## INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of  
the Jerry Lee's Grocery, Inc. 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed audits of the accompanying financial statements of Jerry Lee's Grocery, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 (in liquidation), and the related statement of changes in net assets available for benefits for the year then ended (in liquidation), and the statement of net assets available for benefits as of December 31, 2021 (ongoing), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Jerry Lee's Grocery, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the net assets available for benefits of Jerry Lee's Grocery, Inc. 401(k) Plan as of December 31, 2022 (in liquidation) and 2021 (ongoing), and the changes in its net assets available for benefits for the year ended December 31, 2022 (in liquidation), in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Jerry Lee's Grocery, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Emphasis of Matter - Basis of Accounting

As discussed in Note 7 to the financial statements, the governing body of Jerry Lee's Grocery, Inc. 401(k) Plan approved a plan of liquidation on November 15, 2022, and liquidation occurred on December 23, 2022. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2021 financial statements to the liquidation basis used in presenting the 2022 financial statements. Our opinion is not modified with respect to that matter.

## Independent Auditor's Report

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jerry Lee's Grocery, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

{THIS PAGE IS INTENTIONALLY LEFT BLANK}

**JERRY LEE'S GROCERY, INC. 401(K) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2022 and 2021

**NOTE 1. DESCRIPTION OF PLAN**

The following description of the Jerry Lee's Grocery, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

***General***

The Plan is a defined contribution plan covering substantially all employees of Jerry Lee's Grocery, Inc. (the Plan Sponsor) who have attained the age of twenty-one, have completed one year of service as defined by the Plan, and worked at least 1,000 hours in a year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan terminated effective November 15, 2022, therefore ending entry into the Plan. See Note 7 for more information.

***Contributions***

Each year participants may contribute up to 100% of pretax compensation allowable not to exceed the limits under Internal Revenue Code Section 401(k), 404, and 405, as defined in the Plan agreement. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The employer may elect to contribute a safe harbor contribution each year equal to 100% of participants' salary deferrals that do not exceed 3% of compensation plus 50% of salary deferrals between 3% and 5% of compensation. Participant contributions in excess of 5% of the participant's total compensation are not matched. Contributions ceased effective November 15, 2022 due to termination of the Plan. See Note 7 for more information.

***Participants' Accounts***

Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution, if any, and (b) Plan earnings (losses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

Participants are immediately 100% vested in their elective deferral contributions and safe harbor matching contributions, plus actual earnings thereon. Vesting in the Plan Sponsor's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 20% vested in their employer matching contributions after two years of service, including allocated earnings or losses thereon. The vesting percent increases by 20% each year with 100% vesting after six years of service. All participants became 100% vested on November 15, 2022 due to termination of the Plan. See Note 7 for more information.

***Participant Loans***

The Plan does not provide for participant loans.

***Payment of Benefits***

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

***Forfeited Accounts***

Forfeited, non-vested accounts are used to reduce future employer contributions. For years ended December 31, 2022 and 2021, employer contributions were reduced by \$377 and \$-, respectively, from forfeited non-vested accounts. On December 31, 2022 and 2021, the balance of unallocated, forfeited accounts was \$- and \$377, respectively.

**JERRY LEE'S GROCERY, INC. 401(K) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2022 and 2021

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

Due to termination of the Plan in 2022, the Plan's financial statements are prepared under the liquidation basis of accounting as of and for the year ended December 31, 2022, and the going concern basis of accounting as of and for the year ended December 31, 2021. See Note 7 for more information on liquidation of the Plan.

***Use of Estimates***

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

***Cash Equivalents***

Investments which are readily convertible to cash and not susceptible to market fluctuations are considered to be cash equivalents.

***Investment Valuation and Income Recognition***

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Pooled Separate Accounts***

Variable annuity contracts provide participant-directed investments through a number of pooled separate accounts with underlying mutual funds. The value of the contract is determined by the value of the underlying mutual funds plus any distributions received from the mutual funds and less any charges assessed by the contracts.

