## Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Xpedient Logistics 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

**Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Xpedient Logistics 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Xpedient Logistics 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Xpedient Logistics 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matters**

**2022 Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statement themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Auditor's Report on the 2021 Financial Statements**

Predecessor auditors performed an audit of the 2021 financial statements of Xpedient Logistics 401(K) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 4, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**

**December 31, 2022 and 2021**

## NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Xpedient Logistics 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### General

The Plan is a defined contribution plan covering all employees of Xpedient Management Group LLC (the "Company") who are age 21 or older and have completed two months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The plan administrator is responsible for oversight of the Plan, which includes determining the appropriateness of the Plan's investment offerings and monitoring the investment's performance.

### Contributions

Each year, participants may contribute up to 90% of pretax or post-tax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Under the Plan agreement, the Company may elect to make a discretionary matching contribution equal to a uniform percentage of participants' salary deferrals. In addition, at the discretion of the Company, non-elective contributions may be made to the Plan. There were no Company discretionary matching or non-elective contributions made for the Plan years ended December 31, 2022 and 2021. Contributions are subject to the Internal Revenue Service ("IRS") limitations.

### Participant Accounts

Each participant's account is credited with the participant's contributions, Company discretionary matching contributions, Company non-elective contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contribution and non-elective contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after four years of credited service. Upon death or total and permanent disability, participants become fully vested in the Company's discretionary matching contributions and non-elective contributions.

## NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

**Notes Receivable from Participants**
Participants may borrow from their fund accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is determined by the Plan administrator at the time the loan is issued. Principal and interest are paid ratably through payroll deductions.

**Payment of Benefits**
On termination of service due to separation of service, disability, death or retirement, a participant may elect to receive either a lump-sum distribution equal to the value of the participant's vested interest in his or her account, or elect to receive partial withdrawals or installments for required minimum distributions. In addition, the Plan allows for hardship distributions if certain criteria are met.

**Forfeited Accounts**
At December 31, 2022 and 2021, there were no accumulated forfeited account balances and no forfeitures used during the plan year. These accounts can be used to pay future administrative expenses and reduce future employer contributions.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting**
The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates**
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

**Investment Valuation and Income Recognition**
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED**

**Investment Concentration**

The Plan holds certain investments that represent 10% or more of the Plan's total investments at December 31:

| | 2022 | 2021 |
|---|---|---|
| *Mutual funds:* | | |
| FID Freedom Index 2025 Premier | $ 56,458 | $ 47,089 |
| FID Freedom Index 2030 Premier | 44,734 | * |
| FID Freedom Index 2035 Premier | 52,321 | 36,117 |
| FID Freedom Index 2040 Premier | 55,537 | 45,370 |
| FID Freedom Index 2045 Premier | 37,044 | * |
| FID Freedom Index 2055 Premier | 77,731 | 89,998 |

* Investment did not exceed 10% during respective year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

**Excess Contribution Payable**

Amount payable to a participant for contributions in excess of the amount allowed by the IRS is recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 excess contributions to the applicable participant prior to March 15, 2023.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of the Plan including processing of benefit payments and notes receivable from participants are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

**Subsequent Events**

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.

## NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

*Level 1*: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2:* Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability‘s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

**NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common collective trust fund:* Valued at the NAV per share multiplied by the number of participation shares held by the Plan at year end. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable the fund will sell the investment for an amount different that the NAV.

The following summary sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

| | *Assets at Fair Value as of December 31, 2022* | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 369,586 | $ - | $ - | $ 369,586 |
| Investment measured at net asset value (a) | - | - | - | 197 |
| Total assets in the fair value hierarchy | $ 369,586 | $ - | $ - | $ 369,783 |

| | *Assets at Fair Value as of December 31, 2021* | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | $ 315,066 | $ - | $ - | $ 315,066 |
| Total assets in the fair value hierarchy | $ 315,066 | $ - | $ - | $ 315,066 |

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

## NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

**Investment Measured Using the Net Asset Value per Share Practical Expedient (or its Equivalent)**
The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

| December 31, 2022 | Fair Value | Unfunded Commitments | Redemption Frequency (if Currently Eligible) | Redemption Notice Period |
|---|---|---|---|---|
| Common collective trust fund | $ 197 | N/A | Immediate | None |

## NOTE 4 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Reliance Trust Company is the custodian for the Plan. There are no investments managed by Reliance Trust Company that would qualify as party-in-interest transactions. The Plan issues notes receivable to participants, which are secured by the participant's account balances. These transactions qualify as exempt party-in-interest transactions. All other transactions that may be considered related-party or party-in-interest transactions relate to normal plan management, administrative services, and related payment of fees.

## NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

## NOTE 6 - TAX STATUS

The Plan is based on a non-standardized pre-approved profit-sharing money purchase plan with CODA, which received a favorable opinion letter from the Internal Revenue Service (IRS) on October 6, 2020, stating that the non-standardized pre-approved profit-sharing money purchase plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan's tax counsel and plan administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by the taxing jurisdiction; however, there are currently no audits for any tax periods in progress.

## NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## NOTE 8 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the custodian of the Plan).

## NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
