INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
O'Connor & Associates Employees' Savings & Profit Sharing
Plan & Trust
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of O'Connor & Associates Employees' Savings & Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of O'Connor & Associates Employees' Savings & Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of O'Connor & Associates Employees' Savings & Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about O'Connor & Associates Employees' Savings & Profit Sharing Plan & Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of O'Connor & Associates Employees' Savings & Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about O'Connor & Associates Employees' Savings & Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

O'Connor & Associates Employees' Savings & Profit Sharing Plan & Trust
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the O'Connor & Associates Employees' Savings & Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of O'Connor & Associates (the "Company" or "Plan Sponsor") who have completed six months of service and are age 19 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Participants can enter the Plan the first day of the quarter subsequent to meeting eligibility.

Contributions

Each year, participants may contribute a percentage of their pre-tax annual compensation, as defined by the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participant contributions are subject to certain Internal Revenue Code ("IRC") limitations. The Plan has an automatic enrollment feature at 6% of the employee's eligible salary unless an election not to participate is received.

The Plan allows for a discretionary employer match that is allocated each payroll period. Effective January 1, 2019, the Plan Sponsor opted to freeze the employer match which remained in place for the year ended December 31, 2020. In July of 2021, the employer discretionary match was reinstated at \$0.25 on every \$1.00 up to 6% of compensation. Effective August, 1, 2022, the employer discretionary match increased to \$0.50 on every \$1.00 up to 6% of compensation.

The Company may contribute a profit-sharing contribution at the discretion of management. There were no discretionary profit-sharing contributions made for the years ended December 31, 2022 and 2021.

Participant accounts

Investment account options available include various pooled separate accounts and an insurance company general account investment. Each participant's account is credited with the participant's contribution, the Company's contribution, and allocations of investment earnings (losses). Participant accounts are charged with an allocation of administrative expenses and allocations of investment losses. Allocations are based on participant earnings on account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are immediately 100% vested in their contributions plus actual earnings thereon.

Vesting in the Company's contribution portion of their accounts is based on years of continuous service and is structured as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2 years	0 %
2 years	50 %
3 years	75 %
4 years or more	100 %

Payment of benefits

The Plan provides that a participant's vested interest in the Plan will be distributed to the participant or their beneficiary upon retirement, total disability or death. Participants may elect to receive (a) a single lump sum amount equal to their vested account balance, (b) substantially equal installments, or (c) partial withdrawals with a minimum withdrawal of \$1,000. At December 31, 2022 and 2021, there were no amounts allocated to accounts of terminated or retired participants who have elected to withdraw from the Plan but have not yet been paid.

Notes receivable from participants

The Plan Agreement includes provisions authorizing loans from the Plan to active eligible participants. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loan is restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (the Plan Administrator may fix the term for repayment of a home loan for a period exceeding five years but not to exceed ten years) through payroll withholdings unless the participant is paying the loan in full. The loans are secured by the balance in the participant's account and bear interest at a rate which is commensurate with local prevailing rates as determined by the Plan Administrator. Participants may have no more than one loan outstanding at any time unless one is a principal residence loan for a period of greater than five years.

Forfeited accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$17,985 and \$29,794, respectively. These accounts will be used to offset any expenses associated with the administration of the Plan and/or to reduce the Company's contribution that would otherwise be made to the Plan. Approximately, \$2,630 and \$1,845 in forfeitures were used to offset administrative expenses in 2022 and 2021, respectively. Approximately, \$11,485 and \$0 in forfeitures were used to reduce the Company's contribution in 2022 and 2021, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value (with the exception of fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan Management determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded.

Expenses

Certain expenses incurred to maintain the Plan are paid directly by the Company and are excluded from the Plan's financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Payment of benefits

Benefits are recorded when paid.

Notes to Financial Statements

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent events

The Plan has evaluated subsequent events through October 12, 2023, the date the financial statements are available to be issued.

3. CERTIFICATION BY CUSTODIAN

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained certification from The Standard Insurance Company ("The Standard"), the custodian of the Plan, that all of the investment and participant notes receivable information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) is complete and accurate. Information as to the investments, investment income (loss), notes receivable from participants and related interest income, and all financial information appearing in the accompanying footnotes and supplemental schedule of assets (held at end of year) is presented in reliance solely upon this certification.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included in level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset or liability.

O'Connor & Associates Employees' Savings & Profit Sharing Plan & Trust
Notes to Financial Statements
December 31, 2022 and 2021

4. FAIR VALUE MEASUREMENTS (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate account: Comprised of a wide variety of underlying investments such as equities, preferred stock, bonds, real estate and mutual funds. The NAV of a pooled separate account is based on the market value of its underlying investments. The pooled separate account NAV is not a publicly quoted price in an active market.

5. INVESTMENT MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following table summarizes the investment for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

Beneficial interest in trusts are as follows at December 31, 2022:

Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled Separate Account A	\$ 6,337,916	\$ -	Daily	30 days*

Beneficial interest in trusts are as follows at December 31, 2021:

Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled Separate Account A	\$ 6,979,851	\$ -	Daily	30 days *

* Withdrawals made on the pooled separate account can be initiated daily. Plan Sponsor terminations of the contract can be initiated daily. Disbursements of the funds for Plan Sponsor terminations will be provided as soon as practicable within 30 days following written notice.

O'Connor & Associates Employees' Savings & Profit Sharing Plan & Trust
Notes to Financial Statements
December 31, 2022 and 2021

6. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds an insurance company general account investment contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of the insurance company general account investment contract at December 31, 2022 and 2021, was \$1,183,147 and \$1,222,576, respectively.

The investment is designed to accrue interest based on a crediting rate established by the contract issuer. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. The crediting rate is reviewed on a quarterly basis for resetting. This investment does not have a scheduled maturity date but can be terminated by either party with 30 days' notice.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Additionally, certain events might limit the ability of the Plan to transact at contract value with the contract issuer.

Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code.
- Premature termination of the contract.
- Plan termination or merger.
- Changes to the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.
- Bankruptcy of the Plan Sponsor or other Plan Sponsors events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

- An uncured violation of the Plan's investment guidelines.
- A breach of material obligation under the contract.

O'Connor & Associates Employees' Savings & Profit Sharing Plan & Trust
Notes to Financial Statements
December 31, 2022 and 2021

6. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (continued)

- A material misrepresentation.
- A material amendment to the agreements without the consent of the issuer.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their employer contributions.

8. INCOME TAX STATUS

The Plan adopted the Standard Retirement Services, Inc. volume submitter profit-sharing plan with CODA as its Plan Agreement. The Standard received a favorable opinion letter dated June 30, 2020, indicating that the volume submitter plan meets the requirements of section 401 of the IRC and is, therefore, exempt from taxation. Although the Plan has been amended since receiving the advisory opinion, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

10. RELATED PARTY TRANSACTIONS

The Standard manages the investments of the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services are included as a reduction of the return earned on the fund.
