To the Trustees of
Homestead Funding Corp. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have audited the financial statements of Homestead Funding Corp. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Homestead Funding Corp. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit on the 2022 Financial Statement section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the 2022 Audit of the Financial Statements section of our report. We are required to be independent of Homestead Funding Corp. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Prior Period Financial Statements

The financial statements of the Homestead Funding Corp. 401(k) Plan for the year ended December 31, 2021, were audited by Marvin and Company, P.C., who merged with Mengel, Metzger, Barr & Co. LLP as of January 1, 2023, and whose report dated October 5, 2022, stated that:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or was derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Homestead Funding Corp. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always

detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Homestead Funding Corp. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Homestead Funding Corp. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our 2022 audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial

statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion --

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HOMESTEAD FUNDING CORP. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN

The following brief description of Homestead Funding Corp. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement or pamphlet "Summary Plan Description" for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution deferred compensation 401(k) plan and covers substantially all of the employees of Homestead Funding Corp. (the Company) who meet certain eligibility criteria. Employees are eligible to participate in the Plan upon attaining age 21 with plan enrollment dates of January 1 or July 1. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Partial Termination

As a result of a reduction of the Plan Sponsor's workforce in 2022, the Plan experienced a partial plan termination as defined by ERISA in 2022. Under ERISA, a partial plan termination may occur if a significant percentage of the Plan participants are terminated because of an action taken by the Plan Sponsor. If a partial plan termination occurs, full vesting in the employer's contribution is required for the affected participants, but the remaining participants' vesting continues to be determined per the plan provisions.

All affected employees who were participants in the Plan were fully vested in their account balances at the date of their partial plan termination.

Contributions

The Plan permits employees to contribute to the Plan at their own discretion. The Company makes a discretionary matching contribution calculated as 50% of the participant's salary deferral contribution up to 6% of the participant's compensation but shall not exceed \$3,000 each fiscal year.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contribution, and plan earnings and charged with administrative costs. Each participant chooses the fund or funds in which contributions are to be invested. Contributions may be allocated between the funds in any integral percentage. A participant may change the fund or funds into which their contributions are invested or transfer all or any portion of their account balance between funds upon proper notification of the plan administrator or by initiating the change/transfer on their own using the plan's custodian, Nationwide Trust Company, FSB (Nationwide) website or by calling the Nationwide voice response unit. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**HOMESTEAD FUNDING CORP. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

1. DESCRIPTION OF THE PLAN

Vesting

Participants are immediately vested in their voluntary contributions plus net earnings thereon. Vesting of the Company's contributions portion of their account is based upon the earlier of the vesting schedule below, plan termination, the occurrence of normal retirement age (65), occurrence of eligibility for early retirement, and death or disability (permanent and total) while actively employed.

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Payment of Benefits

Pursuant to plan documents, participants receive their benefits in a single lump sum amount equal to the value of the participant's vested interest in their account.

Forfeitures

Forfeited non-vested account balances can be used in accordance with the plan document toward reducing Company's matching contributions, reducing administrative expenses, or restoring forfeited account balances of rehires who are eligible for a restoration of forfeitures. For the years ended December 31, 2022 and 2021, forfeitures of \$31,044 and \$14,293, respectively, were applied toward reducing Company matching contributions.

Plan Amendments

In 2019, the Plan implemented the hardship provisions of the Bipartisan Budget Act of 2018, expanding the qualifications for hardship distributions. The Plan was formally amended for the adoption of these provisions in January 2021.

In 2020, the Plan implemented the distribution and eligibility provisions of the SECURES Act, increasing the RMD age to 72, allowing for tax-penalty free distributions for up to \$5,000 for birth of a child / adoption, and allowing long-term part-time employees to be eligible for 401(k) Plans. The Plan has not been formally amended for the adoption of the provisions of the SECURES Act.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting. The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States of America.

HOMESTEAD FUNDING CORP. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions, which affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan offers participants the option to choose from a diversified portfolio of registered investment companies ("mutual funds") investments and a guaranteed investment account, which is managed pursuant to an investment contract with Nationwide. The contract with Nationwide provides for guaranteed interest rates, which are established annually. The guaranteed interest rate at December 31, 2022 and 2021 was 1.97% and 1.63%, respectively. Nationwide has determined this guaranteed investment contract is fully benefit responsive, and is presented at contract value.

