REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Teamsters Local Union No. 727
Trade Show 401(k) Plan

Opinion

We have audited the financial statements of Teamsters Local Union No. 727 Trade Show 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence that we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter - 2021 Financial Statements

The financial statements of Teamsters Local Union No. 727 Trade Show 401(k) Plan as of and for the year ended December 31, 2021, were audited by other auditors whose report dated October 13, 2022, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements (continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibility for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of financial statements; and
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditors' Responsibility for the Audit of Financial Statements (continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

TEAMSTERS LOCAL UNION NO. 727
TRADE SHOW 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF THE PLAN

Teamsters Local Union No. 727 Trade Show 401(k) Plan (the Plan) is a multiemployer defined contribution retirement plan established July 1, 2019 pursuant to collective bargaining agreements between Teamsters Local Union No. 727 (the Union) and participating employers in the Trade Show Industry to provide benefits for eligible participants upon termination or retirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

Individuals become a participant in the Plan after performing one hour of work for an eligible participating employer in the Trade Show Industry.

Participants may elect to contribute pre-tax contributions up to a maximum of 90% of annual compensation, as defined by the Plan, subject to IRC limitations. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. As described in Note 2, certain employers make non-elective contributions on behalf of participants. Rollover contributions from other qualified retirement plans are also permitted.

Contributions to the Plan are invested as directed by the participants in various investment options. In the absence of participant direction, contributions are invested in a qualified default investment alternative account. Participants must evaluate their own investment goals and objectives and choose the investments best suited to achieve those goals and objectives. Poor investment performance by the investment options selected by the participants may cause their account balance to be lower than contributions made to the Plan.

Individual accounts are maintained for each participant. Participant accounts are credited with the participant's contribution, the employer's contribution, if any, as well as allocations of investment earnings or losses and administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants are immediately fully vested in their elected deferrals, rollovers and the earnings thereon. Participants become fully vested in employer contributions after one year of service. One year of service is earned when a participant completes 200 hours of work in covered employment during a plan year.

In accordance with specific provisions of the Plan, upon termination of service due to death, disability, retirement or termination of employment, a participant (or beneficiary, in the case of death) will receive the entire vested interest in the participant's account balance.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Included in net assets available for benefits are forfeited nonvested accounts of \$378 and \$283 as of December 31, 2022 and 2021, respectively. Forfeited nonvested accounts may be used to reduce Plan administrative expenses or distributed among participants working in covered employment. For the years ended December 31, 2022 and 2021, no amounts were used from forfeited nonvested accounts.

Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting.

Investments - The investments of the Plan are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan. For all other investments, the fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of investments are reflected on a trade-date basis.

Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Contributions Receivable - Contributions due but not yet received at year end are recorded as contributions receivable. Employer contributions and any late fees due as determined by payroll compliance audits are recorded as income when determined to be collectible. An allowance for uncollectible amounts is considered unnecessary and has not been provided.

Property and Equipment - Property and equipment are recorded at cost. Major additions are capitalized while replacements, maintenance and repairs which do not improve or extend the lives of the respective assets are expensed currently. Depreciation is computed by the straight-line method over the estimated useful lives of five years.

Revenue Recognition – Employers make non-elective contributions to the Plan as determined by the collective bargaining agreements between the employers and the union. These contributions are made as required for employers' subject to the terms of the collective bargaining agreements and are based on the number of hours worked in covered employment. Revenue derived from non-elective employer contributions is recognized in the period in which covered work in performed. The Plan carries out its purpose described in Note 1 within a jurisdiction primarily located in Chicago and surrounding areas in Illinois.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits - Benefit payments to participants are recorded upon distribution. There were no participants who elected to withdrawal from the Plan but were not yet paid at either December 31, 2022 and 2021.

Expenses - Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Reclassifications - Certain reclassifications have been made to prior year amounts to conform to the current year presentation.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through October 12, 2023, which is the date the financial statements were available to be issued.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants and their beneficiaries, except that provision may be made for the payment of necessary expenses resulting from the termination of the Plan. In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

NOTE 4. TAX STATUS

The Plan obtained its determination letter, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of Section 401(a) of the Internal Service Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The following provides a description of the three levels of the fair value hierarchy.

