INDEPENDENT AUDITOR'S REPORT

To the Participants and Trustees of the
Plumbers and Steamfitters Local 72 Defined Contribution Fund

Opinion on the 2022 Financial Statements

We have audited the financial statements of the Plumbers and Steamfitters Local 72 Defined Contribution Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plumbers and Steamfitters Local 72 Defined Contribution Fund as of December 31, 2022, and changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Plumbers and Steamfitters Local 72 Defined Contribution Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt Plumbers and Steamfitters Local 72 Defined Contribution Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditors report on the 2021 financial statements

The financial statements of the Plan as of and for the year ended December 31, 2021 were audited by other auditors whose report dated October 14, 2022, expressed an unmodified opinion on those statements.

Report on 2022 Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year, referred to as “supplemental information,” is presented for the purpose of additional analysis and is not a required part of the financial statements. The supplemental Schedule of Assets Held at End of year supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF PLAN

The following brief description of the Plumbers and Steamfitters Local 72 Defined Contribution Fund (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plumbers and Steamfitters Local 72 Defined Contribution Fund is a multi-employer defined contribution plan established August 1, 2001 for employees covered by collective bargaining agreements with Local Union No. 72 of Atlanta, Georgia, of the United Association of Journeymen and Apprentices of the Plumbers and Pipefitting Industry of the United States and Canada (the Union).

Participants in the Plan are fully vested in contributions made for their account by the respective employers. Employer contributions to the plan are based on the number of hours a participant works in covered employment.

The Trustees of the Plan are required to establish and maintain a separate account for each participant. One America Financial Partners was appointed Trustee of the Plan. Contributions to the Plan are invested as directed by the participants in various funds. Participants must evaluate their own investment goals and objectives and chose the funds best suited to achieve those goals and objectives. Poor investment performance by the funds selected by the participants may cause their vested balances to be lower than the amounts contributed to the Plan on their behalf.

The Plan allows for rollover contributions into the Plan for other qualified Plans, provided that the trust from which such funds are transferred permits the transfer to be made and the transfer will not jeopardize the tax exempt status of the Plan. Rollover contributions are segregated within the participant's account and are fully vested at all times.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The financial statements are prepared using the accrual basis of accounting. Employer contributions are accounted for as exchange transactions.

Investments - Investments in mutual funds are carried at fair value, which represents the net asset value of the funds as of the last business day of the year. The investment in the common collective trust is carried at Net Asset Value (NAV) as provided by the trust or sponsors.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions Receivable - Contributions due and not paid prior to the year-end are recorded as contributions receivable. Allowance for uncollectible accounts is considered unnecessary and is not provided.

Payments of Benefits - Benefit payments to participants are recorded upon distribution.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Participant Accounts - Each participant's account is credited with employer contributions and Plan earnings. Participants are fully vested in their account balances at all times.

Reclassification - Certain reclassifications have been made to prior year amounts to conform to the current year presentation.

NOTE 3. TAX STATUS

The Plan obtained its latest determination letter on May 21, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) of the Internal Revenue Code and was, therefore, exempt from Federal income taxes under the provisions of Section 501(a).

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, tax years will remain open for three years; however, this may differ depending upon circumstances of the Plan.

NOTE 4. PRIORITIES UPON TERMINATION

In the unlikely event of termination of the Plan, participants shall have a non-forfeitable right to the Plan assets after provision for expenses, including benefits approved prior to the termination. Should the liquidation value of the assets on the date of termination be less than the total of the participants' accumulated shares plus expenses, each participant shall receive that part of the total remaining assets in the same ratio as their accumulated share bears to the aggregate amount of the accumulated share of all participants. No part of the assets shall be returned to any employer or to the Local Union.

NOTE 5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 5. FAIR VALUE MEASUREMENTS (continued)

	Fair Value Measurements at December 31, 2021			
	Total	Level 1	Level 2	Level 3
Mutual funds:				
Balanced funds	\$ 97,994,777	\$ 97,994,777	\$ -	\$ -
Equity funds	31,588,880	31,588,880	-	-
Fixed income funds	2,433,998	2,433,998	-	-
Investment cash	2,729	2,729	-	-
Total assets in the fair value hierarchy	132,020,384	<u>\$ 132,020,384</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV (A)	<u>11,629,971</u>			
Total investments	<u>\$ 143,650,355</u>			

(A) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

The unfunded commitments and redemption information for the years ended December 31, 2022 and 2021 are as follows:

	<u>2022 Fair Value</u>	<u>2021 Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common collective trusts:					
Wells Fargo Stable Value Fund	\$ 12,300,108	\$ 11,629,971	\$ -	Daily	Daily

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the period.

For the years ended December 31, 2022 and 2021 there were no transfers in or out of Levels 1, 2, or 3.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as economic, interest rate, market and sector risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 7. PARTIES IN INTEREST

Certain plan investments are shares of mutual funds managed by One America Retirement Services (One America). One America is the custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

The transactions above qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 4, 2023, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
