Board of Trustees
Crystal Springs Services, Inc.
401(K) Plan
Hamburg, New Jersey

We have audited the financial statements of Crystal Springs Services, Inc. 401(K) Plan for the year ended December 31, 2022, and we will issue our report thereon dated October 12, 2023. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated June 26, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Crystal Springs Services, Inc. 401(K) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2022. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Audit Findings or Issues

During the audit of the 401 (K) plan for the year ended December 31, 2022, we became aware that the insurance in place (Fidelity bond) was less than is required. Currently the plan has a \$325,000 Fidelity bond in place with ADP retirement services. The plan is required to maintain an insurance bond that is greater than 10% of the total plan assets. At December 31, 2022, the total plan assets were \$3,318,724 making the required insurance amount less than is required. Management must monitor the plan assets, and coordinate with the new record keeper (ADP Retirement Services), the new trustee (Reliance Trust company), and the insurance agent to increase the coverage immediately to conform with the Department of Labor rules and regulations.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of you and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Board of Trustees of Crystal Springs Services, Inc. 401(K) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,
