## INDEPENDENT AUDITOR'S REPORT

To the Trustees of  
zSpace, Inc. 401(k) Plan  
San Jose, California

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of zSpace, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of zSpace, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Charles Schwab Trust Bank, the custodian of the Plan, which is a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of zSpace, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about zSpace, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of zSpace, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about zSpace, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# **ZSPACE, INC. 401(k) PLAN**

## **Notes to Financial Statements**

December 31, 2022 and 2021

### **Note 1 - Description of plan**

#### **General**

Effective January 1, 2007, zSpace, Inc. (the "Company", "Plan Administrator", and "Plan Sponsor") adopted a 401(k) Profit Sharing plan (the "Plan") covering all eligible employees of the Company.

The Plan was restated on January 1, 2022 to include the provisions of the Coronavirus Aids, Relief, and Economic Security (CARES) Act related to distributions.

The following description of the Plan provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Administration**

The Company has appointed two members of management to be the trustees for the Plan. The Company also appointed the Director of Human Resources to manage the operations and administration of the Plan. Through January 31, 2023, the Company contracted with WESPAC Retirement Plan Services ("WESPAC") to act as the third-party administrator to process plan transactions, maintain the records of participant data, and monitor compliance with governmental regulatory requirements. Through January 31, 2023, the Company contracted with Charles Schwab Trust Bank ("Schwab") to act as the custodian of the Plan's assets. The Company also contracted with WESPAC Advisors, LLC ("WESPAC LLC") for investment consulting services.

Subsequent to the year ended December 31, 2022, on February 1, 2023, the Company contracted with Fidelity Management Trust Company as the trustee, custodian, and third-party administrator of the Plan.

#### **Contributions**

Each year, participants may contribute up to 100% of their annual gross compensation, as defined in the Plan Document. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Plan Document also permits Roth contributions into the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers investments in mutual funds and self-directed brokerage accounts to its participants. The Company provides a matching contribution of 100% of the participant's deferral up to \$2,000 and \$1,000 per year, for the years ended December 31, 2022 and 2021, respectively. The Company may make discretionary matching contributions and profit sharing contributions as defined in the Plan Document. The Company's matching contribution for the years ended December 31, 2022 and 2021 was \$124,733 and \$48,627, respectively. There were no profit sharing contributions for the years ended December 31, 2022 and 2021. Contributions are subject to certain IRS limitations.

## **Notes to Financial Statements**

December 31, 2022 and 2021

### **Note 1 - Description of plan (continued)**

#### **Participant accounts**

Each participant's account is credited with the participant's contributions, Company discretionary matching contributions, profit sharing contributions, as well as allocations of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Participants also vest immediately in the Company's discretionary matching and profit sharing contributions plus actual earnings thereon.

#### **Notes receivable from participants**

A participant may have a maximum of one loan outstanding at any time. Participants may borrow from their accounts a minimum of \$1,000 to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants should refer to the Plan Document for detailed loan provisions. For loans qualifying under the Disaster Tax Relief and Airport and Airway Extension Act of 2017, Tax Cuts and Jobs Act of 2017, the Bipartisan Budget Act of 2018, and the CARES Act, the dollar limit may be increased to \$100,000 or 100% of the participant's account balance. The loans are secured by the balance in the participant's account and bear interest at prime plus 1%. Loan terms range up to five years or may exceed five years for the purchase of a primary residence. Principal and interest are paid ratably through semi-monthly payroll deductions.

#### **Payment of benefits**

Upon reaching the age of 59½ and at the discretion of the participant or upon termination of service due to death, disability, or retirement, a participant or the designated beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Upon termination, if the participant's or beneficiary's vested account balance is \$5,000 or less, the Plan allows the trustees to distribute the balance to an Individual Retirement Account ("IRA"). Vested balances of \$1,000 or less may be distributed as a lump-sum without the participant's consent.

#### **Forfeited accounts**

Forfeitures of non-vested employer discretionary contributions may be used to pay Plan administrative expenses or to reduce future employer contributions payable under the Plan. Forfeitures used to pay for Plan administrative expense for 2022 was \$9,707. No forfeitures was used for the year ended December 31, 2021. Forfeited non-vested balances were not significant as of December 31, 2022 and 2021.

### **Note 2 - Summary of accounting policies**

#### **Basis of accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

# **ZSPACE, INC. 401(k) PLAN**

## **Notes to Financial Statements**

December 31, 2022 and 2021

### **Note 2 - Summary of accounting policies (continued)**

#### **Use of estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Significant estimates used in preparing these financial statements include the fair value of investments in mutual funds and self-directed brokerage accounts, and management's estimate of the allowance for losses on notes receivable from participants. Actual results may differ from those estimates.

#### **Investment valuation and income recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisor and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year.

#### **Notes receivable from participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan Document. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for losses was deemed necessary by the Plan Sponsor based on an assessment of the outstanding notes receivable from participants at December 31, 2022 and 2021.

#### **Payment of benefits**

Benefits are recorded when paid.

#### **Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to plan administration, administration of notes receivable from participants and participant withdrawals paid to WESPAC are charged directly to the participants' accounts. Such fees are included in administrative expenses on the statements of changes in net assets available for benefits and amounted to \$12,022 and \$2,816 for the years ended December 31, 2022 and 2021, respectively.

Pursuant to a revenue sharing arrangement under the Plan, Schwab receives asset-based fees calculated at 25 basis points of the invested assets, a portion of which is credited back to the Plan to pay Plan expenses, such as investment advisory service fees paid to WESPAC LLC. The net investment expenses are included in the appreciation and depreciation in the fair value of investments.

## **Notes to Financial Statements**

December 31, 2022 and 2021

### **Note 2 - Summary of accounting policies (continued)**

#### **Subsequent events**

In preparing its financial statements, the Plan has evaluated subsequent events through October 10, 2023, which is the date the financial statements were available to be issued.

### **Note 3 - Certified investments**

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net appreciation and depreciation in fair value of investments, and interest and dividends for the years ended December 31, 2022 and 2021, were obtained by management, and agreed to or derived from information certified as complete and accurate by Schwab, the custodian of the Plan.

The Plan's investments in mutual funds, money market deposit, and self-directed brokerage accounts (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$2,094,311 during 2022 and appreciated in value by \$1,229,234 during 2021.

### **Note 4 - Fair value measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. The Plan's investments in mutual funds, money market deposit account, and self-directed brokerage accounts are valued at quoted prices in active exchanges. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. Self-directed brokerage accounts consist of cash, mutual funds, bond funds, and actively traded common stock that are valued on the basis of readily determinable market prices.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

### Note 5 - Rollover contributions

During 2022, the rollover contribution of \$5,377 was from one active participant from another plan. There was no rollover contribution for the year ended December 31, 2021.

### Note 6 - Related party transactions and party-in-interest transactions

Certain plan investments are shares of mutual funds managed by Schwab and other fund managers. Schwab is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Refer to **Note 2 - Expenses** for expenses of the Plan paid by the Plan Sponsor and the Plan participants to the various parties-in-interest. Amounts paid under a revenue sharing arrangement are discussed at **Note 2 - Expenses**. All these transactions are considered party-in-interest transactions under ERISA regulations but are permitted under the provisions of the Plan and are specifically exempt from the prohibition of parties-in-interest transactions under ERISA.

### **Note 7 - Plan termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

### **Note 8 - Tax status**

The Internal Revenue Service has determined and informed WESPAC by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Plan management believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt as of the financial statement date and through the date of issuance of the financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position not likely to be sustained upon examination by taxing authorities and government agencies. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

### **Note 9 - Risk and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
