INDEPENDENT AUDITOR'S REPORT

To the Participants and Trustees of the
New England Electrical Workers
Money Purchase Plan and Trust

Opinion

We have audited the financial statements of the New England Electrical Workers Money Purchase Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the New England Electrical Workers Money Purchase Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of New England Electrical Workers Money Purchase Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about New England Electrical Workers Money Purchase Plan and Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year and Schedules of Administrative Expenses, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental Schedule of Assets Held at End of Year represents supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements are prepared using the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are held with John Hancock Trust Company. Investments in mutual funds are carried at fair value as of the last business day of the year based on the net asset value of the Fund as provided by John Hancock Trust Company. The IBEW-NECA Stable Value Trust, common collective trust, is carried at contract value which approximates fair value, as provided by John Hancock Trust Company. Purchases and sales of securities are recorded on trade - date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plans gains and losses on investments bought and sold as well as held during the year.

See Note 4 for discussion of fair value measurements.

Contributions Receivable - Employer contributions due and not paid prior to the year end are recorded as contributions receivable. Allowance for uncollectible accounts is considered unnecessary and is not provided.

Participant Loans Receivable - Participant loans receivable are valued at unpaid principal balance plus accrued but unpaid interest.

Payment of Benefits - Benefit payments to participants are recorded upon distribution.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. Employer contributions are accounted for as exchange transactions. The contributions are due on a monthly basis. It is the policy of the Trustees to pursue monies due.

NOTE 2. DESCRIPTION OF THE PLAN

New England Electrical Workers Money Purchase Plan and Trust (the Plan) is a multiemployer collectively bargained defined contribution money purchase pension plan covering all eligible employees of participating contractors. The Plan provides for retirement benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

NOTE 2. DESCRIPTION OF THE PLAN (continued)

An employee will be eligible to become a Participant in the Plan as of the first day of the month coincident with or next following completion of one hour of service. A participant is vested 100% in their account balance after exceeding 1 hour of service. Effective July 1, 2003, the Plan became entirely self-directed, and participants can direct 100% of employer contributions and may change investment choices at any time. Normal retirement age is 55.

Effective June 20, 2012, the loan provisions of the Plan were amended and the Plan resumed issuing loans to participants. The maximum loan amount permitted is the lower of \$50,000 or 50% of the account balance. A participant cannot request a loan for less than \$1,000 and can have only one outstanding loan at a time. Five years is the maximum length of the loan, unless it qualifies as a home loan (then it is to be used within a reasonable time as a principal residence of the participant). Interest is charged at the prime rate of interest and the loan must provide for at least quarterly payments under a level amortization schedule. Currently, the interest rate on loans outstanding ranges from 2.75% to 7.50%.

Participants should refer to the Summary Plan Description for more complete information.

Employer Contributions - The Plan receives contributions based on the number of hours worked as specified in the collective bargaining agreements. Employer contributions are accounted for as exchange transactions. The contributions are due on a monthly basis. It is the policy of the Trustees to pursue monies due.

Retirement Benefits - A participant's vested interest in the plan is payable after one year of separation, or upon retirement or disability, by lump sum or in installments. Distribution of a participant's interest upon death is made to the named beneficiary or legal representative.

Investment Options - Upon enrollment in the Plan, a participant may direct up to 100% of employer contributions and may change investments at any time. Contributions to the Plan are invested as directed by the participant in mutual funds and common collective trusts. Participants must evaluate their own investment goals and objectives and choose the mutual funds and common collective trusts best suited to achieve those goals and objectives. Poor investment performance by the mutual funds and common collective trusts selected by the participants may cause their vested balances to be lower than the amounts contributed to the Plan on their behalf.

Participant Accounts - Each participant's account is credited with contributions made on their behalf by contributing employers, plan earnings (losses) and an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

NOTE 3. TAX STATUS

The Plan obtained its latest determination letter on December 18, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) of the Internal Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. The Plan's Administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

NOTE 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 4. FAIR VALUE MEASUREMENTS (continued)

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the period.

During the years ended December 31, 2022 and 2021, there were no transfers in or out of levels 1, 2, or 3.

	Fair Value Measurements at December 31, 2022			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 426,177,670	\$ 426,177,670	\$ -	\$ -
Total assets in the fair value hierarchy	426,177,670	\$ 426,177,670	\$ -	\$ -
Investments measured at NAV	140,723,150			
Total investments	<u>\$ 566,900,820</u>			

	Fair Value Measurements at December 31, 2021

Investments measured at NAV	138,253,033			
Total investments	<u>\$ 631,809,227</u>			

In accordance with ASC 820-10, investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on net asset value (NAV) per share December 31, 2022:

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trusts:				
IBEW-NECA Stable Value Trust	\$ 114,324,637	\$ -	*	^
IBEW-NECA Equity Index Fund	26,398,513	-	Daily	Daily
	<u>\$ 140,723,150</u>			

The IBEW-NECA Stable Value Trust accounts for 20% of the net assets of the fund.

