REPORT OF INDEPENDENT AUDITORS

TO BOARD OF TRUSTEES OF
INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS,
LOCAL 712, PROFIT SHARING TRUST FUND

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of International Brotherhood of Electrical Workers, Local 712, Profit Sharing Trust Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of International Brotherhood of Electrical Workers, Local 712, Profit Sharing Trust Fund's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be

independent of International Brotherhood of Electrical Workers, Local 712, Profit Sharing Trust Fund and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about International Brotherhood of Electrical Workers, Local 712, Profit Sharing Trust Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of International Brotherhood of Electrical Workers, Local 712, Profit Sharing Trust Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about International Brotherhood of Electrical Workers, Local 712, Profit Sharing Trust Fund's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assts (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN

The following brief description of the International Brotherhood of Electrical Workers, Local 712, Profit Sharing Trust Fund (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a multiemployer defined contribution pension plan that is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan provides benefits in the form of a lump-sum distribution to participants at retirement. Distributions from the Plan are also permitted in the event of a participant's death, termination of employment or a hardship situation as determined by the Plan trustees.

Benefits

The Plan provides retirement benefits for any person employed under the working agreement covering the jurisdiction of the International Brotherhood of Electrical Workers, Local 712 (the Local).

Payment of Benefits

On termination of service, due to death, disability, retirement, termination of the Plan, termination of the employer's business, or upon attainment of age 59 1/2, a participant is entitled to a distribution of their interest in his or her account balance. Forms of distribution include a lump-sum payment, partial lump sum payment of not less than \$2,500, and monthly installments of not less than \$200 per month.

Vesting

Participants are 100% vested in the contributions made on their behalf and the related earnings.

Contributions

For the years ended December 31, 2022 **and 2021**, the Inside Construction and Power Station agreements provide that the employer make monthly contributions to the Plan of \$4.35 and \$4.19 per hour for each hour paid on commercial jobs, respectively, and \$1.90 and \$1.80 per hour paid on residential jobs, respectively. In addition, for the years ended December 31, 2022 **and 2021**, contributions are made for apprentices, which range from \$0.95 to \$2.25 and \$0.90 to \$2.09 per hour based upon the apprentice level, respectively. Participants may direct their contributions into any of the investment funds offered by the Plan. If a participant fails to make an investment election their contributions will be designated in the default investment fund as determined by the Plan.

Participant Accounts

The Plan maintains an individual investment account for each participant. Contributions made are directly allocated to each account along with an allocation of earnings and administrative expenses. Allocations of the Plan's earnings and losses are based on the proportion that each participant's account bears to the total of all participant accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Reclassifications

Certain amounts in the prior year financial statements have been reclassified to enhance comparability with the current period information. Such reclassifications had no impact on the Plan's net assets or changes in net assets.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investments which are traded on a national securities exchange are valued at the last reported sales price on the last business day of the year; investments traded on the over-the-counter market are valued at the last reported bid price.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Empower Guaranteed Fund held by the Plan contains underlying investment contracts where the fair value of the investment contracts is equal to contract value.

Contractor Assessment Receivable

Contractor assessments receivable as of December 31 are accrued based on analysis of subsequent employer reports and remittances.

Delinquent Contributions Receivable

The Trustees monitor contractor remittances to determine whether active contributing contractors are delinquent. The amount recorded on the balance sheet consists of delinquent contributions, interest charges, liquidated damages charged, and cost recovery fees. The Trustees believe that the delinquent contributions are fully collectible.

Notes Receivable from Participants

Participants in the Plan may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance, to be repaid over a term not to exceed 5 years.

Participant notes receivable are secured by the participant's account balances and carry interest at prime plus one percent. As of December 31, 2022 and 2021, notes had fixed rates of 8.50% and 4.25% for the term of the note, respectively. Participants are allowed one note receivable at a time and are required to make note receivable payments at least every calendar quarter. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are classified as distributions based upon the terms of the plan document.

Accounting standards require that participant loans be classified as notes receivable from participants in the accompanying financial statements; however, the Department of Labor requires these to be classified as investments on the Form 5500 and on the schedule of assets (held at end of year).

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Expenses

Generally all administrative and recordkeeping fees are paid by the Plan. Plan participants are assessed an asset based participant fee (ABPF) on a quarterly basis. A portion of the ABPF is retained by the custodian for recordkeeping fees and the other portion is sent to the Plan to cover other expenses. Certain other expenses are paid by the Plan in accordance with the percentage allocation to each of the Local's funds as mandated by the Department of Labor (see Note G).

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with the U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Plan Termination

Although it has not expressed any intention to do so, the Plan has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their accounts.

NOTE C – INFORMATION CERTIFIED BY THE PLAN'S RECORDKEEPER

Investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021 and net change in investment income and expenses for the years ended December 31, 2022 and 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Plan's recordkeeper Empower Annuity Insurance Company, (EAIC) (formerly Prudential Retirement Insurance and Annuity Company). The Plan's recordkeeper certified the information pertaining to the guaranteed income funds and the pooled separate accounts. The Plan's recordkeeper did not certify the information pertaining to mutual funds, common/collective trust funds and participant loans, which were subject to other audit procedures.

Effective April 1, 2022, Empower Annuity Insurance Company of America (EAICA), formerly known as Great-West Life & Annuity Insurance Company, the parent company of Empower Retirement, LLC (Empower) acquired the full-service retirement business of Prudential Financial, Inc. In connection with the transaction, EAICA acquired all shares of the following entities, which are no longer affiliated with Prudential Financial, Inc.: Prudential Retirement Insurance and Annuity Company; Prudential Bank & Trust, FSB; Global Portfolio Strategies, Inc.; TBG Insurance Services Corporation; MC Insurance Agency Services, LLC; and Mullin TBG Insurance Agency Services, LLC. On October 3, 2022, Prudential Retirement Insurance and Annuity Company was renamed Empower Annuity Insurance Company.

