50% of participant deferrals up to 4% of their compensation, as defined by the Plan. Both participant and employer contributions are subject to limitations under applicable provisions of the Internal Revenue Code (IRC).

Participant accounts: Each participant's account is credited with the participant's contribution, the Organization's matching contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions and employer matching contributions, plus actual earnings thereon.

Notes receivable from participants: Participants may borrow directly from The Lincoln National Life Insurance Company (Lincoln Life) and use their Plan account balance (invested in the Fixed Account) as collateral for the loan, up to a maximum of two outstanding loans. The collateral must be equal to the loan, and payments on the loan are made outside of the Plan. As of December 31, 2022 and 2021, approximately \$87,000 and \$143,000 of Plan assets, respectively, were pledged as collateral for such loans made by the Plan's participants.

Participants may borrow from their fund accounts at Lincoln Financial Group Trust Company, Inc. (Lincoln Trust) up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Effective December 1, 2022, participants can no longer use their multi-fund account balance for new loans. The loans with Lincoln Trust bear interest rates ranging from 4.25% to 7.25% and 4.25% as of December 31, 2022 and 2021, respectively, with maturities through December 2027. Principal and interest are paid ratably through payroll deductions. Outstanding loans with Lincoln Trust amounted to \$21,234 and \$20,820 as of December 31, 2022 and 2021, respectively. These are included on the statements of net assets available for benefits.

Participant investment options: Participants must direct their salary deferral contributions and employer matching contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options any time throughout the year via direct phone or internet access to Lincoln Life and Lincoln Trust.

**ST. MARY'S HOME FOR DISABLED CHILDREN, INC.
SUPPLEMENTAL RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Payment of benefits: On termination of service due to death, disability, retirement, or qualifying hardship, a participant may elect, subject to approval by the employer, to receive all or part of the vested interest in their individual account. If a participant dies prior to retirement, the entire balance in the account will be paid to their beneficiary. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as soon as practicable.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates: The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, Lincoln Life and Lincoln Trust. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits: Benefits are recorded when paid.

Investment and administrative fees: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Investment related expenses are included in net depreciation in fair value of investments.

Reclassifications: Certain amounts in the prior year financial statements have been reclassified to conform to the current year presentation. These reclassifications had no effect on previously reported net assets available for benefits.

Subsequent events: Plan management has evaluated subsequent events through October 12, 2023, the date these financial statements were available to be issued. There are no subsequent events that Plan management has determined should be disclosed pursuant to the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC).

NOTES TO FINANCIAL STATEMENTS

Note 3. Information Prepared and Certified by the Certifying Entity and Custodian

The following information, included in the accompanying financial statements as of December 31, 2022 and 2021, for the year ended December 31, 2022, and the supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2022, was obtained from data that has been prepared and certified to as complete and accurate by The Lincoln National Life Insurance Company, the certifying entity of the Plan, and Lincoln Financial Group Trust Company, Inc., the Plan Custodian.

	2022	2021
Investments, at fair value	\$ 4,097,141	\$ 4,666,102
Investments, at contract value	2,283,481	2,572,232
Notes receivable from participants	21,234	20,820
Net depreciation in fair value of investments	(947,528)	n/a
Interest and dividends	116,417	n/a
Interest income on notes receivable from participants	706	n/a

Note 4. Fair Value Measurements

FASB ASC 820, *Fair Value Measurement*, provides the framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

Separate investment accounts: The separate accounts are segregated investment accounts established by Lincoln Life or Lincoln Life & Annuity Company of New York. The value of the Plan's investment in the separate investment accounts reported in the statements of net assets available for benefits is equal to the contract value. Contract value is equal to the number of participation units owned by the contract in each subaccount times the unit value of the participation units. The unit value is estimated by Lincoln Life based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of participation units outstanding, also known as net asset value (NAV). FASB ASC 820, *Fair Value Measurement*, allows the use of NAV as a practical expedient to estimate fair value.

The following table set forth by level within the fair value hierarchy the Plan's assets accounted for at fair value on a recurring basis as of December 31, 2022 and 2021.

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,667,580	\$ -	\$ -	\$ 1,667,580
Total assets in the fair value hierarchy	\$ 1,667,580	\$ -	\$ -	\$ 1,667,580
Investments measured at NAV (a)				2,429,561
Investments, at fair value				\$ 4,097,141

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,302,933	\$ -	\$ -	\$ 2,302,933
Total assets in the fair value hierarchy	\$ 2,302,933	\$ -	\$ -	\$ 2,302,933
Investments measured at NAV (a)				2,363,169
Investments, at fair value				\$ 4,666,102

(a) Certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 4. Fair Value Measurements (Continued)

The following tables summarize investments based on the NAV per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment Measured Using the NAV per Share as a Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022 and 2021.

	Fair Value December 31, 2022	Fair Value December 31, 2021	Unfunded Commitments	Redemption Frequency (if currently eligib	Redemption Notice Period
Pooled separate accounts	\$ 2,429,561	\$ 2,363,169	N/A	Daily	None

Note 5. Fully Benefit-Responsive Investment Contracts

Insurance Company Fixed Accounts

The Plan has entered into a guaranteed investment contract with Lincoln Life totaling \$2,208,529 and \$2,514,547 at December 31, 2022 and 2021, respectively. The Plan has also entered into a stable value account contract with Lincoln Trust totaling \$74,952 and \$57,685 at December 31, 2022 and 2021, respectively. Lincoln Life and Lincoln Trust maintain the contributions in fixed accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract and the stable value account issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The contracts meet the fully benefit-responsive contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Lincoln Life and Lincoln Trust, represent contributions made under the contract, plus earnings, less participant withdrawal, and administrative expenses. The guaranteed investment contract and the stable value account are presented on the face of the statements of net assets available for benefits at contract value, as reported to the Plan by Lincoln Life and Lincoln Trust.

Certain events limit the ability of the Plan to transact at contract value with Lincoln Life and Lincoln Trust. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the Trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

**ST. MARY'S HOME FOR DISABLED CHILDREN, INC.
SUPPLEMENTAL RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

Note 5. Fully Benefit-Responsive Investment Contracts (Continued)

In addition, certain events allow the issuers to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (1) an uncured breach of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuers.

There are no reserves against contract value for credit risk of the contract issuers or otherwise. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%. The crediting rate is reviewed on a quarterly basis for resetting.

The Plan's ability to receive amounts due is dependent on the issuers' ability to meet its financial obligations. The issuers' ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Note 6. Related Party Transactions and Party-In-Interest Transactions

Certain Plan investments are managed by Lincoln Life and Lincoln Trust. Lincoln Life and Lincoln Trust are the certifying entity and Custodian, respectively, for the Plan and, therefore, these transactions qualify as party-in-interest transactions as defined by ERISA. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of investments, as they are paid through revenue sharing rather than as direct payments. As described in Note 2, the Plan made direct payments to the certifying entity, Custodian and other parties-in-interest in the amount of \$36,539 and \$37,076 for the year ended December 31, 2022 and 2021, respectively, which were not covered by revenue sharing. The Organization pays directly any other fees related to the Plan's operations.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

Note 9. Tax Status

The Plan has adopted a volume submitter plan sponsored by the Organization. The volume submitter plan provider has received an advisory letter from the Internal Revenue Service, dated March 31, 2017, as to the volume submitter plan's qualified status. The volume submitter plan advisory letter has been relied upon by the Plan. The Plan has been amended since the advisory letter was issued. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