NOTE 4. FAIR VALUE MEASUREMENTS (continued)

The following table summarizes investments measured at fair value based on net asset value (NAVs) per share December 31, 2021:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common collective trusts:				
IBEW-NECA Stable Value Trust	\$ 107,194,437	\$ -	*	^
IBEW-NECA Equity Index Fund	<u>31,058,596</u>	-	Daily	Daily
	<u>\$ 138,253,033</u>			

* The IBEW-NECA Stable Value Trust trades daily in accordance with the New York Stock Exchange. The Trust is Trade Date + 1; trades settle next business day.

^ Participant directed distributions can be submitted by trade ticket daily, for next day settlement.

The IBEW-NECA Stable Value Trust primary investment objective is to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity.

The objective of IBEW NECA Equity Index Fund is to as nearly as practical replicate the performance of the Standard and Poor's 500 Index, a widely recognized index of common stocks, by the purchase of such equities which compose the S&P 500 index.

All the investments held by Plan are measured at fair value, without adjustment by the Plan, based on the NAV or NAV equivalent as of December 31, 2022 and 2021, respectively.

NOTE 5. EMPLOYER CONTRIBUTIONS

Employer contributions by Local Union for the years ended December 31, 2022 and 2021 were as follows:

	<u>2022</u>	<u>2021</u>
Local 42	\$ 29,288,369	\$ 27,652,038
Local 104	<u>36,377,647</u>	<u>34,013,665</u>
Total	<u>\$ 65,666,016</u>	<u>\$ 61,665,703</u>

The New England Electrical Workers Benefits Fund (Benefits Fund) is related to the Plan through common Trustees.

NOTE 6. RELATED PARTIES

The New England Electrical Workers Benefits Fund (Benefit Plan) is related to the Plan through common Trustees. The Plan reimburses the Benefit Plan for their portion of the trustee meeting expenses. There were no related party transactions during 2022 and 2021.

Certain plan investments have shares of common collective trust managed by Invesco National Trust Company in 2022 and 2021. Invesco National Trust Company is the Trustee, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. These transactions have been denoted as such on the supplemental schedule of assets held for investment purposes at end of year.

Participant loans also qualify as party-in-interest transactions.

The transactions identified above qualify as transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 7. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the pensioners, beneficiaries and participants. In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

NOTE 8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to Form 5500 as of December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 610,997,167	\$ 660,779,885
Deemed distributions	<u>(7,709,965)</u>	<u>(6,907,708)</u>
Net assets available for benefits per Form 5500	<u>\$ 603,287,202</u>	<u>\$ 653,872,177</u>

NOTE 8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (continued)

The following is a reconciliation of benefits paid to participants per the financial statements to Form 5500 as of December 31, 2022:

Benefits paid to participants per the financial statements	\$ 23,787,034
Deemed distributions	<u>802,257</u>
Benefits paid to participants per Form 5500	<u>\$ 24,589,291</u>

NOTE 9. SERVICE CREDIT FROM CUSTODIAN

The Plan receives a service credit from the custodian to offset the Plan's cost of providing administrative services to its participants, in accordance with the Administrative Services Agreement. The amounts received totaled \$7,886 and \$274,071 during the years ended December 31, 2022 and 2021, respectively.

Effective July 1, 2021, the service credit from custodian was terminated and changed to a \$25 per participant per quarter charge to offset the Plan's cost of providing administrative services to its participants.

NOTE 10. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as economic, interest rate, market and sector risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 11. PLAN AMENDMENTS

A qualified individual may elect to delay payments on any loan that comes due on or after March 27, 2021 through December 31, 2021 for up to a year.

NOTE 12. CONTRACT ADMINISTRATION

The Plan has an agreement with Zenith American Solutions ("Zenith"), a third-party administrator, to administer the Plan. The contract provides for a monthly fee of \$10,825 through March 1, 2021, \$11,050 effective March 1, 2022, and \$11,275 effective March 1, 2023.

NOTE 13. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.

Subsequent to year end, Zenith will be paying lost earnings to the participants of the Plan due to late transfer of 2022 contributions to the recordkeeper during 2023.
