Independent Auditor's Report

Plan Administrator
Sky River Casino 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Sky River Casino 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The following description of Sky River Casino 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) defined contribution plan covering the employees of Wilton Rancheria Gaming Authority dba Sky River Casino (the Company or Plan Sponsor) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company is the Plan Sponsor and serves as Plan Administrator. The Plan was established effective January 1, 2022.

Eligibility

Employees of the Company are eligible to participate in the Plan upon reaching the age of 21 and have completed three months of service. Plan entry date is the first day of the month coinciding with or next following the date the eligibility requirements are satisfied.

Contributions

Eligible participants may elect to make pre-tax or Roth elective deferrals. They may contribute to the Plan each payroll period up to the maximum amount allowable under the Internal Revenue Code (IRC). Participants who have attained the age of 50 before the end of the plan year are eligible to contribute an additional amount (a catch-up contribution) to the Plan subject to Internal Revenue Service (IRS) limits. Participants direct the investment of their contributions into various investment options offered by the Plan.

Additionally, participants may rollover amounts representing distributions from other qualified retirement or profit-sharing plans.

The Company will make a matching contribution equal to 50% of employee deferrals, not exceeding 4% of a participant's compensation for the Plan year. The Company contributions are invested in the same manner as the participants' contribution. A participant must make elective deferrals in order to receive the matching contribution.

Participant Accounts

Each participant's account is credited and/or charged with the participant's elective deferral and allocations of (a) the Company's contribution and (b) Plan earnings (losses), and charged with participant-directed administrative expenses, if any. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants are immediately vested for their entire contributions plus actual earnings thereon.

Vesting in the Company's matching contribution of the participant's accounts plus actual earnings thereon is based on year of continuous service. For the Company's matching contribution, a participant vests 100% upon the completion of four years of service. Termination of employment prior to attaining six years of service will result in the forfeiture of the non-vested account balance.

The following table sets forth the Plan's vesting schedule for employer contributions:

Years of Vesting Service	Percent Vested
Less than 1 year	0%
At least 1 year, but less than 2	25%
At least 2 years, but less than 3	50%
At least 3 years, but less than 4	75%
4 or more years	100%

Participants are automatically 100% vested upon reaching the age of 65 while employed, or in case of death, disability (as defined in the Plan), or termination of the Plan.

Forfeitures

Forfeited accounts are used to pay Plan expenses and remaining forfeitures will be used to reduce future employer matching. The Plan has no forfeitures during the year ended December 31, 2022.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the vested balance in the participants' accounts and bear an interest rate equal to 1% above the prime rate. Principal and interest are paid ratably through monthly payroll deductions. The term of the loan should not exceed five (5) years except in the case of a loan used to acquire a primary residence.

Payment of Benefits

Upon retirement or termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her vested account or payment in installment as determined by the participants. In accordance with the IRC, hardship withdrawals are allowed to satisfy an immediate and heavy financial need.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Hardship Withdrawals

Under certain conditions, a participant, while still employed, is permitted to make hardship withdrawals from the employee contribution and matching contribution portions of their account balance.

Administrative Expenses

Investment management and administrative expenses of the Plan are paid by the Plan as provided in the Plan document, unless paid by the Company, without reimbursement.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition

Investments are stated at fair value as reported to the Plan by the Plan's custodian, Reliance Trust Company (RTC). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on accrual basis. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments contracts bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date.

Net Appreciation (Depreciation) in Fair Value of Investments

Realized and unrealized appreciation (depreciation) in the fair value of investments is calculated based on the difference between the fair value of the assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

Realized and unrealized appreciation (depreciation) is reported in the accompanying Statement of Changes in Net Assets Available for Benefits as net appreciation (depreciation) in fair value of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

All usual and reasonable expenses are paid by the employer, and any expenses not paid by the employer may be paid from the plan assets if not prohibited by applicable laws or regulations.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 FAIR VALUE MEASUREMENT

The Plan has adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. This framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 3 FAIR VALUE MEASUREMENT (CONTINUED)

Following are descriptions of the valuation methodology used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact purchases and sales at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investment in mutual funds amounting to \$1,474,071 is classified as Level 1 of the fair value hierarchy.

