INDEPENDENT AUDITOR'S REPORT

Plan Administrator
American Waste Control, Inc. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the American Waste Control, Inc. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment

information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held (At End of Year) and Schedule of Reportable Transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A. DESCRIPTION OF PLAN

The following description of the American Waste Control, Inc. Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all full-time employees of American Waste Control, Inc., American Environmental Landfill, Inc. and Tulsa Recycle and Transfer, Inc. (together, the Employer) who have a minimum of one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is an adopted agreement between the Employer and Bank of Oklahoma, N.A. (the Trustee), under a non-standardized prototype profit sharing plan.

Contributions - Each year, the Employer may make a discretionary nonelective contribution to the Plan. The contributions are allocated pro rata as a uniform percentage of compensation. To be eligible to receive the contribution, participants must be 21 years of age and have completed one year of service, as defined by the Plan. Prior to January 1, 2017, participants were not allowed to contribute to the Plan. Effective January 1, 2017, the Plan provides for employee contributions from 1% up to 100% of eligible compensation as defined in the Plan's adoption agreement, not to exceed the maximum allowable under the Internal Revenue Code.

Effective December 1, 2021, the Plan was amended to allow for a safe-harbor contribution for the plan year ended December 31, 2021 of 3% of each participants' eligible compensation.

Effective January 1, 2022, the Plan was restated to allow for safe harbor contributions. Under the new adoption agreement, the Employer will match 100% of each participant's contribution up to 3% of eligible compensation and 50% of the participant's contribution up to 5% of eligible compensation. The maximum amount of safe harbor matching contributions a participant will receive is 4% of eligible compensation.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of the Employer's contribution and Plan earnings, and charged with an allocation of administrative expenses. Allocations of earnings and expenses on are based on account balances, as defined by the Plan. Each participant has the option of directing their deferral contributions into any of the investment options and may change the allocation daily. All Employer contributions are invested in the American Waste Control Profit Sharing Managed Fund (Fund), which is managed by the Trustee and is comprised of investments selected by the plan administrator. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are vested immediately in their elective contributions and safe-harbor contributions plus actual earnings thereon. Participants are vested in all other Employer contributions over a 6-year graded schedule. Participants are 100% vested in the Employer's contribution after six years of credited service. Participants automatically become 100% vested upon reaching normal retirement age, disability or death.

A. DESCRIPTION OF PLAN (continued)

Forfeited Accounts – Forfeited amounts from benefits paid to participants from non-fully vested accounts are transferred to an unallocated forfeitures account to be used to reduce future Employer contributions or used to pay Plan expenses, at the discretion of the plan sponsor. Amounts forfeited from participants totaled \$11,585 during the year ended December 31, 2022. The Plan utilized \$10,475 of previously forfeited amounts to pay administrative expenses and reduce Employer contributions during the year ended December 31, 2022. At December 31, 2022 the Plan had forfeitures available of \$2,339 to reduce Employer contributions or pay administrative expenses.

Payment of Benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan allows in-service distributions for eligible participants.

Plan Termination – Although it has not expressed an intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

B. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes D and E for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Employer's Contribution Receivable

The employer's contribution receivable represents the Employer's profit sharing or safe harbor contribution to the Plan for the years ended December 31, 2022 and 2021. Under applicable tax laws, the Employer has until the extended due date of the Employer's federal tax return to make the contribution.

B. SUMMARY OF ACCOUNTING POLICIES (continued)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses may be paid by the Employer or the Plan, at the Employer's discretion. Investment-related expenses are included in net appreciation in fair value of investments.

C. INFORMATION CERTIFIED BY TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments as shown on the statements of net assets available for benefits as of December 31, 2022 and 2021;
- Net investment activity as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022;
- Investment information included in the footnotes and supplemental schedules as of December 31, 2022 and 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

D. FAIR VALUE MEASUREMENTS

Accounting Standards Codification Topic 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

Level 1 Fair Value Measurements

Fair values are based on quoted market prices in active markets for identical issues that the plan has the ability to access at the measurement date. The Plan's Level 1 investments include interest-bearing cash and mutual funds.