***Notes Receivable from Participants***

Loans to participants are not permitted by the Plan.

***Payment of Benefits***

Benefit payments are recorded when paid.

***Administrative Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

***Subsequent Events***

Management evaluated subsequent events for potential disclosure in or adjustment to the Plan's financial statements through October 11, 2023, the date the financial statements were available to be issued. Based on such evaluation, no events have occurred that, in the opinion of management, warrant recognition in the financial statements or disclosure in the notes to the financial statements as of December 31, 2022.

NOTES TO FINANCIAL STATEMENTS  
December 31, 2022 and 2021

**NOTE 3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN**

As noted by the independent auditor's report, the Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the auditors not to perform any auditing procedures with respect to the information certified by the custodian for the years ended December 31, 2022 and 2021, except for comparing information contained therein, as summarized below, to information included in the financial statements.

The following information included in the accompanying December 31, 2022 and 2021 financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodian.

	2022	2021
Investments, at fair value:		
Pooled separate accounts	\$ -	3,159,004
Cash and cash equivalents	-	377
Net appreciation (depreciation) in fair value of investments	\$ (461,994)	

**NOTE 4. INVESTMENTS**

The Plan's investments at year end consist of pooled separate accounts. The accounts are credited with earnings on the underlying investments and charged for Plan withdrawals. Fund account value represents contributions made into the fund, plus earnings, less Plan withdrawals.

During the year ended December 31, 2022, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$(461,994) as follows:

NOTES TO FINANCIAL STATEMENTS  
December 31, 2022 and 2021

**NOTE 5. FAIR VALUE OF INVESTMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- ◆ **Level 1** - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
  
- ◆ **Level 2** - Inputs to the valuation methodology include
  - quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- ◆ **Level 3** - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Pooled separate accounts* - Valued at the value of the underlying mutual fund shares, which are valued at the net asset value ("NAV") of shares held by the Plan at year end.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE 5. FAIR VALUE OF INVESTMENTS (continued)**

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share have not been classified in the fair value hierarchy. The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2022 and 2021, respectively:

Pooled separate accounts	\$ 3,159,004	n/a	Daily	Daily

**NOTE 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are pooled separate accounts managed by John Hancock Life Insurance Company. John Hancock is the custodian as defined by the Plan, and therefore, these transactions qualify as party in interest transactions and have been noted in the supplemental schedule on page . Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. During the years ended December 31, 2022 and 2021, the Plan made direct payments to the custodian of \$7,732 and \$9,284, respectively, which were not covered by revenue sharing.

Certain administrative functions and transactions are performed by the Plan Sponsor, Jerry Lee's Grocery, Inc. These transactions qualify as party-in-interest transactions. The Plan is serviced by an independent third-party administrator, which also qualifies as a party-in-interest. During the year ended December 31, 2022 and 2021, the Plan made direct payments of \$21,542 and \$15,928, respectively, to the third-party administrator.

**NOTE 7. PLAN TERMINATION**

Due to the sale of the Plan Sponsor, the Board of Directors of the Plan unanimously voted to terminate the Plan effective November 15, 2022, with no further contributions to be made under the Plan. All participants' accounts became fully vested on that date. Assets were allocated to participants based on their individual account balances on the date of liquidation. Participants were given the option to rollover their participant balances to another qualified plan or Individual Retirement Account (IRA), or take a lump sum distribution with twenty percent (20%) withheld and remitted to the IRS for federal taxes. All of the Plan's assets were liquidated on December 23, 2022.

**NOTE 8. TAX STATUS**

The Company has adopted a prototype Plan. The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter dated March 31, 2014 from the Internal Revenue Service, and the Plan sponsor believes that the Plan continues to qualify and to operate as designed.

NOTES TO FINANCIAL STATEMENTS  
December 31, 2022 and 2021

**NOTE 8. TAX STATUS (continued)**

The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in accordance with the applicable requirements of the Internal Revenue Code (IRC). Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of American require Plan management to evaluate tax positions taken by the Plan to recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.