NOTE 4 INVESTMENT CONTRACT WITH AN INSURANCE COMPANY

The Plan entered into a group annuity contract issued by Metropolitan Life Insurance Company (Metlife). Contract value of the annuity contract was \$74,930 as of December 31, 2022. The contract value represents contributions made, less withdrawals and administrative expenses, plus interest credited. Net deposits invested in the MetLife Stable Value Fund Series 25053 – Class 0 become part of Metlife's general account, and there are no particular segregated or identifiable assets ascribed to the Plan's investment. Net deposits and interest credited become liabilities against Metlife on the Plan's behalf. The Fund invests entirely in the MetLife Group Annuity Contract 25053 which consists of separately managed investment portfolios directed by RTC.

Daily liquidity is available for participant contributions and withdrawals at contract value regardless of market conditions. Contract value is guaranteed by the full faith and credit of Metropolitan Life Insurance Company; there are no wrap contracts supporting the liquidity of the fund.

Certain events may limit the ability of the plan to transact at contract value. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply.

NOTE 5 FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan's asset information as of December 31, 2022 and for the year then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, were obtained by management and agreed to or derived from information certified by RTC, the custodian of the Plan. The Plan Administrator has obtained certification from the custodian that information provided to the Plan Administrator by the custodian related to the Plan's assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

- Investments, as reflected in the Statement of Net assets Available for Benefits as of December 31, 2022;
- Investment activity, as reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022;
- Investment information disclosed in Notes 3 and 4 to the Plan's financial statements; and,
- Investments, as reflected in Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022.

NOTE 6 INCOME TAX STATUS

The Plan has adopted a non standardized form of a prototype plan sponsored by ADP, LLC. The prototype plan has received an opinion letter dated October 6, 2020 from the IRS as to the prototype document's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and currently being operated in compliance with the applicable provisions of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST

Common collective trust is managed through RTC or an affiliate. RTC is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Fees paid by the Plan to the trustee amounted to \$1,091 for the year ended December 31, 2022.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 9 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent (100%) vested in their accounts.

NOTE 10 RECONCILIATIONS OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 to Form 5500:

Net assets available for benefits as reported on the financial statements	\$ 1,767,888
Employee contributions receivable	(4,451)
Employer contributions receivable	<u>(211,496)</u>
Net assets available for benefits as reported on Form 5500	<u>\$ 1,551,941</u>

NOTE 10 RECONCILIATIONS OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED)

The following is a reconciliation of the increase in net assets available for benefits for the year ended December 31, 2022 as reported in the financial statements with that reported on Form 5500:

Net increase in net assets available for benefits per financial statements	\$ 1,767,888
Less: Employee contributions receivable - current year	(4,451)
Less: Employer contributions receivable - current year	<u>(211,496)</u>
Increase in net assets available for benefits as reported on Form 5500	<u>\$ 1,551,941</u>

NOTE 11 NEW LAWS AND REGULATION

On December 29, 2022, the SECURE 2.0 Act of 2022 (SECURED 2.0) became law. The new law makes changes to include provisions intended to expand coverage, increase retirement savings, and simplify and clarify retirement plan rules. SECURED 2.0 changed the retirement plan rules for long-term, part-time employees. The 401(k) plan requirement to allow employees to contribute elective deferral was expanded to 403(b) plans. For plan years beginning in 2024, if an employee has three consecutive 12-month periods with more than 500 hours of service in each, the employee must be eligible to enter the plan, and the period of service was reduced from three to two consecutive 12-month periods, for plans years beginning after December 31, 2024.

NOTE 12 SUBSEQUENT EVENTS

The Plan has evaluated events or transactions that occurred subsequent to December 31, 2022, through October 12, 2023, the date the accompanying financial statements were available to be issued, for potential recognition or disclosure in the financial statements and determined that no subsequent events occurred that required disclosure or adjustment to the accompanying financial statements.
