**FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

WITH INDEPENDENT AUDITOR'S REPORT

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Cole Papers, Inc. 401(k) Plan
Fargo, North Dakota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **Cole Papers, Inc. 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Cole Papers, Inc. 401(k) Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Cole Papers, Inc. 401(k) Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Cole Papers, Inc. 401(k) Plan's** ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Cole Papers, Inc. 401(k) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Cole Papers, Inc. 401(k) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COLE PAPERS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Cole Papers, Inc. 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the Plan Document and Adoption Agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering employees of Cole Papers, Inc. (the Company) who have three months of service and are age 18 or older. Employees are eligible for the discretionary matching contributions if employed as of the last day of the year and have completed at least 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan’s Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Plan’s Board of Trustees.

For the plan year ended January 01, 2022 amendments to the Plan were made to conform to CARES Act and SECURE Act provisions.

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, limited to the maximum allowed under the Internal Revenue Code (IRC). Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions, limited to the maximum amount allowed under the IRC. Participants may also contribute amounts representing contributions from other qualified defined contribution plans. The Companies can make discretionary employer contributions.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) Company’s contribution, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in all employee contributions plus actual earnings thereon. Employer contributions are vested 100% after completion of three years of service. Participants are not vested prior to three years of service.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of the offered investment options. Participants may change their investment options daily.

COLE PAPERS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

Notes Receivable from Participants

Participants may borrow from their funds up to a maximum not to exceed the lesser of (a) \$50,000 reduced by the excess, if any, of the highest outstanding balance of loans during the one year period ending on the day before the loan is made, over the outstanding balance of loans from the Plan on the date the loan is made or (b) one-half of the fair market value of a Participant's Vested Account balance built up from employer contributions, voluntary contributions, and rollover contributions. The minimum loan amount that may be borrowed is \$1,000.

The term of such loan shall not exceed five years, except in the case of a loan for the purpose of acquiring a primary residence. Upon termination of employment, the maturity date of the loan will be accelerated to the participant's termination date, or the participant may request a direct rollover of the loan note to another qualified plan which agrees to accept the direct rollover of the loan note.

Any loan shall bear interest at a rate reasonable at the time of application, considering the purpose of the loan and the rate being charged by representative commercial banks in the local area for a similar loan unless the employer sets forth a different method for determining loan interest rates in its loan procedures. Interest rates range from 4.25% to 6.50%. The loan agreement shall also provide that the payment of principal and interest be amortized in level payments not less than monthly. The loans are secured by the participant's vested account balance.

Payment of Benefits

In the event a participant terminates employment due to separation of service, retirement, disability, or death, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or periodic installments over the participant's life expectancy. For termination of service due to other reasons, a participant may receive a distribution of all or any part of the value of the vested interest in his or her account. For participants whose age exceeds 72 years, the Internal Revenue Service required minimum distribution rules may apply.

Participants may take hardship withdrawals to satisfy an immediate and heavy financial need and subject to certain limitations as defined in the Plan.

Forfeited Accounts

A forfeiture occurs when a participant terminates employment and all or part of the participant's employer matching contributions are not vested. The nonvested portion is forfeited immediately if the participant either has no vested interest upon termination of employment or receives a distribution of the entire vested interest when the participant terminates employment. Forfeitures may be used to pay any administrative expenses. Unallocated forfeiture balances as of December 31, 2022 and 2021 were \$5 and \$5, respectively, were available to pay plan fees. Forfeited nonvested amounts totaling \$270 and \$696 during 2022 and 2021, respectively, were used to pay administrative fees.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Administration Expenses

The Plan's expenses are paid by either the Participant, Plan, or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net asset available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investment bought and sold as well as held during the year.

The classification of investment earnings reported in the statements of changes in net assets available for benefits may differ from the classification of earnings on Form 5500 due to different reporting requirements on Form 5500.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management has evaluated subsequent events through the date of the auditor's report, which is the date the financial statements were available to be issued.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, no independent auditing procedures were performed with respect to the information certified as complete and accurate by the Trustee, Alerus Financial, N.A.

COLE PAPERS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

The Plan Trustee has certified its statements of accounts as of December 31, 2022 and 2021, for the years ended. The statements of accounts include beginning and ending balances of investments held, notes receivable from participants, and detail of all transactions during the years, including interest income on notes receivable from participants and investment earnings.

NOTE 4 – FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy in accordance with ASC 820 *Fair Value Measurements* are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active or inactive markets and inputs other than quoted prices that are observable for the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Account – Valued at the NAV of interest held by the Plan at year-end. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the account will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as in the accompanying statements of net assets available for benefits at December 31:

	2022			
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

Investments Measured Using Net Asset Value (NAV)

The Plan has disclosed the category, fair value, unfunded commitments, redemption frequency and redemption notice period of those assets whose fair value is estimated using the NAV per share as of December 31, 2022 and 2021. The following table sets forth a summary of the investments with a reported NAV:

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the termination of the Plan, participants become immediately vested in all accrued benefits and are entitled to a distribution of those benefits.

NOTE 6 – TAX STATUS

On March 31, 2014, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualifies under Section 401(a) of the IRC. The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended and restated since adopting the prototype. However, the Plan Administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken.

NOTE 7 – TRANSACTIONS WITH PARTIES-IN-INTEREST

The Company provides certain accounting and administrative services to the Plan, for which no fees are charged.

Certain Plan investments are in shares of mutual funds managed by Alerus Financial, N.A., the Trustee, as defined by the Plan. These transactions qualify as exempt party-in-interest transactions.

As described in Note 2, the Plan paid certain expenses related to Plan operations. These transactions are exempt party-in-interest transactions under ERISA.

NOTE 8 – FORM 5500 RECONCILIATION

The following is a reconciliation of amounts shown in the financial statements at December 31 to Form 5500:

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As of December 31, 2022 and 2021, the Plan had investments of \$5,193,910 and \$5,337,338, respectively, which were concentrated in five and four funds, respectively.
