Independent Auditor's Report

To the Plan Administrator and Participants of
The Union League Club 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Union League Club 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The 2022 financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and December 31, 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2022 and December 31, 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, - Part IV, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 – Description of Plan

The following description of The Union League Club 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established on January 1, 1998. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). All employees of The Union League Club (the “Club”), who have completed 90 days of service and are age 21 or older are eligible to participate in the Plan.

Contributions

Each year, participants may contribute up to 100% of their pre-tax annual compensation, subject to certain limitations set by the Internal Revenue Code (“IRC”). No after-tax contributions may be made to this Plan. The Club, at its discretion, may match the participants’ contribution. During 2022 and 2021, the Club matched the participants’ contribution in an amount equal to 25% of 6% of the total pre-tax annual compensation. In connection with the freezing of the Club’s defined benefit plan effective July 31, 2006, the Club has made additional discretionary contributions to this Plan based upon compensation levels and length of service. For 2022, the Club made a discretionary contribution of approximately \$91,000. Employees who become eligible to participate in the Plan are automatically enrolled to contribute 4% of compensation upon being hired unless they affirmatively elect not to participate in the Plan.

Investment options

Each participant may direct their investment accounts into available investment options. The assets of the Plan are allocated to the applicable funds at the direction of the participant.

Participant accounts

Each participant’s account is credited with the (a) participant’s contribution, (b) allocations of the Club’s contribution, if any, and (c) Plan earnings net of an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions and earnings thereon. Participants are 100% vested in the Club’s matching contributions and actual earnings thereon. Participants have a 3-year cliff schedule to vest for discretionary employer contributions.

Forfeitures

Forfeitures of non-vested discretionary employer contributions may be used to decrease future Club contributions.

401(k) PLAN

Notes to Financial Statements (continued)

Note 1 – Description of Plan (continued)

Notes receivable from participants

Under the terms of the Plan, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lower of \$50,000 or 50% of their vested account balance. The loans bear interest at rates commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions over no longer than a five-year period. Participants are limited to five outstanding loans at a time.

Payment of benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in (a) a lump-sum amount or (b) installments. For termination of services due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Distributions are made as soon as practicable after the first valuation date after termination.

Plan termination

Although it has not expressed any intent to do so, the Club has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested.

Note 2 – Summary of significant accounting policies

Basis of accounting

The Plan's financial statements are prepared on the accrual basis of accounting, except for benefits paid which are recorded on a cash basis.

Investment valuation and income recognition

The Plan's investments are stated at fair value.

Realized and unrealized gains and losses from the assets in each account are credited to or charged against each participant's account.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return, net for such investments.

THE UNION LEAGUE CLUB
401(k) PLAN

Notes to Financial Statements (continued)
December 31, 2022

Note 2 – Summary of significant accounting policies (continued)

Administrative expenses

General administrative expenses of the Plan are primarily paid by the Club and are not reflected in the accompanying financial statements. Certain other transaction-related participant expenses, such as those associated with loan maintenance and administration, are paid by the Plan and are included in the accompanying financial statements.

Certain administrative functions are performed by officers or employees of the Club. No such officers or employees receive compensation from the Plan.

Risks and uncertainties

The Plan's investments are exposed to various risks such as interest rate, market, credit and liquidity risks. Due to the level of risk associated with these investments, it is reasonably possible that changes in the values of these investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits at December 31, 2022. The Plan's investments are not insured or protected by the Pension Benefit Guaranty Corporation, or any other governmental agency, accordingly, the Plan is subject to the normal investment risks associated with pooled separate accounts and mutual funds. Any defaults on notes receivable from participants are treated as taxable distributions to the participants.

Contributions

Contributions from participants are recorded as they are withheld from the participants' wages.

Payment of benefits

Benefit payments to participants or their beneficiaries are recorded when paid.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 or December 31, 2021.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from these estimates.

