## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
Equity Group Investments  
Advantage Retirement Savings Plan  
Chicago, Illinois

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Equity Group Investments Advantage Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

---

(Continued)

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

---

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter – Supplemental Schedules Required by ERISA***

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EQUITY GROUP INVESTMENTS  
ADVANTAGE RETIREMENT SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2022 and 2021

---

**NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the Equity Group Investments Advantage Retirement Savings Plan (the Plan), as amended, provides only general information. Participants should refer to the Summary Plan Description and other Plan documents for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan has 401(k) matching and discretionary profit-sharing components and was created to provide retirement benefits for employees of Equity Group Investments (the Plan sponsor) and other participating employers (the Employers) who elect to participate.

All employees are eligible to participate in the Plan on their start date, regardless of their age. Generally, temporary employees and employees classified as independent contractors are not eligible to participate in the plan. New employees are automatically enrolled in the Plan. 4% of the new employee's compensation is automatically withheld as an elective deferral unless the employee elects a different percentage or elects to not withhold at all.

Contributions: Each year, participants may contribute as elective deferrals up to 50% of eligible annual compensation, as defined in the Plan. These deferrals may not exceed the maximum deferral amount allowed by Section 401(k) of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Employers make a 4% safe harbor matching contribution equal to 100% of the employees' elective deferral not to exceed 4% of the employee's compensation. Employers may also make discretionary non-safe harbor matching contributions to the plan in order match all or a portion of an employees' elective deferrals. Employers may also make discretionary profit-sharing contributions to the Plan for employees who have completed one year of service, 1,000 hours of service, are employed at the end of the Plan year and meet certain other eligibility criteria. The Employers approved \$149,192 in match true-up and \$354,002 in profit-sharing contributions for 2022. Both amounts are included in the employer contributions receivable on the Statements of Net Assets Available for Benefits, net of forfeitures of \$15,629 as of December 31, 2022.

Vesting: Participants immediately vest in their contributions plus safe harbor and non-safe harbor contributions and actual earnings thereon. Vesting in the profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of credited service, as defined in the Plan. Participants vest in these amounts as follows: 25% after two years of credited service, 50% after three years, 75% after four years, and 100% after five years. When a participant reaches age 65, becomes permanently disabled as determined by the Plan administrator, or dies while actively employed, the participant is automatically 100% vested in his or her account.

Participant Accounts: Each participant's account is credited with their contributions and allocations of the respective Employers' contributions and the Plan's earnings. Allocations are based on participants' earnings or account balances, as defined in the Plan. Miscellaneous fees for loans and withdrawals are deducted directly from participants' accounts. The benefit to which a participant is entitled is the vested balance that can be provided from the participant's account.

Investment Options: Participants may direct all contributions in their accounts plus accumulated earnings into any of the Plan's various investment options. Participants can change their future contribution investment options at any time and each month the participant may change the allocation of their accumulated invested balances.

Notes Receivable from Participants: Participants may borrow from their Plan accounts a minimum of \$1,000, up to a maximum of the lesser of 50% of their vested account balance or \$50,000. The \$50,000 limit is reduced by the highest outstanding balance on any other loan to the participant during the 12-month period prior to the new loan date. All loans are amortized over a period not to exceed five years.

**NOTE 1 - DESCRIPTION OF THE PLAN (Continued)**

However, loans used to acquire a principal residence may be repaid over a longer period, but not to exceed 10 years. Loans are secured by the balance in the participant's account (limited to the loan balance) and bear interest at a rate commensurate with local prevailing rates at the date of issuance as determined quarterly by the plan administrator.

Forfeitures: Forfeitures of terminated participants' non-vested accounts may be used to pay the Plan's expenses or reduce the amount of Employers' contributions. At December 31, 2022, there was \$15,629 of participants forfeited non-vested account balances and \$26,273 at December 31, 2021. These amounts were used to reduce the 2022 and 2021 Employers' contributions paid in 2023 and 2022., respectively.

Payment of Benefits: Upon retirement, termination of service, death, or permanent disability, as determined by the Plan's administrator, the participant (or beneficiary) may receive a lump-sum amount equal to the vested value of his or her account. Participants may withdraw any portion of their account balance after attaining the age of 59½, or for certain financial hardship situations. Effective January 1, 2022, the Plan has amended to allow for hardship distributions from all contribution sources in line with the revised rules and procedures contained in the Financial Treasury Regulations issued September 23, 2019 regarding hardship distributions. The Plan administrator will authorize such withdrawal only upon satisfaction of criteria as stated in the Plan agreement.

Administrative and Investment Management Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Plan recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income reported by the Plan.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting: The accompanying financial statements have been prepared on the accrual basis of accounting.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability, with a corresponding reduction to contributions. At December 31, 2022 and 2021 there were no excess contributions payable.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Notes Receivable from Participants: Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses was recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value at December 31, 2022 and 2021. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought, sold, and held during the year.

Payment of Benefits: Benefits are recorded when paid.

**NOTE 3 - FAIR VALUE MEASUREMENTS**

Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2: Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the assets or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- Inputs derived principally from or corroborated by observable market data by correlation or other means

Level 3: Unobservable inputs for the asset or liability (i.e., supported by little or no market activity), including management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is based on the lowest level of input that is significant to the fair value measure in its entirety.

A description of the valuation methodologies used for each major class of assets measured at fair value is as follows:

*Exchange traded funds (Level 1 inputs):* Valued at quoted market prices for identical assets in active markets that the entity has the ability to access as of the measurement date.

**NOTE 4 - CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value in investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from Charles Schwab Trust Bank (the trustee of the Plan).

**NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS**

Parties in interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. Certain Plan investments were managed by Charles Schwab Trust Bank at December 31, 2022 and 2021. These investments qualify as party-in-interest investments. Notes receivable from participants also reflect party-in-interest transactions.

**NOTE 6 - PLAN TERMINATION**

Although they have not expressed any such intent, the Employers, both collectively and individually, have the right under the Plan to discontinue their contributions at any time or to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination or partial termination, each affected participant's account shall be fully vested and distributed to the participant.

**NOTE 7 - TAX STATUS**

The Plan is qualified under the provisions of the Internal Revenue Code (IRC) and is not subject to federal and state income taxes. Participating employees are not subject to federal and state income taxes on employer contributions, or on income accruing to their accounts, until they receive distributions from the Plan. The Internal Revenue Service issued an opinion letter dated September 21, 2020 indicating that the non-standardized pre-approved plan adopted by the Plan, as then designed, was in compliance with applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter, however, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Plan management believes that the plan is qualified and the related trust is tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States require the Plan's management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions. Currently, there are no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

**NOTE 8 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities that are exposed to risks, such as interest rate, market, liquidity, and credit risks and global events. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term. Such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 9 - SUBSEQUENT EVENTS**

Management evaluated subsequent events for the Plan through October 13, 2023, the date the financial statements were available for issuance.
