INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Beacon IMG 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Beacon IMG 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Beacon IMG 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Beacon IMG 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Beacon IMG 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Beacon IMG 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Beacon IMG 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the Beacon IMG 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan was established on August 1, 2021 and restated as of May 27, 2022, and is a defined contribution plan covering employees of Beacon IMG, Inc.; Southpark Hotel, LLC; CH Hotel, LLC; Charlotte HP, LLC; Riverside Hotel, LLC’ and Claremont Partners, LLC (collectively the “Sponsor”, “Company” or “Employer”). The plan is subject to the provisions of the Department of Labor’s (DOL’s) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The Sponsor is responsible for oversight of the Plan and determining the appropriateness of the Plan’s investment offerings and monitors investment performance.

Some administrative functions are performed by employees of the Company. No compensation is remitted to the Company for these services.

Plan assets are held and managed by Reliance Trust Company, who invest contributions and Plan earnings, make investment transactions as directed by Plan management and provide certain recordkeeping services. Automatic Data Processing (“ADP”) acts as the third-party administrator and recordkeeper for the Plan and performs certain plan administration and annual ERISA compliance testing.

Eligibility

Employees who are not a non-resident alien or a resident of Puerto Rico may become a participant of the Plan when they are age eighteen or older. An eligible employee may enter the plan on the first day of the month after all entry requirements have been met.

Contributions

Each year, participants may contribute up to the lesser of 90% of eligible compensation as defined by the Plan or the maximum amount allowed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The plan provides for an auto enrollment function whereby all eligible employees are auto enrolled in the plan at the conclusion of the notice period unless an election is made to decline participation in the plan. Auto-enrolled participants are enrolled at a 3% eligible compensation deferral rate.

NOTE 1: DESCRIPTION OF THE PLAN (Continued)

The Company may also contribute discretionary matching contributions and discretionary non-elective contributions. The Company contributed a discretionary matching contribution equal to 100% of the first 3% of participant salary deferrals for the years ended December 31, 2022 and 2021. No discretionary non-elective contributions have been made since the plan's inception. The Company's discretionary matching contributions for 2022 and 2021 were fully funded prior to the date the financial statements were available to be issued and plan management has determined that no allowance for credit losses on uncollectable amounts were deemed necessary.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant accounts

Each participant's account is credited with the participant's contributions, employer contributions and an allocation of the Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in discretionary employer matching contributions and discretionary non-elective contributions is based on years of continuous service. A participant is 50% vested after one year of continuous service and 100% vested after two years of continuous service. Participants become 100% vested upon death or total and permanent disability and at the attainment of age 65.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set a 2% above the prime rate, as defined in the plan document. Principal and interest is paid ratably through recurring payroll deductions.

NOTE 1: DESCRIPTION OF THE PLAN (Continued)

Benefit Payments

Benefit payments may generally be made to a participant upon the participant's retirement, death, disability, termination of employment, attainment of age 59 1/2, or upon incurring a financial hardship. Normal retirement age is 65. Benefits shall be paid to participants in an amount equal to the value of the participant's vested interest in his or her account in a single lump sum.

As permitted by the Internal Revenue Code (IRC), a participant may request a financial hardship withdrawal if they experience severe financial hardship. The participant must meet the condition that they cannot relieve the amount of the need by stopping the elective contributions to the Plan. The financial hardship withdrawal may not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever is less.

Forfeitures

Forfeitures are used to reduce employer contributions and to pay plan expenses. As of December 31, 2022 forfeited non-vested unallocated accounts totaled approximately \$3,918. There were no forfeited non-vested unallocated accounts as of December 31, 2021. No forfeitures were utilized during the year ended December 31, 2022 to reduce employer contributions or to pay plan expenses.

Plan Restatements and Amendments

The Plan was amended as of June 1, 2022 to remove Toringdon Hotel Partners as a participating affiliate due to the sale of the Company.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

Use of estimates

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment valuation and income recognition

Investments generally are reported at fair value but may also be reported at net asset value (NAV) or contract value.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements and NAV. The Plan administrator determines the Plan's valuation policies utilizing information provided by the Plan's custodian.