Note 2 – Summary of significant accounting policies (continued)

SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

Subsequent events

The Plan has evaluated events and transactions for potential recognition or disclosure through October 10, 2023, which is the date of the financial statements were available to be issued.

Note 3 – Investments

Fair value measurements

Fair value refers to the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The fair value hierarchy gives the highest priority to quoted market prices in active markets and the lowest priority to unobservable data. Fair value measurements are required to be separately disclosed by level within the fair value hierarchy. The three levels of inputs used to measure fair value are as follows:

- Level 1 – Unadjusted quoted prices in active markets for identical assets.
- Level 2 – Quoted prices for identical assets in markets that are not active, quoted prices for similar assets in active markets, inputs other than quoted market prices, and inputs derived principally from observable market data.
- Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

THE UNION LEAGUE CLUB
401(k) PLAN

Notes to Financial Statements (continued)

Note 3 – Investments (continued)

Fair value measurements (continued)

The following tables set forth the Plan's investment assets at fair value on December 31, 2022 and December 31, 2021 by level within the fair value hierarchy:

U.S. Property separate account measured at net asset value				<u>50,566</u>
Total investments at fair value				<u>\$8,517,870</u>

Pooled separate accounts

The value of each pooled separate account is determined at the close of each business day based on the market value of the respective investments. The value of each account is expressed in "units". The "unit value" is the dollar value of one unit and is determined at the close of each business day by dividing the total market value of each account by the total number of units in the account. The value of each participant's account on any date is determined by multiplying the number of units held by the "unit value" at the close of the business day.

**THE UNION LEAGUE CLUB
401(k) PLAN**

**Notes to Financial Statements (continued)
December 31, 2022**

Note 3 – Investments (continued)

Mutual funds

The Plan's investments in mutual funds are stated at fair value based on the quoted market prices of the underlying securities within each fund. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price.

Valuation technique for U.S. Property separate account

The Principal U.S. Property separate account invests in United States real estate. Each owned property is appraised by a qualified external appraisal company once annually, with appraisals on various properties spread throughout the year. Principal Real Estate Investors uses a valuation consultant to coordinate the annual appraisal process; however, all appraisals are ultimately reviewed and approved by the Principal Real Estate Investors' Chief Appraiser.

On a monthly basis, real estate property values are updated and are reconciled and reviewed by Principal Real Estate Investors' Controller and Chief Appraiser for the Principal U.S. Property separate account against the monthly valuation appraisal reports received from the Valuation Consultant. Quarterly, activity is reconciled to the general ledger by the Principal Real Estate Investors' Controller. On an annual basis, the Principal U.S. Property separate account has a financial statement audit performed by a public accounting firm. For the Principal U.S. Property separate account, there are no unfunded commitments, the redemption frequency is one transfer every 30 days with certain limitations and there is a 30 day redemption notice period as further described in the investment agreement.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There have been no changes in the methodologies used at December 31, 2022 and December 31, 2021.

Note 4 – Information certified by the Plan's Trustees

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Life Insurance Company and Principal Trust Company, the Trustees of the Plan, have certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and December 31, 2021 and the supplemental Schedule of Assets (Held at End of Year) (Schedule H – Part IV - Line 4(i) at December 31, 2022; and the related investment return reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

**THE UNION LEAGUE CLUB

**Notes to Financial Statements (continued)

Note 5 – Party-in-interest transactions

Plan investments are shares of pooled separate accounts and mutual funds managed by Principal Life Insurance Company and Principal Trust Company. Principal Life Insurance Company and Principal Trust Company are the Trustees as defined by the Plan, and, therefore, those transactions qualify as party-in-interest.

Trustee, advisory and similar type fees and administrative fees related to the administration of the Plan were paid by the Plan or by the Club. These transactions also qualify as party-in-interest transactions.

Note 6 – Tax status

The Internal Revenue Service has determined and informed the Plan by the letter dated November 29, 2005, that the Plan is designed, in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified.