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The Plan's investments in mutual funds are classified within Level 1 of the fair value measurement hierarchy. The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value on the last business day of each period presented.

NOTE 6. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a traditional benefit-responsive group annuity contract with Prudential Retirement Insurance and Annuity Company. Prudential Retirement Insurance and Annuity Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The average yield and crediting interest rates ranged from 2.05% to 2.15% for the years ended December 31, 2022 and 2021.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Prudential Retirement Insurance and Annuity Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 6. INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value. Such events include but may not be limited to the following: (1) temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the Plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the Plan sponsor's business; (5) removal from the Plan of one or more groups or classifications of participants; (6) partial or complete Plan termination; or (7) Plan disqualification. Plan administration believes the occurrence of such events that would limit the Plan's ability to transact at contract value is not probable.

NOTE 7. PROPERTY AND EQUIPMENT

Property and equipment at December 31, 2022 and 2021 consisted of the following:

	<u>2022</u>	<u>2021</u>
Computer software	\$ 8,500	\$ 8,500
Less accumulated depreciation	<u>(5,292)</u>	<u>(3,592)</u>
Net property and equipment	<u>\$ 3,208</u>	<u>\$ 4,908</u>

Depreciation expense was \$1,700 for each of the years ended December 31, 2022 and 2021.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9. RELATED ORGANIZATIONS

Identification of Related Organizations

The Plan is related to several organizations including a local union, a health and welfare plan, a pension plan, and legal and education assistance fund and a labor management committee.

NOTE 9. RELATED ORGANIZATIONS (CONTINUED)

Shared Administrative Expenses

The Plan shares office facilities with the health and welfare fund. Office rent and related expenses are initially paid by the health and welfare fund and reimbursed by the Plan on a quarterly basis. During the years ended December 31, 2022 and 2021, the Plan reimbursed the health and welfare fund \$12,108 and \$10,730 respectively for office rent and related expenses. At December 31, 2022 and 2021, the Plan owed the health and welfare fund \$22,839 and \$23,744 respectively, for shared office rent and related expenses.

The Plan shares employees with the pension plan. Salaries, employee benefits and payroll taxes are initially paid by the pension plan and reimbursed by the Plan on a quarterly basis. During the years ended December 31, 2022 and 2021, the Plan reimbursed the pension plan \$25,605 and \$25,704 respectively for shared employees and related expenses. At December 31, 2022 and 2021, the Plan owed the pension plan \$13,034 and \$81,809 respectively, for shared employees and related expenses.

NOTE 10. FUNDING POLICY

Participating employers contribute such amounts as specified in their collective bargaining agreements. During the years ended December 31, 2022 and 2021, employers were required to contribute primarily at an hourly rate of \$9.75 and \$8.50, respectively.

A portion of employer contributions is earmarked for the payment of administrative expenses incurred by the Plan, equal to \$0.50 per hour during the years ended December 31, 2022 and 2021. For the years ended December 31, 2022 and 2021, a total of \$303,762 and \$101,500 respectively, of administrative fee income was received. Amounts held in the Plan's operating cash account include funds that are available to pay administrative expenses. Net assets available for benefits at December 31, 2022 and 2021 include unallocated accounts of \$221,278 and \$104,431 respectively, which are available to pay administrative costs of the Plan.

NOTE 11. MAJOR EMPLOYERS

Contributions from two employers accounted for approximately 45% and 38% of employer contributions to the Plan for the years ended December 31, 2022 and 2021, respectively.

NOTE 12. CORONAVIRUS-RELATED DISTRIBUTION REPAYMENTS

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law. The CARES Act allowed individuals to withdraw Coronavirus-Related Distributions (CRD's) of up to \$100,000 in aggregate from their eligible retirement plans without paying the ten percent early distribution penalty tax. The CRD's had to have been made on or after January 1, 2020 and before December 31, 2020. Eligible participants who took CRD's in 2020 have three years, beginning on the day following the date they received the CRD, to repay the distribution to the Plan. Participants repaid \$22,500 in CRD's for each of the years ended December 31, 2022 and 2021.