AMERICAN WASTE CONTROL INC. PROFIT SHARING PLAN**NOTES TO FINANCIAL STATEMENTS**December 31, 2022 and 2021

D. FAIR VALUE MEASUREMENTS (continued)*Level 2 Fair Value Measurements*

Fair values are based on inputs other than quoted market prices included within Level 1 that are observable for valuing the asset, either directly or indirectly. Observable inputs include quoted prices for similar assets in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs. The Plan holds no Level 2 investments.

Level 3 Fair Value Measurements

Fair values are based on unobservable inputs used for valuing the asset. Unobservable inputs are those that reflect the Plan's own assumptions about assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances. The Plan holds no Level 3 investments.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits as follows:

<u>Investment Category</u>	<u>Fair Value</u>	<u>Level 1 Inputs</u>	<u>Level 2 Inputs</u>	<u>Level 3 Inputs</u>

E. INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The Plan's investments in the pooled equity fund and common/collective trusts are stated at fair value as determined by the issuer of pooled equity fund and common/collective trusts based on the fair market value of the underlying investments, which are valued at net asset value (NAV) as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the NAV. There have been no changes in the methodologies used at December 31, 2021. Participant transactions (purchases and sales) may occur daily.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021:

Investment Category	Fair Value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
December 31, 2022:				
Pooled equity fund	\$ 3,066,639	n/a	Daily	n/a
Collective trusts	\$ 882,269	n/a	Daily	n/a
December 31, 2021:				
Pooled equity fund	\$ 3,334,502	n/a	Daily	n/a
Collective trusts	\$ 698,777	n/a	Daily	n/a

F. TAX STATUS

The Plan operates under a standardized adoption agreement in connection with a prototype profit-sharing plan and trust sponsored by the Trustee. This prototype plan document has been filed with the appropriate agency and has obtained an opinion letter dated March 31, 2008, from the Internal Revenue Service stating that the prototype constitutes a qualified plan under Section 401 of the Internal Revenue Code and that the related trust was tax-exempt as of this date. The Plan has been amended since the prototype plan received the opinion letter. However, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and the Plan was qualified and the related trust was tax-exempt as of the financial statement date. With a few exceptions, the Plan is no longer subject to U.S. federal income tax examinations by tax authorities for years before 2019.

G. PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

The Plan incurs expenses related to general administration, record keeping and trust administration. These expenses and certain accounting and auditing fees related to the Plan are paid by the Employer. The Employer does not expect reimbursement from the Plan for these services. Certain administrative functions are performed by officers and employees of the Employer. No officer or employee receives compensation from the Plan for these services.

Certain Plan investments are held in funds of the Plan's Trustee. Therefore, these transactions qualify as party-in-interest transactions. The Plan paid \$6,152 of recordkeeping fees to the Trustee during the year ended December 31, 2022. Fees paid by the Plan for investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than a direct payment.

H. NONPARTICIPANT-DIRECTED INVESTMENTS

Information about the net assets and the significant components of nonparticipant-directed investments is as follows:

	2022	2021
Nonparticipant-directed investments (at fair value):		
Pooled equity fund	\$ 3,066,639	\$ 3,334,502
Cash, interest bearing	20,769	5,319
	<u>\$ 3,087,408</u>	<u>\$ 3,339,821</u>

The following schedule shows the activity of non-participant directed investments during the year ended December 31, 2022:

Changes in value of nonparticipant-directed investments:

Net depreciation in fair value of investments	\$ (422,767)
Employer contributions received in current year	371,581
Benefits paid to participants	(198,906)
Administrative expenses	<u>(2,321)</u>
Total change in value of nonparticipant-directed investments	<u>\$ (252,413)</u>

I. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant balances and the amounts reported on the statements of net assets available for benefits.

Rising inflation and international military conflicts have led to volatility in financial markets and have affected, and may continue to affect, the market price of the Plan's assets. The potential economic impact brought by, and the duration of these events is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

J. SUBSEQUENT EVENTS

Subsequent events have been evaluated through the date of the independent auditor's report, which is the date the financial statements were available to be issued.
