INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
California Teachers Association 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of California Teachers Association 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of California Teachers Association 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of California Teachers Association 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about California Teachers Association 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of California Teachers Association 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about California Teachers Association 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

California Teachers Association 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of California Teachers Association 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description for more complete information.

General

The Plan is a defined contribution plan covering all full-time permanent employees of the California Teachers Association (“CTA” or the “Employer”) and eligible full-time temporary employees covered by agreements between the CTA, the California Staff Organization, and the California Associate Staff. CTA is the sponsor of the Plan. Empower Trust Company LLC serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. Employees of CTA represented by a union, and not excluded based on the Adoption Agreement, are eligible to participate in the Plan.

Contributions

Participants make elective salary reduction deferrals, as defined in the Plan, subject to certain Internal Revenue Code (“IRC”) limitations. For each Plan year, the employer makes matching and discretionary contributions in an amount determined by the employer and the collectively bargained contracts. Effective September 1, 2011, the employer discretionary contribution is 2% or 5% of participant compensation. Effective September 1, 2017, the employer discretionary contribution is 0% or 3% of participant compensation. The employer matching contribution is on a dollar-for-dollar basis of the employee’s elective deferral, up to, but not exceeding, 3.5% or 1.0% of compensation per the respective collective bargaining agreement. The employer matching contributions are made on a fiscal-year basis. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant’s account is credited with the participant’s contributions, the employer’s matching contributions, the employer’s discretionary contributions (if applicable), and Plan earnings. Participants with individually directed accounts (“IDAs”) are charged fees on a quarterly basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately 100% vested in their contributions, the employer matching contributions, and the employer discretionary contributions (if applicable), plus actual earnings thereon.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid directly by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of distributions and notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses.

Payment of Benefits

On termination of service, a participant may generally elect to receive either a lump-sum cash distribution, a lump-sum rollover to a traditional individual retirement account or other qualified plan, or a combination of both cash distribution and rollover (partial cash distribution and partial rollover). Effective January 1, 2016, either a partial or full withdrawal can be taken upon separation of service.

Notes to Financial Statements
December 31, 2022 and 2021

Participants are also eligible to make hardship withdrawals from their deferred contributions in the event of certain financial hardships.

Investment Options

Each participant directs the investment of his or her account balance by choosing among the following investment options:

1. Core common/collective trusts and mutual funds (the Plan currently offers 29 funds).
2. IDAs in which each participant can invest in any lawful 401(k) plan investment.
3. A combination of core mutual fund investments and investments in IDAs.
4. Effective July 1, 2010, absent any investment direction by the participants, the assets are automatically invested in one of the core State Street Global Advisors Target Retirement Date Funds, determined based on the participant's current age and assuming retirement at age 65.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates as determined in the CTA 401(k) Plan Loan Policy. Principal and interest are paid ratably through payroll deductions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation, Transactions, and Income Recognition

General - Investments are carried at fair value, which is determined, presented, and disclosed in accordance with Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") 820, *Fair Value Measurements and Disclosures*. Under FASB ASC 820, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date.

FASB ASC 820 establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan's assumptions about inputs that market participants would use in pricing the investments developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels, based on the inputs, as follows:

Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Valuations based on quoted prices in markets that are not active, quoted prices for similar investments in active markets, or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.

California Teachers Association 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Level 3 - Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities' own judgments and estimations, or some other pricing method using unobservable inputs.

Inputs and Valuation Methods

In determining fair value, FASB ASC 820 allows various valuation approaches. The specific methods used for each of the Plan's investment classes are presented below.

Mutual funds and common and preferred stock: Valued at the closing price reported on the active market on which the individual securities are traded (Level 1).

Common/collective trust funds: Investments in common/collective trust funds are valued based upon the common/collective trust funds' net asset value which is being used as a practical expedient to estimate fair value.