The plan holds an interest in a common collective trust (CCT) which invests primarily in synthetic guaranteed investment contracts and plan management has determined its interest in the CCT is fully benefit-responsive and is reported at contract value. See Note 5 for further information on the contract value of this investment.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contribution liabilities as of December 31, 2022 or 2021.

Payment of benefits

Distributions to participants are recorded when paid.

Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees related to participant directed transactions are charged directly to participants' accounts and are included in administrative expenses. During the year ended December 31, 2022, \$4,519 of administrative expenses were charged and allocated to participant accounts.

Risks and Uncertainties

The Plan invests in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risks associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan's financial statements.

Subsequent events

The Plan has evaluated subsequent events through October 12, 2023, the date the financial statements were available to be issued.

NOTE 3: INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

The Plan Administrator has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements has been derived from information certified to be complete and accurate by the Custodian under such regulation:

- a) Total investments, at fair value, included in the statements of net assets available for benefits at December 31, 2022 and 2021.
- b) Total investments, at contract value, included in the statements of net assets available for benefits at December 31, 2022 and 2021.
- c) Notes receivable from participants included in the statements of net assets available for benefits at December 31, 2022 and 2021.
- d) Investment income information included in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- e) Net depreciation in fair value of investments included in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- f) All amounts included in Note 4, Fair Value Measurements (Unaudited).
- g) All amounts included in Note 5, Fully Benefit-Responsive Investment (Unaudited).
- h) All information included in the supplemental schedule of assets (held at end of year) as of December 31, 2022.

NOTE 4: FAIR VALUE MEASUREMENTS (UNAUDITED)

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of input that may be used to measure fair values:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
 - Observable; or
 - Can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2011.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4: FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Description	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Signifiacnt Unobservable Inputs Level 3	Total
December 31, 2022				
Mutual Funds	\$ 157,844	\$ -	\$ -	\$ 157,844
	\$ 157,844	\$ -	\$ -	\$ 157,844
December 31, 2021				
Mutual Funds	\$ 42,163	\$ -	\$ -	\$ 42,163
	\$ 42,163	\$ -	\$ -	\$ 42,163

NOTE 5: FULLY BENEFIT-RESPONSIVE INVESTMENT (UNAUDITED)

The plan holds an interest in a common collective trust fund, the Invesco Stable Value Trust, which invests primarily in synthetic guaranteed investment contracts. The plan held assets totaling \$4,839 in this fund at December 31, 2022. Approximately 95% of the assets held in the underlying trust fund are synthetic guaranteed investment contracts with the remaining held in short term investment funds.

Synthetic guaranteed investment contracts are portfolios of securities with wrap contracts associated with the portfolios. These investment contracts are carried at contract value which is equal to the principal balance plus accrued interest plus deposits and less withdrawals.

Issuances and redemptions of participant units are made on each business day ("Valuation Date"). As permitted under the Trust agreement, participant units are issued and redeemed based upon the net asset value per unit of the Trust at contract value, determined in accordance with the Trust agreement.

Participants may redeem their units in the common collective trust fund daily without a notice period. A participating trust is required to provide a 12 month irrevocable written notice of intent to redeem all or a portion of its participation in the Trust.

The holdings in this common collective trust fund meet the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investments because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

Beacon IMG 401(k) Profit Sharing Plan and Trust
Notes to the Financial Statements
December 31, 2022 and 2021

NOTE 6: TAX STATUS

The Plan uses a pre-approved plan document sponsored by ADP which received an opinion letter from the IRS dated October 6, 2020, that the pre-approved Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Tax positions are recognized only if it is “more likely than not” that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount that is greater than 50% likely of being realized on examination. For tax positions not meeting the “more likely than not” test, no tax position is recorded. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7: RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS:

ADP provides administrative and recordkeeping services to the Plan. Fees paid by the Plan for these administrative services totaled approximately \$4,518 during 2022.

NOTE 8: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in Employer contributions.

NOTE 9: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
