To the Executive Committee and the Retirement Plan Committee of the
Buckingham, Doolittle & Burroughs, LLC 401(k) Profit Sharing Plan and Trust
Akron, OH

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Buckingham, Doolittle & Burroughs, LLC 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Buckingham, Doolittle & Burroughs, LLC 401(k) Profit Sharing Plan and Trust financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Buckingham, Doolittle & Burroughs, LLC 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Buckingham, Doolittle & Burroughs, LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Buckingham, Doolittle & Burroughs, LLC 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Buckingham, Doolittle & Burroughs, LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to the Financial Statements
December 31, 2022 and 2021

A. PLAN DESCRIPTION

The following description of the Buckingham, Doolittle & Burroughs, LLC (the "Firm") 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering substantially all employees of the Firm. Participants become eligible to participate in the Plan in accordance with Plan provisions immediately upon hiring. Participants are eligible to receive employer matching contributions and profit-sharing contributions on the first day of the month after completing one year of service. Eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions - Participants may elect to contribute up to 90% of their gross earnings directly to the Plan subject to limitations in the Internal Revenue Code ("IRC") on a pre-tax or post-tax ("Roth") basis. Participants may elect to contribute after-tax contributions up to 10% of their gross earnings directly to the Plan subject to limitations in the IRC. The Plan allows for discretionary non-elective contributions. Profit-sharing contributions in the amount of \$648,000 and \$600,000 were declared to the Plan for the years ended December 31, 2022 and 2021, respectively.

Participant Accounts - Each participant's account is credited with the participant's contribution, the computed Firm contribution and Plan earnings, and is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may direct their contributions to any of the investment options offered by the Plan. Participants may change their allocation of contributions or transfer money between investment options at any time during the year.

Vesting - Participants vest automatically in their contributions. Participants begin vesting in Firm contributions in increments of 20% beginning in year two. Participants are fully vested in Firm contributions after six years of credited service, upon death, total and permanent disability, or upon reaching age 65.

Payment of Benefits - Upon termination of service, a participant may elect to receive either a lump-sum or periodic installment amount equal to the value of the participant's vested interest. If the participant's account balance is less than \$5,000, the participant may make an election to take a cash distribution or rollover their account into another employer plan or individual retirement account ("IRA"). If the terminated participant's account balance is less than \$1,000, the Plan Administrator may direct the trustee to make a lump-sum distribution of the account balance. Participants terminated for reasons other than death, disability, or retirement are entitled to receive their vested benefits as soon as administratively feasible.

Distributions of a participant's 401(k) account balance may be authorized at any time by the Plan Administrator for in-service distributions to participants who have attained age 59½.

Financial Hardship Withdrawals - Financial hardship withdrawals of participant's voluntary deferral contributions are permitted in specialized circumstances of immediate and heavy financial need.

Buckingham, Doolittle & Burroughs, LLC
401(k) Profit Sharing Plan and Trust
Notes to the Financial Statements
December 31, 2022 and 2021

Forfeited Accounts - Forfeited balances of terminated participants' non-vested accounts are used to reduce future employer contributions and certain Plan expenses. The balance of forfeitures of participants non-vested employer contributions was \$4,851 and \$16,362 as of December 31, 2022 and 2021, respectively. Forfeitures in the amount of \$15,000 and \$38,000 were used to reduce employer profit-sharing contributions during the years ended December 31, 2022 and 2021, respectively.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America, requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability to an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investments advisors, custodian, and trustee. See Note D for discussion of fair value instruments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions upon the terms of the plan document. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Plan pays substantially all Plan expenses. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net depreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

C. INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected to restrict the scope of the auditor's examination with regard to statements or information prepared and certified by Fidelity Management Trust Company ("Fidelity"), the trustee of the Plan.

Buckingham, Doolittle & Burroughs, LLC
401(k) Profit Sharing Plan and Trust
Notes to the Financial Statements
December 31, 2022 and 2021

Fidelity has certified as to the completeness and accuracy of the investments it holds and changes in net assets arising from said investment activity as of December 31, 2022 and 2021, and for the year ended December 31, 2022.

Fidelity has certified as to the completeness and accuracy of the schedule of assets (held at end of year) as of December 31, 2022.

D. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The levels of the fair value hierarchy under the Financial Accounting Standards Board ("FASB") guidance in these financial statements are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Account - The value of the account, as provided by the brokerage firm, is determined using external sources. Equities, corporate bonds, exchange-traded funds, and mutual funds are valued at the closing price reported on the active market on which the individual securities are traded. Money market accounts are valued based on a market approach using quoted market values.

Buckingham, Doolittle & Burroughs, LLC
401(k) Profit Sharing Plan and Trust
Notes to the Financial Statements
December 31, 2022 and 2021

Common Collective Trusts (“CCT”) - Valued at the NAV of units of a collective investment trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Generational funds - The participant directed funds are valued at the NAV of the units held by the Plan at year end. The NAV, as provided by the trustees, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There are no unfunded commitments or significant restrictions on redemptions relating to these investments. Redemption frequency of these investments are daily. The investment objective of the underlying investments is to seek a high total return under normal market conditions based on the fund’s target retirement date.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of:

	December 31, 2022	
	Level 1	Total
Mutual funds	\$ 24,784,220	\$ 24,784,220
Self-directed brokerage account	4,330,655	4,330,655

Investments measured at net asset value ^(a)	-	22,054,527
Investments at fair value	<u>\$ 29,114,875</u>	<u>\$ 51,169,402</u>

	December 31, 2021	
	Level 1	Total
Mutual funds	\$ 33,406,484	\$ 33,406,484
Self-directed brokerage account	4,976,595	4,976,595

Investments measured at net asset value ^(a)	-	28,689,288
Investments at fair value	<u>\$ 38,383,079</u>	<u>\$ 67,072,367</u>

^(a) In accordance with the FASB Accounting Standards Codification Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliations of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

E. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity. Fidelity is the trustee and record-keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions as defined by ERISA. Such transactions are permitted under the provision of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. In 2022, administrative expenses paid to Fidelity were \$27,907. Loans to participants are also considered party-in-interest transactions as such participants are employed by the Plan Sponsor.

During 2022, the Plan paid audit fees of \$13,000 to Apple Growth Partners, the Plan auditor, and paid \$70,704 of fees to CBIZ Investment Advisory Services, the Plan's investment advisor.

F. PLAN TERMINATION

Although the Firm has not expressed any intent to do so, the Firm has the right under the Plan to discontinue contributions to the Plan at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

G. FEDERAL INCOME TAX STATUS

The Plan has adopted a pre-approved defined contribution plan provided by Fidelity. Fidelity has received an opinion letter, dated June 30, 2020, from the IRS.

The opinion letter states that the pre-approved plan is acceptable under Section 401 of the Internal Revenue Code ("IRC") for use by employers for the benefit of their employees. Subsequently, the Plan has been amended. However, the Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC and that the Plan was qualified, and the related trust was tax exempt as of the financial statement date. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Notes to the Financial Statements
December 31, 2022 and 2021

Accounting principles generally accepted in the United States of America, require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

H. PLAN AMENDMENTS

On May 26, 2021, the Plan adopted the restated Fidelity pre-approved plan document which included an amendment for hardship distribution provisions of the Bipartisan Budget Act of 2018.

I. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 13, 2023, the date that the Plan's annual financial statements were available to be issued.
