Independent Auditors' Report

To the Plan Administrator of
403(b) Thrift Plan for Employees of
The Center for Pursuit:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the 403(b) Thrift Plan for Employees of The Center for Pursuit, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 403(b) Thrift Plan for Employees of The Center for Pursuit financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors'*

Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the 403(b) Thrift Plan for Employees of The Center for Pursuit and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan for Employees of The Center for Pursuit's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 403(b) Thrift Plan for Employees of The Center for Pursuit's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan for Employees of The Center for Pursuit's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2022 and the supplemental schedule of assets (held at end of year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) Thrift Plan for Employees of The Center for Pursuit

Notes to Financial Statements for the year ended December 31, 2022

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of 403(b) Thrift Plan for Employees of The Center for Pursuit (the Plan) is provided for general informational purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering substantially all employees of The Center for Pursuit (The Center), except those who are non-resident aliens with no U. S. source income. Covered employees are eligible to enter the Plan on the first day of the month immediately after their hire date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – The Plan provides for contributions by both the participant and employer as follows:

- *Participant contributions* – Participants may contribute up to 100% of their compensation as defined by the Plan, subject to certain limitations under the Internal Revenue Code (the Code). The Plan was amended effective March 1, 2022 to include an automatic contribution arrangement that applies to all new and current participants. All new and current participants will be enrolled at 2% unless they chose to opt out or elect an alternate amount. An automatic salary deferral increase provision also has been added to automatically increase the deferral contribution by 1% every January up to 4%. The Plan allows catch-up contributions, as defined by the Code, for participants who have attained the age of 50 prior to the end of the year. Participants also may rollover any amounts they receive as distributions from another qualified plan into their individual account. Participants also are permitted to make Roth elective deferrals.
- *Employer contributions* – For all eligible employees who have completed one year of credited service, The Center makes an employer matching contribution of 100% of the participant's contributions (including catch-up contributions) during the year that do not exceed 4% of the participant's compensation.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in employer contributions plus actual earnings thereon is based on years of continuous service. Participants vest 25% per year after two years of credited service, becoming 100% vested after five years of credited service. Participants also are 100% vested in employer matching contributions plus actual earnings thereon upon attaining normal retirement age, if earlier.

Participant accounts – Each participant's account is credited with the participant's contributions, the employer contributions, and an allocation of the investment earnings and expenses for each fund in which their account is invested. Allocations of investment income and expenses are based on the proportion that each participant's account balance bears to the total of all participant account balances. The only benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes receivable from participants – Participants may borrow directly from Mutual of America Life Insurance Company (Mutual of America) a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance in the preceding one-year period or 50% of their vested account balance. The loans are not included in Plan assets but are secured by the participants' accounts. Participants are limited to two outstanding loans at a time. Loan terms range from one to five

years, unless for the purchase of a principal residence, for which loan terms may range up to 10 years. At December 31, 2022 and 2021, these loans totaled approximately \$45,000 and \$50,000, respectively.

Forfeitures – The Plan uses any amounts forfeited to reduce future employer contributions. During 2022, approximately \$5,000 in forfeitures was used to reduce employer contributions. There were no unused forfeitures at December 31, 2022. Unused forfeitures totaled \$693 at December 31, 2021.

Benefit payments – The Plan provides for benefit distributions to the plan participants, or their beneficiaries, equal to the vested balance of their accounts upon death, disability, retirement, or other termination of employment. Participants may withdraw a portion or all of their vested account balance, while still employed, upon reaching the age of 59½. Additionally, participants may qualify for a hardship withdrawal of their vested account balance, while still employed, for the purpose of immediate and heavy financial needs, as defined in the Plan document.

Plan termination – Although it has not expressed any intent to do so, The Center has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of plan termination, participants become 100% vested in their employer contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting – The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment valuation – Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment adviser and insurance company. See Note 6 for discussion of fair value measurements.

The Plan invests in a fully benefit-responsive investment contract, the Interest Accumulation Account (IAA), and reports this investment in the financial statements at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value of the fully benefit-responsive contract represents contributions plus earnings, less participant withdrawals and administrative expenses.