NOTE D – FAIR VALUE MEASUREMENTS

Financial accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE D – FAIR VALUE MEASUREMENTS (continued)

Level 1 fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2 fair value inputs are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly. Observable inputs include quoted market prices in active markets for similar assets, quoted prices in markets that are not active for identical or similar assets and other market observable inputs such as interest rate, credit spread and foreign currency exchange rates observable in the marketplace or derived from market transactions.

Level 3 fair values are based on at least one significant unobservable input for the asset. Level 3 securities contain unobservable market inputs and as a result considerable judgment may be used in determining the fair values.

Certain investments are measured at fair value using the net asset value (NAV) per share, or its equivalent, as a practical expedient. These investments include commingled funds which may include money market funds, common collective trusts and pooled separate accounts which are typically valued using the NAV provided by the administrator of the fund. The Plan assets include pooled separate accounts and common/collective trust funds. In accordance with accounting guidance, these investments have not been classified in the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Common/collective trust: Units held in collective investment trusts are valued using the NAV of the fund, as a practical expedient. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV of a collective investment fund is calculated based on a compilation of primarily observable market information. The number of units of the fund that are outstanding on the calculation date is derived from observable purchase and redemption activity in the fund.

IBEW/NECA: Valued daily at the last sale price on the securities exchange on which such securities are primarily traded or at the last sale price on the national securities market. Short-term investments, or money market funds, are valued at cost, which approximate fair value.

The estimated fair value of the collective trust fund is net asset value. The use of net asset value as fair value is deemed appropriate as the collective trust funds do not have finite lives, unfunded commitments relating to these types of investments, or significant restrictions on redemptions.

Pooled separate accounts: As a practical expedient, net asset value (NAV) of each of the separate accounts is calculated in a manner consistent with U.S. GAAP for investment companies and is determinative of their fair value and represents the price at which the Plan would be able to initiate a transaction. Several of the separate accounts invest in publicly quoted mutual funds or actively managed stocks. The fair value of the underlying mutual funds or stocks is used to determine the NAV of the separate account, which is not publicly quoted. Some of the separate accounts also invest in fixed income securities. The fair value of the underlying securities is based on quoted prices of similar assets and used to determine the NAV of the separate account.

Mutual funds: Valued at quoted market prices on the last business day of the Plan year.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE D – FAIR VALUE MEASUREMENTS (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Total				<u>\$ 76,822,150</u>

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE E – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive investment contract with Empower Annuity Insurance Company. Empower Annuity Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note B, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Empower Annuity Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1.50%. Such interest rates are reviewed on a periodic basis for resetting. Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial Plan termination or merger with another plan, (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption under federal income taxes or any required prohibited transaction exemption under the ERISA. The plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE F – TAX STATUS

The Plan is a qualified trust under Section 401(a) of the Internal Revenue Code (IRC) and, accordingly, the Trust's net investment income is exempt from income taxes. The Trust has obtained its latest determination letter on November 12, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan's sponsor and legal counsel believe that the Trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the IRC.

NOTE G – PARTY-IN-INTEREST TRANSACTIONS

Certain parties provide services or have fiduciary responsibilities to the Plan, including the Plan Sponsor. These services are parties-in-interest transactions. The Plan also invested in certain pooled separate accounts which are owned and managed by the Custodian. These transactions also qualify as party-in-interest transactions.

The Local and two of the Plan's trustees are parties to the collective bargaining agreement and are contributing employers to the Plan.

The Plan allows participants to borrow funds against their account balances. These transactions qualify as party-in-interest transactions.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE G – PARTY-IN-INTEREST TRANSACTIONS (continued)

The Plan subleased office space from an affiliate of the Local under an annual lease agreement which required minimum monthly lease payments of \$-0- and \$1,541 during the years ended December 31, 2022 and 2021, respectively. The following table presents the percentage of rent and administration expense allocated to each of the Local's funds, as mandated by the Department of Labor:

Wage and Fringe Benefit Trust Fund	3.46%
	100.00%

The Plan's portion of rent expense for the years ended December 31, 2022 and 2021 was \$-0- and \$995, respectively and is included in administrative expenses in the accompanying financial statements.

NOTE H – RISKS AND UNCERTAINTIES

The Plan provides various investment options which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I – CONCENTRATIONS OF CREDIT RISK

The Plan maintains deposits in a financial institution that at times exceed amounts covered by insurance provided by the U.S. Federal Deposit Insurance Corporation. The Plan believes that there is no significant risk with respect to these deposits.

For the year ended December 31, 2022, the Plan received 41% of its contributions from 2 employers. For the year ended December 31, 2021, the Plan received 58% of its contributions from 2 employers. Loss of employment to Union members at any of these employers would result in a significant reduction in contributions to the Plan.

NOTE J – RECIPROCITY

The Plan has entered into reciprocity agreements with most IBEW local unions in the United States. Individuals meeting the requirements of the reciprocity agreement can request to have contributions to the Plan sent to another local union fund, or to direct other local union funds to send contributions to the Plan. Contributions for those individuals who have requested to participate in another local's fund that have not yet been remitted to that fund are recorded as "reciprocity payable" on the statements of net assets available for benefits. Contributions for individuals working for other locals who have requested participation in the Plan that have not been received by the Plan are reported as "reciprocity receivable" on the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE K – SUBSEQUENT EVENTS

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 13, 2023, which is the date the financial statements were available to be issued.
