INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Child Saving Institute Retirement Plan
Omaha, Nebraska

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Child Saving Institute Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Fidelity Management Trust Company (Fidelity) as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

INDEPENDENT AUDITORS' REPORT (Continued)

- The information in the accompanying financial statements related to assets held by and certified to by Fidelity agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

INDEPENDENT AUDITORS' REPORT (Continued)

Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i - Schedule of Assets Held (At End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain

INDEPENDENT AUDITORS' REPORT (Continued)

additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by Fidelity agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

NOTE A – DESCRIPTION OF PLAN

The following description of the Child Saving Institute Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees, as defined by the Plan, of Child Saving Institute (the Employer) who are at least 19 years of age. Prior to January 1, 2019, participants were eligible to make employee deferrals after one month of service and were eligible for employer matching contributions upon completing 500 hours of service with six consecutive months of employment. Effective January 2, 2019, the Plan was amended to increase the employee deferral requirements from one to six months of service and remove the 500 hours of service requirement. In addition, effective January 18, 2019, participants are automatically enrolled in the Plan at a rate of 2% (employees have the option to change this rate as desired). Furthermore, effective January 18, 2019, the Plan will begin an automatic increase of elective deferral rates on February 25th of each year in 1% increments, up to a maximum elective rate of 10%; the increase shall apply to all participants who have been enrolled in the Plan for at least six months. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Entry dates are the first day of each month following the month that all eligibility requirements are met. The Child Saving Institute Retirement Plan Committee is responsible for the oversight of the Plan, determined the appropriateness of the Plan's investment offerings, monitors investments performance, and reports of the Employer's Board of Directors.

Effective January 1, 2023, the Plan was amended to remove age and service requirements. In addition, a safe harbor matching contribution provision was added for the Company to match 200% of the first 1% of eligible compensation and 100% of the next 3% of eligible compensation. Matching contributions will be fully vested.

Contributions

Participants may contribute up to 75% of their pre-tax annual compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified plans. Participants direct the investment of their employee and Employer contributions into various investment options offered by the Plan. Contributions are subject to certain dollar limitations, as imposed by the Internal Revenue Service (IRS).

The Employer provides for a discretionary matching contribution each year. During 2022 and 2021, the Employer made matching contributions of 1% more than the employee deferral percentage up to a maximum Employer contribution of 5%.

NOTE A – DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

In addition, the Employer may make additional profit-sharing contributions at the discretion of the Plan Administrator, subject to limitations established by the Internal Revenue Code (IRC). There were no profit-sharing contributions made to the Plan for the years ended December 31, 2022 and 2021.

Participant's Accounts

Each participant's account is credited with the participant's contributions (including rollovers) and allocations of (a) the Employer's contributions and, (b) Plan earnings (losses) on the participant's and Employer's contributions, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions (including rollovers) plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on the following schedule:

Credited Years of Service	Percentage of Account Vested
Less than one year	0.0%
1	33.3%
2	66.7%
3	100.0%

Participants become 100% vested in their entire account balance on or after their normal retirement age or upon death or disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through regular payroll deductions over a period not to exceed five years, unless the purpose of the note is to purchase a principal residence, in which case the maximum loan period is ten years. At December 31, 2022 and 2021, interest rates were between 4.25% to 6.50%.

NOTE A – DESCRIPTION OF PLAN (Continued)

Payment of Benefits

On termination of service due to death, disability, retirement, or termination of service for other reasons, a participant or beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her accounts as a lump-sum distribution. If the participant's vested account balance is less than \$5,000, but is greater than \$1,000, upon separation of service, the Plan can automatically roll the account into a qualified individual retirement account. If the participant's account is less than \$1,000, the Plan can automatically cash out the account.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts total \$11 and \$86, respectively. These accounts will be used to reduce future Employer contributions to the Plan. During the years ended December 31, 2022 and 2021, the Employer used \$17,232 and \$16,711, respectively, for forfeitures to reduce Employer contributions to the Plan.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Child Saving Institute Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note D for discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make note repayments and the Plan Administrator deems the participant note to be in default, the participant note balance is reduced and a benefit payment is recorded based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants or distributions are charged directly to the participant's account and are included in administrative expenses. Investments related expenses are included in net (depreciation) appreciation of fair value of investments. Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan.

Income Taxes

Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

Subsequent Events

The Plan has evaluated subsequent events through September 19, 2023, the date the financial statements were available to be issued.

NOTE C – INFORMATION CERTIFIED BY FIDELITY MANAGEMENT TRUST COMPANY

The following is a summary of the investment information as of and for the years ended December 31, 2022 and 2021 included throughout the Plan's financial statements and supplemental schedule that were prepared by or derived from information provided by Fidelity and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Fidelity Management Trust Company that information provided to the Plan Administrator by the trustee related to the following investments is complete and accurate.

	December 31,	
	2022	2021
Investments	\$ 3,496,844	\$ 4,155,568
Notes Receivable from Participants	93,847	98,525
Total	<u>\$ 3,590,691</u>	<u>\$ 4,254,093</u>

Fidelity Management Trust Company also certified to the completeness and accuracy of \$4,923 and \$5,105 of interest earned on notes receivable from participants, \$182,107 and \$215,541 of dividends and interest from investments, and (\$815,761) and \$288,475 of net depreciation and appreciation (including realized gains and losses on investments bought and sold, as well as unrealized gains and losses on investments held during the year) in the value of investments related to the aforementioned assets for the years ended December 31, 2022 and 2021, respectively.

NOTE D – FAIR VALUE MEASUREMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. There is a hierarchy of three levels of inputs that may be used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

CHILD SAVING INSTITUTE RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ended December 31, 2022 and 2021

NOTE D – FAIR VALUE MEASUREMENTS (Continued)

Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at fair value as determined by quoted market prices in active markets, which represents the net asset value (NAV) of shares held by the Plan at year end.

Common collective trust: Valued at the NAV of units of a bank collective trust. The NAV is based on the fair value of the underlying investments of the fund less its liabilities and is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D – FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 3,452,401	\$ -	\$ -	\$ 3,452,401
Investments measured at NAV:				
Common collective trust (a)	-	-	-	44,443
Total assets at fair value	<u>\$3,452,401</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,496,844</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$4,115,068	\$ -	\$ -	\$ 4,115,068
Investments measured at NAV:				
Common collective trust (a)	-	-	-	40,500
Total assets at fair value	<u>\$4,115,068</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,155,568</u>

(a) In accordance with Financial Accounting Standards Board (FASB) ASC Subtopic 820-10, certain investments that were maintained at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using the net asset value per share (or its equivalent) practical expedient as of December 31, 2022:

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$44,443	-	Daily	None

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using the net asset value per share (or its equivalent) practical expedient as of December 31, 2021:

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$40,500	-	Daily	None

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE F – RELATED PARTY TRANSACTIONS

The Plan has a number of service providers which qualify as parties-in-interest. Fees paid by the Plan to parties-in-interest amounted to \$40,542 and \$40,525 for the years ended December 31, 2022 and 2021, respectively.

NOTE G – INCOME TAX STATUS

The Plan has adopted a pre-approved plan document. The pre-approved plan document has received an opinion letter from the IRS dated June 30, 2020 as to the volume submitter plan document's qualified status. The volume submitter plan document's opinion letter has been relied upon by this Plan. Although the Plan has amended the volume submitter plan document, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for periods prior to December 31, 2019.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.