Money market funds: The fair value of money market funds is based on the total value of all the securities held using the amortized cost method. Generally, the amortized cost approximates the current fair value. The fund seeks to maintain a net asset value of \$1.00 (Level 1).

Insurance annuities: Annuity contracts are reported at the cash surrender value of the individual contracts, which approximates fair value. These contracts are for the benefit of the participants insured and may be distributed or surrendered at the participant's direction. Premiums are paid out of dividends and the cash surrender value of the specific insured's insurance policy (Level 3). These contracts are part of the individually directed accounts and are affected directly between the participant and the contract issuer and therefore are not considered fully benefit responsive as defined by FASB ASC 962-325-20.

Valuation Methods, Consistency

The valuation techniques used in the accompanying financial statements have been consistently applied.

Transactions and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution. There are no amounts allocated to accounts of persons who have elected to withdraw from the Plan, but have not yet been paid, at December 31, 2022 and 2021.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

California Teachers Association 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Risks and Uncertainties

The Plan invests in various securities. Such investments are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

3. PRIORITIES UPON TERMINATION

Although it has not expressed any intention to do so, CTA has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan is terminated, participants would become 100% vested in their accounts.

4. TAX STATUS

The Internal Revenue Service has determined and informed Empower Retirement LLC, by a letter issued to them, dated November 14, 2022, that the Plan is designed in accordance with applicable sections of the IRC, and the Plan relies on that letter. The Plan has been amended since receiving the determination letter. However, the Plan's management believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. INVESTMENTS AT FAIR VALUE HIERARCHY

Assets measured at fair value on a recurring basis, based on their fair value hierarchy at December 31, 2022 and 2021, are as follows:

Description	December 31, 2022	Fair Value Measurements at Reporting Date Using

Insurance Annuities	\$ 1,681,201	\$ 1,939,532	Interest crediting method	Interest	1-5%

6. INVESTMENTS IN CERTAIN ENTITIES THAT CALCULATE NET ASSET VALUE

FASB ASC 820 allows entities to use net asset value ("NAV") per share (or its equivalent), as a practical expedient, to measure fair value when the investment does not have a readily determinable fair value. The following is a summary of the Plan's investments measured at fair value based on NAV per share (or its equivalent) as of December 31, 2022 and 2021:

Investment Type	Fair Value as of December 31,		Redemption Frequency (if currently eligible)	Redemption Notice Period
	2022	2021		
Common/collective trust funds				
SSGA Target Retirement Funds	\$ 50,941,542	\$ 59,027,596	{a}	Daily

{a} The investments are direct filing entities with the Department of Labor; therefore, information regarding the investments' strategies is not disclosed.

7. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

No auditing procedures were performed by the independent auditor as permitted by ERISA Section 103(a)(3)(C) with respect to information certified as complete and accurate by Empower Trust Company LLC (the “trustee”), except for comparing such information with the information reported in the financial statements. Based on information provided and certified by the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2022 and 2021. Accordingly, the trustee of the Plan assets has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, as well as the supplemental schedule of assets (held at end of year) as of December 31, 2022.
- Net appreciation in fair value of investments, dividends and interest income on notes receivable from participants (depreciation) reflected on the accompanying statement of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.

8. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by U.S. Bank as the sub-custodian of all individually directed account assets; therefore, these transactions qualify as exempt party-in-interest transactions.

Certain Plan investments are managed by Empower Trust Company LLC, the trustee as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan to Empower Trust Company LLC for investment management services were included as a reduction of the return earned on each core mutual fund. CTA is the Plan sponsor and has paid administrative fees on behalf of the Plan totaling \$1,565 and \$2,474 for the years ended December 31, 2022 and 2021, respectively. The Plan is not obligated to pay CTA for any Plan administration expenses paid by CTA.

9. SUBSEQUENT EVENTS

In preparing these financial statements, management has evaluated events and transactions that occurred after December 31, 2022, for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through October 13, 2023, the date the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.