Participants can allocate various percentages of their salary deferral to any of these mutual funds. The fair values of the mutual funds fluctuate daily. The mutual funds' investments are diversified and are not concentrated in any industry or geographic location.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Investment income recognized by the Plan includes earnings from investments, net gains (losses) realized from the sale of investments, and the net changes in the unrealized appreciation (depreciation) of investments.

Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification Topic 820, *Fair Value Measurements* establishes a framework for measuring fair value. That framework provides for a fair value hierarchy that prioritizes the inputs in valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

HOMESTEAD FUNDING CORP. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Fair Value Measurements

The asset's or liability's fair value measurement level within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodology used at December 31, 2022 and 2021. There have been no changes in the methodologies used for the years ended December 31, 2022 and 2021.

The registered investment companies (mutual funds) and the Federated Government Obligation Premier Fund are traded on the stock market and are valued at their adjusted unit values on the last business day of the fiscal year and are valued using level 2 inputs based on unadjusted quoted market prices for similar assets within active markets.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodology is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date

Fair values of assets measured on a recurring basis at December 31, 2022 are as follows:

	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Registered Investment Companies (Mutual Funds)	\$ 29,751,124	\$ -	\$ 29,751,124	\$ -
Money Market Funds	<u>104,562</u>	<u>-</u>	<u>104,562</u>	<u>-</u>
Total Assets at Fair Value	<u>\$ 29,855,686</u>	<u>\$ -</u>	<u>\$ 29,855,686</u>	<u>\$ -</u>

Fair Value Measurements

Fair values of assets measured on a recurring basis at December 31, 2021 are as follows:

	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>

Total Assets at Fair Value	<u>\$ 36,041,042</u>	<u>\$ -</u>	<u>\$ 36,041,042</u>	<u>\$ -</u>

Fixed Investment Account

The fixed account consists of the Nationwide Fixed Select group annuity contract with the investments held in the Nationwide Life Insurance Company's general account. Deposits to the fixed contract are guaranteed in both principal and interest, assuring that the funds will grow at specified rates. The investments are credited with interest on a net daily basis at annual effective interest rate. The annualized effective interest for the years ended December 31, 2022 and 2021 were 1.97% and 1.63%, respectively. The investments are presented at contract value as determined by Nationwide.

Benefits

Benefit payments to participants are recorded when paid.

Plan Expenses

All costs and expenses incurred in connection with the operation of the Plan are paid by the Company and are not included in the financial statements. Administrative expenses paid by the Company were \$36,425 and \$26,550 for the years ended December 31, 2022 and 2021, respectively.

3. ITEMS CERTIFIED BY THE CUSTODIAN OF PLAN'S ASSETS

The Custodian of the Plan's assets, Nationwide Trust Company, FSB, furnished certain financial information to the plan administrator and certified as to its completeness and accuracy. These certifications were provided by the Custodian of the Plan's assets for the years ended December 31, 2022 and 2021. This information included, but was not limited to, summaries of investments, investment transactions, net appreciation (depreciation) in the fair value of investments, and investment income earned.

4. PLAN TERMINATION

Although it has not expressed any intent to do so except for the partial plan termination discussed in note 1, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

5. INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require the recording of a liability or disclosure in the financial statements.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

6. PARTIES IN INTEREST

The following organizations are considered parties-in-interest based upon their relationship as service providers to the Plan:

Creative Pension Consultants - Third Party Administrator
Marvin and Company, P.C. - Plan Auditor (through December 31, 2022)
Mengel, Metzger, Barr & Co. LLP - Plan Auditor (effective January 1, 2023)

Morgan Stanley Smith Barney, LLC - Security Brokerage
Homestead Funding Corp. - Plan Sponsor
IRON Financial - 3(21) Co-Fiduciary
Littler Mendelson P.C. - Plan Attorney

Certain plan investments are shares of mutual funds managed by Nationwide Trust Company, FSB. Nationwide Trust Company, FSB is the custodian as defined by the plan document and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management and other administrative services are included in net appreciation (depreciation) of registered investment companies (mutual funds) in the amount of \$182,102 and \$149,863 for the years ended December 31, 2022 and 2021, respectively. Contract administrator fees paid by the Plan were \$6,340 and \$6,864 for the years ended December 31, 2022 and 2021, respectively.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

Plan management has evaluated events subsequent to the statement of net assets available for benefits date of December 31, 2022 through October 11, 2023, which is the date these financial statements were available to be issued, and have determined that there are no subsequent events that require recording or disclosure.