Income recognition – Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess contributions payable – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to participant contributions.

Benefit payments – Benefit payments to participants are recorded upon distribution.

Expenses – Certain expenses of maintaining the Plan are paid directly by The Center and are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

Estimates – Management must make estimates and assumptions to prepare financial statements in accordance with generally accepted accounting principles. These estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported amounts of additions and deductions. Actual results could vary from the estimates that were used.

NOTE 3 – TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Code. The terms of the Plan have been prepared to conform to the listing of 403(b) plans that have been pre-approved by the IRS. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b). Plan management believes the Plan is currently designed and operating in accordance with the applicable requirements of the Code.

NOTE 4 – INVESTMENTS

At December 31, 2022 and 2021, substantially all assets of the Plan were invested in funds managed by Mutual of America, as an insurance company of the Plan. These transactions qualify as party-in-interest transactions. These transactions are exempt from the prohibited transaction rules of ERISA.

Individual investments that represent 10% or more of the Plan's net assets as of December 31, 2022 and 2021 are as follows:

	<u>2022</u>	<u>2021</u>
Interest Accumulation Account	\$315,150	\$274,774
2035 Retirement Fund	\$191,260	\$140,496
2030 Retirement Fund	\$132,733	\$121,490

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and participant account balances.

NOTE 5 – INFORMATION CERTIFIED BY INSURANCE COMPANY

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments and interest income for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America, as an insurance company.

NOTE 6 – FAIR VALUE MEASUREMENTS

Investments measured at net asset value as a practical expedient at December 31, 2022 and 2021 are as follows:

	<u>2022</u>	<u>2021</u>
Pooled separate accounts	\$811,473	\$694,236

The investment accounts included in pooled separate accounts consist of (1) equity accounts, (2) target-date retirement accounts, (3) asset allocation accounts, (4) fixed-income accounts, (5) balanced accounts, and (6) a money market account. Equity accounts seek a favorable rate-of-return through capital appreciation and investment income by investing primarily in a broadly diversified portfolio of U. S. common stocks. Target-date retirement accounts seek high total return over time through a combination of capital appreciation and income by investing in an asset allocation strategy designed for investors planning to retire at certain intervals. Asset allocation accounts seek capital appreciation and current income by investing in a target allocation of equity and fixed-income funds based on risk profiles of the account. Fixed-income accounts seek to provide a high level of current income over time consistent with prudent investment risk, as well as preservation of capital by investing primarily in investment grade, publicly-traded debt securities. Balanced accounts seek to provide capital appreciation and current income by investing in a diversified portfolio of various asset classes and investment strategies, including equity and fixed-income securities. The money market account seeks realization of current income consistent with the maintenance of liquidity, investment quality and stability of capital. Participant-directed redemptions have no restrictions; however, should the Plan discontinue its contract with Mutual of America, the date of discontinuance shall be the first day of the calendar month that is at least 30 days after the date notice is received by Mutual of America. There are no unfunded commitments at December 31, 2022.

Pooled separate accounts are valued at net asset value by the issuer as a practical expedient based on the fair value of the underlying investments held less liabilities. There has been no change in the valuation method used at December 31, 2022 and 2021. This valuation method may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate, the use of different methods or assumptions could result in a different fair value measurement at the reporting date.

NOTE 7 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into an investment contract with Mutual of America. The general account portion of this contract, or the IAA, represents a deposit administration contract, and the assets in this account are commingled with other assets of the insurance company. The IAA meets the fully benefit-responsive investment contract criteria and is reported at contract value. The IAA is credited with interest at the rate specified in the contract and is charged with the purchase price of annuities when participants retire and with any incidental benefits (death, disability, and withdrawal) disbursed directly from the account. Participants ordinarily may direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

NOTE 8 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 10, 2023, which is the date that the financial statements were available for issuance. As a result of this evaluation, no events were identified that are required to be disclosed or would have a material impact on reported net assets available for benefits or changes in net assets available for benefits.
