## **INDEPENDENT AUDITOR'S REPORT**

To the Pension Plan Committee  
The Refinery 401(k) Plan  
Sherman Oaks, California

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of The Refinery 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

#### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules of assets (held at end of year) as of December 31, 2022 and delinquent participant contributions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### NOTE 1. DESCRIPTION OF THE PLAN

The following description of The Refinery 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General:** The Plan, as amended, is a defined contribution plan established on January 1, 2007 that covers substantially all of the employees of Waldberg, Inc. dba The Refinery and its related employer, The Refinery AV, LLC, (collectively referred to as the Company) who have attained age 18 and completed three consecutive months of service. Entry to the Plan begins on the first day of the quarter coinciding with or following the satisfaction of the eligibility requirements. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions:** Participants may elect to contribute to the Plan a percentage or dollar amount of compensation as elective deferrals or Roth contributions. Participants may also contribute amounts representing rollover distributions from other qualified plans. The maximum employee deferral permitted by the Internal Revenue Service (IRS) for the year ended December 31, 2022 was \$20,500. Catch-up contributions of \$6,500 was available to participants who had attained age 50 or older by December 31, 2022, and had not exceeded Internal Revenue Code (IRC) pretax dollar contribution limits for the Plan year.

The Company may make matching contributions for each eligible participant who is participating in the plan equal to 50% of the salary deferral up to 6% of compensation. The Company matching contributions for the year ended December 31, 2022 was \$410,827. The Company may also make discretionary profit sharing contributions for the employees who are employed by Waldberg, Inc. dba The Refinery on the last day of the Plan year and are credited with at least 1,000 hours of service during the Plan year. The employees of The Refinery AV, LLC are not eligible for discretionary profit sharing contributions. There was no discretionary profit sharing contribution made for the year ended December 31, 2022.

**Participant Accounts:** Each participant's account is credited or charged with the participant's contributions and allocations of (a) the Company's contribution, (b) the Plan earnings (losses), and (c) administrative expenses. Allocations of the Plan earnings (losses) for investments are based on participants' account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### NOTE 1. DESCRIPTION OF THE PLAN (Continued)

**Vesting:** Participants are immediately vested in their employee contributions. Participants are vested in the Company's matching and discretionary profit sharing contributions according to the following schedule:

| Years of Service | Percentage Vested |
|------------------|-------------------|
| 1                | 20%               |
| 2                | 40%               |
| 3                | 60%               |
| 4                | 80%               |
| 5 or more        | 100%              |

Notwithstanding the above, if a participant (1) dies, (2) incurs a disability while employed by the Company or (3) satisfies the conditions for early retirement age, the Company's matching and discretionary profit sharing contributions become 100% vested without regard to years of service.

**Notes Receivable from Participants:** Participants may borrow from their vested account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The notes receivable are secured by the vested balances in the participants' accounts and bear interest at prime rate (7.50% at December 31, 2022) plus 1%. Principal and interest are paid ratably through payroll deductions or participants' own personal funds over a term not to exceed five years, or 30 years for notes receivable borrowed for the purpose of purchasing a principal residence.

**Investment Options:** Participants may direct the investments of their compensation deferrals, rollover contributions, and Company matching and discretionary profit sharing contributions in various investment funds offered and held by Ascensus Trust Company.

**Benefit Payments:** Upon retirement, termination of service, death or disability, a participant or beneficiary is entitled to receive a partial or a lump-sum amount equal to the value of the participant's vested interest in his or her account. In-service distributions are permitted from elective and Roth deferrals in cases of financial hardship or for qualified reservist. Financial hardship withdrawals are subject to applicable excise and income taxes. If a terminated participant's vested account is less than \$5,000, his or her total vested benefit will be automatically rolled over to an IRA selected by the Plan Administrator.

**Forfeitures:** Forfeited Company matching and discretionary profit sharing contributions will be used to first pay administrative expenses of the Plan and then to reduce Company contributions of the Plan. During the year ended December 31, 2022, the Company used \$76 of forfeiture to pay for administrative expenses. No forfeitures were used to reduce Company matching contributions. The balances available in the forfeitures account as of December 31, 2022 and 2021 were \$81,563 and \$54,459, respectively.

### NOTE 3. CERTIFIED INFORMATION

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the financial information included in the Plan's financial statements as it relates to investment assets, investment transactions, investment income (loss), notes receivable from participants and the schedule of assets held at end of year have been derived from information certified as complete and accurate by Ascensus LLC, the recordkeeper of the Plan, as agent of Ascensus Trust Company, the custodian of the Plan, in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

### NOTE 4. TAX EXEMPT STATUS

On February 12, 2018 the Plan adopted a non-standardized form of a prototype plan sponsored by Ascensus LLC. The prototype plan provider has received a favorable opinion letter from the IRS dated January 1, 2018, which stated that the form of the prototype plan adopted by Plan is acceptable under the IRC Section 401. The Plan Administrator believes that the Plan is currently designed and operating in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan Administrator has analyzed tax positions taken by the Plan and concluded that, as of December 31, 2022, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for years prior to December 31, 2019.

## THE REFINERY 401(K) PLAN

Notes to Financial Statements  
December 31, 2022 and 2021

---

### NOTE 6. PARTY-IN-INTEREST TRANSACTIONS

The majority of the Plan investments include mutual funds managed by The Vanguard Group Inc. Vanguard utilizes Ascensus as a subcontractor for the day to day recordkeeping services for the Plan. Therefore, these transactions qualify as party-in-interest transactions as defined by Section 3(14) of ERISA.

### NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### NOTE 8. CORRECTIVE DISTRIBUTIONS

Amounts payable to participants for contributions in excess of amounts allowed by the IRS of \$12,549 and \$42,091 are recorded as liabilities in the accompanying statements of net assets available for Plan benefits as of December 31, 2022 and 2021, respectively. Corrective distributions relating to the 2022 and 2021 plan years were paid out during the 2023 and 2022 Plan years, respectively.

### NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### NOTE 10. FAIR VALUE MEASUREMENTS

In accordance with accounting principles generally accepted in the United States of America, the Plan establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

*Level 1* Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in active markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Notes to Financial Statements  
December 31, 2022 and 2021

### NOTE 10. FAIR VALUE MEASUREMENTS (Continued)

*Level 3* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual funds are measured at fair value using quoted market prices which represent the net asset value of shares held by the Plan at year end. Mutual funds are considered as level 1 investments.

Money market funds are valued at carrying value, which approximates fair value.

The valuation methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

|                                 | Fair Value Measurements Using                                              |                                                           |                                                    | Total                |

### **NOTE 11. DELINQUENT PARTICIPANT CONTRIBUTIONS**

During the year ended December 31, 2021, the Company inadvertently failed to deposit \$30,450 of participant deferrals within the required timeframe as stated by the United States DOL regulations. The Company had reimbursed the Plan for lost interest and earnings, filed Form 5330 and paid the applicable excise tax on October 21, 2022. The payments were made from the Company's assets and not from assets of the Plan.
